Love Is Crazy Lessons In Love: Creating Your Own Happy Ever After Love Guru Uma, 2018-01-24 Michael Bernard Beckwith says Uma is not merely a seeker of love a writer about love she IS Love And that's what makes this a trustworthy guide through the labyrinth of love with its twists and turns A beautiful quirky love weary single mom is mugged in South Central LA chases him down and wonders how she got there an unbelievable fictional tale based on a true story Our heroine follows her heart from Sedona to Seattle with two sons in tow Her fianc suffers from an incurable disease seriously She learns invaluable love lessons while singing her heart out in this riotous topsy turvy adventure in love She deals with a pathological liar her fianc on hallucinogenic prescription drugs and his teenage brat and survives Sexaholics Anonymous and powerfully positive self help groups while doing whatever it takes to find and keep love but is it enough

Make Love Your Aim Eugenia Price, 2021-04-27 Everyone today is an expert on love is Dr Allan Fromme's cryptic reflection on our current mood With a sense of human adventure Eugenia Price suggests in *Make Love Your Aim* that anyone can be an expert on love if he will dare to discover for himself the love God offers We have so sentimentalized our concept of love that it bears no resemblance to the original Miss Price writes We have taken the word of romantic novels and motion pictures and TV and perfume and men above the Word of God The Bible declares that God is love How closely does your concept of love resemble the love of God We tend to judge the quality of love according to the way it makes the loved one feel But to judge love by feeling is our big error and the point at which we turn aside from God's original concept *Make Love Your Aim* is a companion piece to the author's last book *The Wider Place* which was described by some readers as a controversial challenge to try the inner freedom God grants to anyone who want it enough to assume the responsibilities that come with it Freedom and love are two sides of the same coin And we can only understand them enough to practice them if we know the way God defines them How does He do this In Jesus Christ the final yet continuing revelation of God's true intentions toward all of us Those who are familiar with Eugenia Price's books will recognize this as a recurring theme *Make Love Your Aim* develops it with imagination and versatility Jesus said If the Son shall make you free you shall be free indeed But He was offering to wave no magic wand over our heads so that we could do as we pleased He also said This is my commandment That you love one another as I have loved you His is the love of the Cross without self defense without self pity and totally free
