Sexuality in the Middle Ages and Early Modern Times

Albrecht Classen, 2008-12-10

Sexuality is one of the most influential factors in human life. The responses to and reflections upon the manifestations of sexuality provide fascinating insights into fundamental aspects of medieval and early modern culture. This interdisciplinary volume with articles written by social historians, literary historians, musicologists, art historians, and historians of religion and mental history demonstrates how fruitful collaborative efforts can be in the exploration of essential features of human society. Practically every aspect of culture both in the Middle Ages and the early modern age was influenced and determined by sexuality, which hardly ever surfaces simply characterized by prurient interests. The treatment of sexuality in literature, chronicles, music, art, legal documents, and in scientific texts illuminates central concerns, anxieties, tensions, needs, fears, and problems in human society throughout times.

In Small Proportions Daniel Fischlin, 1998. The English ayre, which enjoyed a short vogue from about 1596 to 1622, is a distinctive subgenre of the lyric. Based on Edward Doughtie's seminal critical edition *LYRICS FROM ENGLISH AIRS 1596-1622* and published in 1970, *SMALL PROPORTIONS* provides the first extended examination of the ayre's literary devices and attributes. 25 illustrations.

Broken Harmony Joseph M. Ortiz, 2011-02-14. Music was a subject of considerable debate during the Renaissance. The notion that music could be interpreted in a meaningful way clashed regularly with evidence that music was in fact profoundly promiscuous in its application and effects. Subsequently, much writing in the period reflects a desire to ward off music's illegibility rather than come to terms with its actual effects. In *Broken Harmony*, Joseph M. Ortiz revises our understanding of music's relationship to language in Renaissance England. In the process, he shows the degree to which discussions of music were ideologically and politically charged. Offering a historically nuanced account of the early modern debate over music, along with close readings of several of Shakespeare's plays, including *Titus Andronicus*, *The Merchant of Venice*, *The Tempest*, and *The Winter's Tale*, and Milton's *A Maske*, Ortiz challenges the consensus that music's affinity with poetry was widely accepted or even desired by Renaissance poets. Shakespeare more than any other early modern poet exposed the fault lines in the debate about music's function in art, repeatedly staging disruptive scenes of music that expose an underlying struggle between textual and sensuous authorities. Such musical interventions in textual experiences highlight the significance of sound as an aesthetic and sensory experience independent of any narrative function.

Romeo and Juliet, Adaptation and the Arts Julia Reinhard Lupton, Ariane

Helou, 2022-08-25. *Romeo and Juliet* is the most produced, translated, and re-mixed of all of Shakespeare's plays. This volume takes up the iconographic, linguistic, and performance layers already at work within it and tracks the play's dispersal into neighbouring art forms, including ballet, opera, television, and architecture, and geographical locations, including Italy, Ireland,

France India and Korea Chapters trace Shakespeare's own acts of adaptation and appropriation of sources and the play's subsequent migrations into other media Part One considers reworkings of Romeo and Juliet in Hector Berlioz's 1839 choral symphony and ballets choreographed by Sir Kenneth MacMillan and John Neumeier Part Two explores the afterlives of Shakespeare's lovers in the narrative forms of fiction film and serial television including works by James Joyce Samuel Beckett and HBO's series Westworld Part Three examines dramatic adaptations of the play into other languages dialects and cultural contexts Authors consider Hindi translations and the complex and changing status of Shakespeare's work in India as well as productions of the play in Korea set against its evolving history The volume ends with a first person account of staging Romeo and Juliet at an HBCU historically Black college university documenting the tensions between the notion of Shakespeare as a universal author and the lived experiences of marginalized communities as they engage with his plays

Love and Death in Renaissance Italy Thomas V. Cohen, 2010-01-15 Gratuitous sex Graphic violence Lies revenge and murder Before there was digital cable or reality television there was Renaissance Italy and the courts in which Italian magistrates meted out justice to the vicious and the villainous the scabrous and the scandalous Love and Death in Renaissance Italy retells six piquant episodes from the Italian court just after 1550 as the Renaissance gave way to an era of Catholic reformation Each of the chapters in this history chronicles a domestic drama around which the lives of ordinary Romans are suddenly and violently altered You might read the gruesome murder that opens the book when an Italian noble takes revenge on his wife and her bastard lover as he catches them in delicto flagrante as straight from the pages of Boccaccio But this tale like the other stories Cohen recalls here is true and its recounting in this scintillating work is based on assiduous research in court proceedings kept in the state archives in Rome Love and Death in Renaissance Italy contains stories of a forbidden love for an orphan nun of brothers who cruelly exact a will from their dying teenage sister and of a malicious papal prosecutor who not only rapes a band of sisters but turns their shambling father into a pimp Cohen retells each cruel episode with a blend of sly wit and warm sympathy and then wraps his tales in ruminations on their lessons both for the history of their own time and for historians writing today What results is a book at once poignant and painfully human as well as deliciously entertaining

Love and Death at the Renaissance Fair Matthew Stocker, 2018-05 Love and Death at the Renaissance faire is set at a magical Renaissance festival where things are not always as they seem The main Character Sir William falls in love with the beautiful Genevieve They only know each other for a day before he hears her dying screams right outside the tavern he is in He spends every waking moment trying to bring her murderer to justice He is joined by some friends he meets along the way including a dancing joustier and the best archer in the land Together they endure grueling sword fights crazy fairies and all kinds of trouble before finding and defeating Genevieve's murderer

Carnal Reading Joseph Pappa, 2011-05-16 The question of an erotic readership has always vexed scholars With little evidence of anyone's actually reading erotic material scholars have had to make do with variations of an ideal reader

approach Insofar as it presupposes authorial intention and a stable meaning this theoretical model proves unsatisfactory Using an interdisciplinary approach *Carnal Reading Early Modern Language and Bodies* proposes a new theory of erotic reading that refigures bodily responses as constitutive of cognitive understanding In its content and style erotic writing was perceived to interact physically with the reader's body or more specifically the sensitive soul via the imagination Lively descriptions infused desires that could permanently affect not only the entire animal economy or constitution but also a person's reasoning faculties All good writing was meant to move the passions but there was no way to determine whether the warmth derived from reading was erotic or otherwise Chapter 1 *Thoughts Swelled with Carnosity Imagination Enthusiasm and Love* briefly rehearses Adrian John's account of how religious reading can inspire enthusiasm in readers This understanding of how religious reading inflames the imagination applies equally well to amorous discourses The *Passions Music Infusion and Teen Age Reading Habits* chapter 2 examines early modern conduct books and discourses about music to illustrate the notion of the early modern body as permeable and as such impressionable to all forms of stimulating media The chapter offers a close reading of Manley's *New Atalantis* to demonstrate how reading habits could transform a young person's constitution Chapter 3 *The Physiological Aesthetics of Erotic Response Intention Style Association* focuses on contemporary literary critiques that privilege lively depictions and the consequences that style has on authorial intention The final chapter *Sexy Rhetoric Nice Figures or Books that Do It* the old Grammar rule

Joycean Possibilities: A Margot Norris Legacy Joseph Valente, Vicki Mahaffey, Kezia Whiting, 2022-12-06 This volume proposes to honor the trenchant influential scholarship of Professor Margot Norris in essays that amplify her illumination of Joyce's oeuvre The common denominator running through her work is her openness to Joyce's various modes of innovation she pioneered alternative ways of regarding his fiction the readers it addresses the narrative and generic forms it alters the world to which it refers and the nature of the socio-historical status quo it exposes These categories anchor and organize the collection Joyce's textual plurivalence formal innovations possible worlds emergent histories including those of women and variegated readerships *Encyclopedia of Comparative Iconography* Helene E. Roberts, 2013-09-05 First published in 1998 Routledge is an imprint of Taylor Francis an informa company

Damnable Practises: Witches, Dangerous Women, and Music in Seventeenth-Century English Broadside Ballads Sarah F. Williams, 2016-03-09 Broadside ballads folio sized publications containing verse a tune indication and woodcut imagery related cautionary tales current events and simplified myth and history to a wide range of social classes across seventeenth century England Ballads straddled and destabilized the categories of public and private performance spaces the material and the ephemeral music and text and oral and written traditions Sung by balladmongers in the streets and referenced in theatrical works they were also pasted to the walls of local taverns and domestic spaces They titillated and entertained but also educated audiences on morality and gender hierarchies Although contemporaneous writers published volumes on the early modern controversy over women and the English witch craze broadside ballads were perhaps

more instrumental in disseminating information about dangerous women and their acoustic qualities Recent scholarship has explored the representations of witchcraft and malfeasance in English street literature until now however the role of music and embodied performance in communicating female transgression has yet to be investigated Sarah Williams carefully considers the broadside ballad as a dynamic performative work situated in a unique cultural context Employing techniques drawn from musical analysis gender studies performance studies and the histories of print and theater she contends that broadside ballads and their music made connections between various degrees of female crime the supernatural and cautionary tales for and about women Images of Love and Death in Late Medieval and Renaissance Art Clifton C. Olds, William R. Levin, 1975 "And Never Know the Joy" , 2016-08-29 And Never Know the Joy Sex and the Erotic in English Poetry promises the reader much to enjoy and to reflect on riddles and sex games the grammar of relationships the cunning psychology of bodily fantasies sexuality as the ambiguous performance of words the allure of music and its instruments the erotics of death and remembrance are just a few of the initial themes that emerge from the twenty five articles to be found in this volume with many an invitation to seize the day Reproduction pregnancy and fear discredited and degraded libertines the ventriloquism of sexual objects the ease with which men are reduced to impotence by the carnality of women orgasm and melancholy erotic mysticism and religious sexuality the potency and dangers of fruit and flowers the delights of the recumbent male body and of dancing girls the fertile ritual use of poetic texts striptease and revolution silent women reclaimed as active vessels are amongst the many engaging topics that emerge out of the ongoing and entertaining scholarly discussion of sex and eroticism in English poetry The Cambridge Shakespeare Library: Shakespeare criticism Catherine M. S. Alexander, 2003 Publisher Description *Afterlives of the Lady of Shalott and Elaine of Astolat* Ann F. Howey, 2020-07-31 This book investigates adaptations of The Lady of Shalott and Elaine of Astolat in Victorian and post Victorian popular culture to explore their engagement with medievalism social constructions of gender and representations of the role of art in society Although the figure of Elaine first appeared in medieval texts including Malory s Le Morte Darthur Tennyson s poems about the Lady and Elaine drew unprecedented response from musicians artists and other authors whose adaptations in some cases inspired further adaptations With chapters on music art and literature including parody young people s literature and historical fiction and fantasy this book seeks to trace the evolution of these characters and the ways in which they reinforce or challenge conventional gender roles represent the present s relationship to the past and highlight the power of art **The Love Poetry of Francisco de Quevedo** Julian Olivares, 1983-05-26 This study of the poetry of Francisco de Quevedo combines a stylistic analysis with a philosophical interpretation in the broad sense Goethe Yearbook 14 Simon J. Richter, Simon Richter, 2007-02-19 Focuses on childhood in the Age of Goethe in addition to various other topics and works The Goethe Yearbook first published in 1982 is a publication of the Goethe Society of North America and is dedicated to North American Goethe Scholarship It aims above all to encourage and publish original English language

contributions to the understanding of Goethe and other authors of the Goethezeit while also welcoming contributions from scholars around the world Volume 14 features a special section on childhood in the Age of Goethe co edited with Anthony Krupp In addition readers will find two essays illuminating Goethe s Triumph der Empfindsamkeit an inspired reading of Das M rchen against the background of Goethe s critique of Newtonian science a careful analysis of the daemonic in the poem M chtiges berraschen and essays on Egmont and Wilhelm Meisters Wanderjahre Contributors Kelly Barry Paul Fleming Edgar Landgraf Liliane Weissberg Angus Nicholls Robin A Clouser Simon J Richter is Professor of German at the University of Pennsylvania and book review editor Martha B Helfer is Professor of German at Rutgers University Anthony Krupp is Assistant Professor of German at the University of Miami

Cecilia Reclaimed Susan C. Cook, 1994 Cecilia a fifteenth century Christian martyr has long been considered the patron saint of music In this pathbreaking volume ten of the best known scholars in the newly emerging field of feminist musicology explore both how gender has helped shape genres and works of music and how music has contributed to prevailing notions of gender The musical subjects include concert music both instrumental and vocal and the vernacular genres of ballads salon music and contemporary African American rap The essays raise issues not only of gender but also of race and class moving among musical practices of the courtly ruling class and the elite discourse of the twentieth century modernist movement to practices surrounding marginal girls in Renaissance Venice and the largely white middle class experiences of magazine and balladry
