Never could I have imagined what an amazing journey was set in motion These intensely personal letters capture my hopes and fears as my wife and I progress through the various stages of IVF our daughter s stay in the NICU and our first year as a family From giving my wife daily shots to staring at the various screens monitoring my newborn daughter the book attempts to capture the emotions of a loving husband and father trying to be the man both his girls need The book concludes with my honest unadulterated reflections on having going through IVF and the NICU My hope is that my candid sharing may help others gain a greater sense of the emotions involved in having an IVF or NICU baby *Love, Dad* Herbert

Brokering, 1998-02-27 Here is a marvelous collection memories family nostalgia spiritual wisdom and an abiding sense of God s presence In his wonderfully poetic voice Herbert Brokering bequeaths his children and all children and parents a rich legacy of faith The letters are shaped around memories from Brokering s experiences as a child and as a parent and are grouped into five sections Here s a Place You ll Like There s Someone I Want You to Meet Have Fun Along the Way I Know the Feeling I Have Faith in You Each letter offers fresh understandings about God and faith plus advice on finding and living full lives **Just a Daddy's Girl** Ashleigh Smith, 2012-07 It s hard to be without someone who has been there through thick and thin and when they re gone forever what do you do How do you feel At the age of eighteen how are you supposed to feel especially when the person you lost has made plans for you ahead of time and decided that you need someone to take care of you and to keep you on track Would you ever have thought that by having that person around would actually be good for you and he might even be the one you fall for Do we see that there are true people on this planet that can love and make you whole again even though your world fell from beneath you
