Love Always Frosted Frame:

Love and Need Adam Plunkett, 2025-02-18 Braiding together biography and criticism Adam Plunkett challenges our understanding of Robert Frost's life and poetic legacy in a pathbreaking new work By the middle of the twentieth century Robert Frost was the best loved poet in America He was our nation's bard simple and sincere accompanying us on wooded roads and articulating our hopes and fears After Frost's death these clichés gave way to equally broad though opposed portraits sketched by his biographers chief among them Lawrance Thompson When the critic Helen Vendler reviewed Thompson's biography she asked whether anyone could avoid the conclusion that Frost was a monster In *Love and Need* The Life of Robert Frost's Poetry Adam Plunkett blends biography and criticism to find the truth of Frost's life one that lies between the two poles of perception Plunkett reveals a new Frost through a careful look at the poems and people he knew best showing how the stories of his most important relationships heretofore partly told mirror dominant themes of Frost's enduring poetry withholding and disclosure privacy and intimacy Not least of these relationships is the fraught intense friendship between Frost and Thompson the major biographer whose record of Frost Plunkett seeks to set straight Moving through Frost's most important work and closest relationships with the attention to detail necessary to see familiar things anew Plunkett offers an original interpretation of Frost's poetry tracing Frost's distinctive achievement to an engagement with poetic tradition far deeper and more extensive than he ever let on Frost invited his readers into a conversation like the one he sustained with his literary forebears intimate and profound yet Frost kept his private self at a remove Here Plunkett brings the two together the poet and the poetry and draws us back into conversation with America's poet *Autological Love* Christopher Cox, 2006-09 *Autological Love* follows marginally competent writer Henry Craft as he visits the small college town of Lohnbury hoping to learn more about three popular artists hailing from Latham College and the surrounding community a reclusive author who consistently returns to the best seller lists in spite of critical objections a young guitar phenom fronting the popular rock band Grim Altar and a pseudonymous painter whose works are bringing a small fortune to a local gallery Gradually Craft overcomes his complete lack of skills as an investigative journalist and learns that all three stories lead back like spokes on a wheel to the same point a young man who died almost two decades earlier Sal Bott on Amazon.com *Must Love Frosting (Must Love Diamonds - book 1)* Stacey Joy Netzel, 2019-05-07 A wedding cake baker and a photographer walk into a bar No that's just silly They meet at a wedding of course And since Asher Diamond only does weddings for the frosting on the cakes it's a match made in heaven Nope scratch that too Because Honor Hartman knows Happily Ever After isn't the fairy tale it's cracked up to be no matter how much the sexy photographer makes her wish otherwise Asher thinks she could be The One and the fact she's the woman behind the butter cream frosting is icing on the cake When his psychic best friend warns him Honor doesn't believe in forever he's willing to risk his heart to prove to her true love exists until a shocking family secret shakes the foundation of everything he believes in and reveals how wrong it
