but also their devotion to one another San Francisco Book Review America's World War II is most often told through the stories of its great battles when an entire generation of our young men was suddenly thrust across the oceans to represent the New World in deadly combat against the great powers of the Old On sea in the air and on land our boys fought against totalitarian powers that threatened to overturn the American ideal of liberty for every individual even civilization itself But while often forgotten America's women participated too On the home front they were more than willing to share in the hardships of wartime and in countless cases they fairly lived and breathed with support for our troops overseas Whether working in factories or taking care of families rationing or volunteering their unflagging support contributed more to our victories than has ever been told Young people have been falling in love since time began but romance during a global conflagration brought a unique set of challenges The uncertainty of the time led to an abundance of couples marrying quickly after brief courtships Others grew closer through intermittent correspondence in which the soldier was often censored by officers yet true longing from both sides invariably came through It was the worst time of all to try to have a relationship yet amazingly thousands of couples created lifelong bonds From blind dates to whirlwind romances to long separations War Bonds highlights stories of couples who met or married during WWII Each of the thirty stories begins with a World War II era song title and concludes with a look at wartime couples in their twilight as well as when they were so hopeful and young and determined to save the world Illustrated with photographs from the 1940s as well as current ones of each couple War Bonds offers readers a glimpse of bygone days as well as a poignant glimpse of our own During history's greatest war it was no time to start a relationship But many among our young men and women did so regardless and in this book we see how amazingly the war bonds of that World War II generation so frequently endured Love and War Oneta McCarthy, 2008-09-24 This is a love story but it is also a story of World War II It is the story of a young man who had just turned 20 years of age and felt it his duty to answer the call of his country and volunteer for the army of the United States It is the story of his emotions and frustrations his love for the young woman who loved and waited for him to come home and his experiences as he grew into a mature soldier who witnessed the horrors and devastation of war and saw the results of the Holocaust atrocities World War II Love Stories Gill Paul, Andrew Roberts, 2014 This tells the stories of 14 couples brought together by war They are love stories that transcend continents and cultures offering a profoundly moving insight into the personal lives of those caught up in the global conflict Jacket **Royal Love Stories** Gill Paul, 2015-01-12 Historically many royal marriages have represented the unions of dynasties with true engagements of the heart notable for their rarity Yet royal couples could fall in love and this book is full of surprises from the undying love that the last Tsar of Russia Nicholas II felt for his Tsarina to the unlikely love that flourished between Louis XVI and Marie Antoinette Amongst them too are less happy loves of Crown Prince Rudolph for his 17 year old lover Countess Mary Vetsera or in the 1940s of the Prince of Sweden refused consent to marry the girl he loved she only became his princess over 30 years later Bringing the reader right up to modern times and touching absorbing

and tragic by turns these stories bring the glamour and the contradictions of royalty vividly to life **Cal and Jo** Jeff Callender, 2015-03-21 The true story of a young couple who meet fall in love and become engaged during the uncertain days of World War II Cal Jo is based on 85 letters written in the early and mid 1940s by Cal when he was in training overseas and back home again From very different backgrounds their relationship faces seemingly insurmountable obstacles and Cal's letters lovingly express how deeply he misses Jo He has no idea when he will see her again and plans for marriage give him hope and purpose throughout the war Yet his dream is unexpectedly shattered when he finally returns This story is a remarkable display of resolute determination in the face of grim historic events and a parade of personal challenges Providing stirring inspiration and uplifting encouragement Cal and Jo are two ordinary people whose relationship does not have an easy start yet who choose to be together through one of history's darkest hours **An Imperialist Love Story** Amira Jarmakani, 2015-07-31 A curious figure stalks the pages of a distinct subset of mass market romance novels aptly called desert romances Animalistic yet sensitive dark and attractive the desert prince or sheikh emanates manliness and raw sexual power In the years since September 11 2001 the sheikh character has steadily risen in popularity in romance novels even while depictions of Arab masculinity as backward and violent in nature have dominated the cultural landscape An Imperialist Love Story contributes to the broader conversation about the legacy of orientalist representations of Arabs in Western popular culture Combining close readings of novels discursive analysis of blogs and forums and interviews with authors Jarmakani explores popular investments in the war on terror by examining the collisions between fantasy and reality in desert romances Focusing on issues of security freedom and liberal multiculturalism she foregrounds the role that desire plays in contemporary formations of U S imperialism Drawing on transnational feminist theory and cultural studies An Imperialist Love Story offers a radical reinterpretation of the war on terror demonstrating romance to be a powerful framework for understanding how it works and how it perseveres **World War II in Literature for Youth** Patricia Hachten Wee, Robert James Wee, 2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource *We are Going to be Lucky* Leo Miller, Diana F. Miller, 2018 Part I Training Induction Basic training the first six months Basic training the second six months Part II Overseas To the front Somewhere in France somewhere in Belgium Somewhere in Holland somewhere in Germany The Battle of the Bulge Part III Recovery The long road home The final phase recovery Epilogue life after the war 1946 1994 *Dearest Irene* Paul Johansen, 2018-04-24 Dearest Irene is a love story of World War II It is the true story of an arrogant rebellious young man a beautiful young woman and the love that sustained them through a year of military training

eighty nine days of combat duty in Germany and nine months of boredom temptation and danger waiting to get home It is told through more than two hundred letters written by the young man to his wife and daughter during the final months of the War in Europe and the early months of Allied occupation When his role in the war was over and he was no longer a soldier the man was still arrogant and even more rebellious and the woman was still beautiful But their youth was gone forever

If My Heart Had Wings Nadine Taylor,2018 A young girl discovers her mother s secret marriage to a pilot killed during World War II and over the course of decades unfolds a captivating love story that lives on long after her mother s passing

Treasures in My Heart Paula Guidry,2004-03 A collection of letters written by John Ray to his wife Paula F Ray Guidry during World War II

Cal and Jo Jeff Callender,2015-03-15 This is the true story of a young couple who meet fall in love and become engaged during the uncertain days of World War II It is based on 85 letters Cal wrote Jo and his mother before during and shortly after the war When you open this book you step into the daily life of a 1940s G I while he trains in the States is a soldier in Europe and finally returns Cal and Jo are two people from very different backgrounds and their relationship faces seemingly insurmountable obstacles Yet theirs is a story of resolute determination in the face of unexpected historic events and a parade of personal challenges
