Love An Unromantic Discussion:

Love Mary Evans, 2002-12-13 Since the end of the eighteenth century the pursuit of true love has been enshrined in the expectations of Western societies We regard this pursuit as our right and organize our lives around it However the possibility that love is becoming more difficult to achieve in the West has begun to attract considerable attention The consensus is that love is both deeply desirable and extremely difficult to find This highly original book explores two aspects of the nature of the apparently socially essential glue of love The first theme concerns the sources of our ideas about love where the concept originated and most importantly what its relationship has been to morality and moral systems The second theme is our determination to find love whatever the social and personal costs the desire for identification with another person drives us to impossible expectations and occasionally damaging alternatives In a compelling critique this book rejects the high romantic version of love as well as what could be described as a contractual version of love In their place it describes a love that depends upon reasoned care and commitment and argues that we should abandon love in its romanticized and commercialized form

Atheism and Love in the Modern Era Colby Dickinson, 2025-04-17 Discussing the decline of faith and the rise of love in the modern era Colby Dickinson proposes a critique of religious belief which addresses how a secular world can continue to mine religious traditions for their conceptual and emotional riches *Atheism and Love in the Modern Era* argues that theism and atheism taken together can peel back the layers of abstraction alienation and disillusionment that always accompany our humanity in order to help us really see how it is to exist in this world To illuminate this vision Dickinson takes up the notion of love as a cultivation and practice of indifference as a letting go of one's identity a crucial concept that unites both religion and atheism through a concerted effort to detach from them both The book is organized into four sections each situating the concept of love in relation to a distinct theme the first outlines modern secularized versions of various religious concepts such as technology in the place of miracles or art in the place of religious

revelation The second argues that in a pluralistic world the actual lived realities of various religious communities and persons defy the static categories and classifications grouped under the umbrella of religion The third section discusses and defines non absolute love The fourth section discusses how atheism in its critiques of religion misses the significance of de centring the act of love Dickinson elaborates his reflections through lucid engagement with a variety of thinkers including i ek Agamben Irigaray Derrida Erich Fromm Charles Taylor and Philip Kitcher This is essential reading for those interested in popular debates around theism and atheism as well as those concerned with the ways in which continental and analytic philosophy have addressed the continued significance of religious traditions

Love in Jozi: The Black Middle Class, Love and Intimacy in Johannesburg Grace Khunou, 2024-12-31 At its core this book illuminates the intricate landscape of relationships societal expectations and personal aspirations within Johannesburg s Black middle class Through nuanced research and compelling narratives the authors draw meaningful connections between individual experiences and broader demographic and cultural trends Each chapter provides a deep thoughtful exploration of topics such as race gender class sexuality and the intersectionality of these identities Written with remarkable accessibility and scholarly rigour the book invites readers from diverse backgrounds to engage with complex social dynamics The narratives are at once intimate and analytical revealing the multifaceted nature of love intimacy and relationships in contemporary Black middle class life Beyond academic discourse this work represents a significant contribution to our understanding of identity social transformation and personal resilience By exploring the evolving dynamics of relationships in Johannesburg the authors invite readers to reflect on how societal changes shape individual lives and how Black middle class experiences continually redefine success connection and community in our global context

Erotic Love in Sociology, Philosophy and Literature Finn Bowring, 2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day Erotic Love in Sociology Philosophy and Literature shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life Erotic Love in Sociology Philosophy and Literature recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love

Love Anna G.

Jónasdóttir, Ann Ferguson, 2013-11-12 This unique timely book of original essays sets the stage for a new materialist feminist debate on the analysis ethics and politics of love The contributors raise questions about social power and domination situating their research in a materialist feminist perspective that investigates love historically in order to understand changing ideologies representations and practices The essays range from studies of particular representations and examples of love feminist translation mass media images and internet love blogs to feminist theories of love and marriage to ethical and political theories describing critiquing or advocating the use of love in groups as a radical force They break new ground in bringing together questions of gendered interests in love temporal dimensions of loving practices and the politics of love in radical transformations of society *Love: Bondage or Liberation?* Deirdre Johnson, 2018-03-26 Much has been written

about the function of falling in love in the course of therapy itself This book has a much broader aim The author a Jungian analyst and psychotherapy trainer uses her teaching and clinical experience to illuminate the whole range of this near universal human experience How and why does falling in love affect us so profoundly How can it enhance who we are or must it ultimately fade without lasting value The author argues that the many valuable studies by psychoanalysts relational psychologists anthropologists neuroscientists and philosophers have all made valuable contributions and uses these to highlight and explore the many values and dangers inherent in passionate love However she claims that a more holistic approach is required to show how these various accounts can be seen as complementary rather than competing and can be accommodated within an overarching view of the integration of the human being in its heights and depths **Romantic**

Agency Luke Brunning, 2024-04-24 This is a book for people energized by the possibilities of modern intimacy but who feel unsure about their own romantic lives Alternative lifestyles such as nonmonogamy while liberating in theory can feel remote in practice as we are fixed in place by insecurities and social pressures In *Romantic Agency* philosopher Luke Brunning encourages readers to think more deeply about what it means for relationships to not only work but flourish Guided by the thought that our abilities to be intimate cannot be taken for granted he argues that our romantic agency is fragile and best cultivated alongside other people Together we can become more realistic balance playfulness with integrity and value each other's flourishing Anyone can benefit from this exploration of intimate life regardless of their relationship status or romantic ideals Compelling and timely *Romantic Agency* is a groundbreaking account of love and relationships *Governments and*

Marriage Education Policy Elizabeth van Acker, 2008-07-11 This book examines the role governments play in managing policy challenges such as religion romance gender relations same sex marriages and privacy protection in response to social changes in marriage Elizabeth van Acker asks whether governments can or should intervene in this personal sphere

Gender and Consumption Lydia Martens, Emma Casey, 2016-04-15 Drawing upon anthropological sociological and historical perspectives this volume provides a unique insight into women's domestic consumption The contributors argue that domestic consumption represents an important lens through which to examine the everyday production and reproduction of

socio economic relations Through a variety of case studies such as gambling wedding day consumption and bedroom d cor the essays explore and reconsider the nature of public and private spaces and the subsequent nature of domestic space often by challenging traditional notions of what constitutes the domestic The volume demonstrates the broad range of experiences that domestic consumption offers women and reveals some of the complex meanings and motivations underpinning women s consumption practices

The New Single Woman E. Kay Trimberger,2006-10-15 Drawing on stories from diverse women who have been single for many years Trimberger explodes the idea that fulfillment comes only through coupling with a soulmate Instead she presents an exciting new identity for women in the twenty first century the new single woman a woman who is content with her single life These gripping personal accounts of how single women s lives evolve over time combined with Trimberger s incisive analysis blend to provide a much needed cultural roadmap for every single woman who is striving to create a satisfying and meaningful life Trimberger s all inclusive paradigm shifting notion is one that ultimately strengthens and enriches both single women and couples

Modern Couples? Jenny van Hooff,2016-04-15 Have heterosexual relationships become more intimate and equal over the past forty years Simply put this is the central question underpinning this book Within the context of late modern social processes including most notably individualization and detraditionalization authors such as Giddens Beck and Beck Gernsheim and Bauman have come to focus on a posited transformation of personal relationships This has culminated in a sociological debate over the nature of contemporary relationships with proponents of change celebrating the emergence of an intimacy based on personal satisfaction rather than traditional obligations Detractors reject this interpretation and instead lament what they consider to be the destruction of commitment and the demoralisation of personal relationships by the rise of individualism and consumerism While these two entrenched positions have dominated the debate a third marginalised perspective has emerged which questions the extent to which contemporary relationships have become detraditionalized and emphasises evidence of continuing gender inequalities This book is essentially a qualitative empirical investigation of the changes and continuities posited within the debate which evaluates existing work and details the findings of van Hooff s research into the relationships of two generations of heterosexual couples It provides the reader with a grounded interpretation of the evidence questioning to what extent lived reality has matched the rhetoric within contemporary relationships

Transnational Homosexuals in Communist Poland Lukasz Szulc,2017-07-03 This book traces the fascinating history of the first Polish gay and lesbian magazines to explore the globalization of LGBT identities and politics in Central and Eastern Europe during the twilight years of the Cold War It details the emergence of homosexual movement and charts cross border flows of cultural products identity paradigms and activism models in communist Poland The work demonstrates that Polish homosexual activists were not locked behind the Iron Curtain but actively participated in the transnational construction of homosexuality Their magazines were largely influenced by Western magazines used similar words discussed similar topics or simply translated Western texts and

reproduced Western images However the imported ideas were not just copied but selectively adopted as well as strategically and creatively adapted in the Polish magazines so their authors could construct their own unique identities and build their own original politics

Making Our Own Destiny Lynne Y. Nakano, 2022-03-31 In East Asia's largest cities hundreds of thousands of women remain single into middle age and beyond giving rise to a demographic transformation with profound implications for their societies Labeled in the media as loser dogs and parasites in Japan and leftover women in mainland China and Hong Kong single women in East Asia are criticized for being choosy selfish and overly independent Based on ethnographic research and interviews with more than a hundred single women in Shanghai Hong Kong and Tokyo *Making Our Own Destiny* is the first study to comprehensively compare the views and experiences of single women living in these three great cities cities that stand at the forefront of the region's movement toward later marriage and rising singlehood This well researched book explores how single women attempt to take advantage of unprecedented opportunities for success in education and work while navigating marriage and family expectations Unlike their counterparts in Europe and North America many do not have romantic partners and most do not have children What do these women want How do they see themselves and their place in society What are their values goals and dreams As they work to balance opportunities with expectations single women in urban East Asia find themselves deeply embedded in the caregiving systems of their societies In Shanghai author Lynne Nakano finds single women rushing to marry to enter intergenerational relationships of care In Hong Kong they consider the risks of marriage as they tend to the needs of natal and extended families In Tokyo many single women hope to marry to have children while others find a place for themselves in their families as elder caregivers Nakano's intimate portrayals not only expose meticulously planned family strategies gone awry engagements broken and careers abandoned but also highlight the experiences of women embracing the joys of remaining single Hers is a fascinating study of modern women finding meaning in their lives while offering an insightful glimpse into the future of urban families in an age of low fertility and long transitions into adulthood

The Tenacity of the Couple-Norm Sasha Roseneil, Isabel Crowhurst, Tone Hellesund, Ana Cristina Santos, Mariya Stoilova, 2020-11-05 *The Tenacity of the Couple Norm* explores the ongoing strength and insidious grip of couple normativity across changing landscapes of law policy and everyday life in four contrasting national contexts the UK Bulgaria Norway and Portugal By investigating how the couple norm is lived and experienced how it has changed over time and how it varies between places and social groups this book provides a detailed analysis of changing intimate citizenship regimes in Europe and makes a major intervention in understandings of the contemporary condition of personal life The authors develop the feminist concept of intimate citizenship and propose the new concept of intimate citizenship regime offering a study of intimate citizenship regimes as normative systems that have been undergoing profound change in recent decades Against the backdrop of processes of depatriarchalization liberalization pluralization and homonormalization the ongoing potency of the couple norm becomes ever clearer

Sexuality, Citizenship and Belonging Francesca Stella,Yvette Taylor,Tracey Reynolds,Antoine Rogers,2015-10-23 This book brings together a diverse range of critical interventions in sexuality and gender studies and seeks to encourage new ways of thinking about the connections and tensions between sexual politics citizenship and belonging The book is organized around three interlinked thematic areas focusing on sexual citizenship nationalism and international borders Part 1 sexuality and race Part 2 and sexuality and religion Part 3 In revisiting notions of sexual citizenship and belonging contributors engage with topical debates about sexual nationalism or the construction of western

European nations as exceptional in terms of attitudes to sexual and gender equality vis vis an uncivilized racialized Other The collection explores macro level perspectives by attending to the geopolitical and socio legal structures within which competing claims to citizenship and belonging are played out at the same time micro level perspectives are utilized to explore the interplay between sexuality and race nation ethnicity and religious identities Geographically the collection has a prevalently European focus yet contributions explore a range of trans national spatial dimensions that exceed the boundaries of Europe and of European nation states

The Spectre of Promiscuity Christian Klesse, 2016-03-03

Wide ranging research suggests that partners in gay male and bisexual relationships do not necessarily expect monogamy or see it as an important issue Although the frequency of gay male and bisexual non monogamous partnerships tends to be widely acknowledged in social science literature these relationships have rarely been explored in more detail By providing rich empirical data thoughtful analysis and theoretical debate this book makes a significant contribution to the sociological literature on sexual and intimate relationships More specifically it explores the diversity of gay male and bisexual relationship practices in the context of heteronormative citizenship and intra social movement conflict and highlights the complexity of power relations that circumscribe queer people s relationships and sexual lives Written in an accessible and engaging manner *The Spectre of Promiscuity* provides important insights for further studies on sexual culture discourse citizenship politics and ethics
