Love In A Dry Season:

Love in a Dry Season Shelby Foote, 2011-04-06 Shelby Foote's magnificently orchestrated novel anticipates much of the subject matter of his monumental Civil War trilogy rendering the clash between North and South with a violence all the more shocking for its intimacy. *Love in a Dry Season* describes an erotic and economic triangle in which two wealthy and fantastically unhappy Mississippi families the Barcrofts and the Carrutherses are joined by an open faced fortune hunter from the North a man whose ruthlessness is matched only by his inability to understand the people he tries to exploit and his fatal incomprehension of the passions he so casually ignites. Combining a flawless sense of place with a Faulknerian command of the grotesque Foote's novel turns a small cotton town into a sexual battleground as fatal as Vicksburg or Shiloh and one where strategy is no match for instinct and tradition. *Love in a Dry Season* Brenda Jackson, Penguin Books Staff, Ronald L McDonald, 1960-01-01

Shelby Foote Robert L. Phillips, 2009-09-28 Called the greatest Civil War historian Shelby Foote began his career as a novelist whose powerful works of fiction rose out of his closeness to life and culture in his native region the Mississippi Delta country. Later in his career he transformed modern historical prose by his keen sense of the novel. His artistic distance from the elements of regionalism that lie at the heart both of his novels and of his history writing gives his prose great narrative force. This perceptive study fills the genuine need for a sound critical appreciation of Foote the novelist. After he appeared as a sage commentator in the PBS series *The Civil War* the popular acclaim that catapulted Shelby Foote the historian to even greater eminence as an American oracle renewed much deserved interest in his novels and in critically rich assessments such as this one. [Shelby Foote and the Art of History](#) James Panabaker, 2004 Panabaker examines several key influences on Foote's development as a writer and historian from his upbringing in the progressive southern town of Greenville Mississippi and his relationship with William Alexander Percy to the inescapable shadow of Faulkner. Jacket [Conversations with Ellen Douglas](#) Panthea Reid, 2000 So when I went down to ask my aunts if it would be all right to publish *A Family's Affairs* they said it was okay so long as they didn't have to read it and if I would use a pen name. This collection of interviews from three decades features one of the South's most prominent contemporary writers one of America's most dazzling practitioners of postmodern fiction. From the early sixties when she published the award winning *A Family's Affairs* to the late nineties and the publication of *Truth Four Stories I Am Finally Old Enough to Tell* Ellen Douglas has written novels short stories essays and a book of fairy tales. These conversations with Douglas reveal her earthy frankness and her disdain for portentous declaration. In them just as in her fiction she expresses her love of people language and stories her constant moral values her inclusive compassion her deeply felt obligations to others and her keen sense of humor. She explains that comedy is as serious as tragedy it's just funnier. Because she is an excellent candid conversationalist her light touch with portentous matters makes these interviews both dead serious and very funny. The first is with Hodding Carter III who in 1971 was a young journalist and family friend from Greenville Mississippi the town where

Douglas was living and rearing three sons Carter is among her early interviewers who explore the mystique of the southern writer and the southern climate for literature Douglas s string of new novels took her work forward into civil rights women s roles and questions about the institutions of family and marriage The conversations illuminate this shift from southern tradition to concern over contemporary issues Arranged chronologically the interviews testify to the growth of Douglas s narrative sensibility and to the profound use of allusions in her work As she discusses *A Family s Affairs* *Black Cloud White Cloud* *Where the Dreams Cross* *Apostles of Light* *The Rock Cried Out* *A Lifetime Burning* *The Magic Carpet* and *Other Tales Can t Quit You Baby* and *Truth* her remarks exhibit a consistent concern with technique and craftsmanship for which she is much admired Of these sixteen interviews ten originally appeared in print between 1971 and 1999 Six have never before been published Resurrecting lost material and exploring new insights this collection offers the only comprehensive introduction to Douglas s lasting body of powerful work It also provides the tools for the in depth studies of her art which are sure to follow So when I went down to ask my aunts if it would be all right to publish *A Family s Affairs* they said it was okay so long as they didn t have to read it and if I would use a pen name This collection of interviews from three decades features one of the South s most prominent contemporary writers one of America s most dazzling practitioners of postmodern fiction From the early sixties when she published the award winning *A Family s Affairs* to the late nineties and the publication of *Truth* Four Stories *I Am Finally Old Enough to Tell* Ellen Douglas has written novels short stories essays and a book of fairy tales These conversations with Douglas reveal her earthy frankness and her disdain for portentous declaration In them just as in her fiction she expresses her love of people language and stories her constant moral values her inclusive compassion her deeply felt obligations to others and her keen sense of humor She explains that comedy is as serious as tragedy it s just funnier Because she is an excellent candid conversationalist her light touch with portentous matters makes these interviews both dead serious and very funny The first is with Hodding Carter III who in 1971 was a young journalist and family friend from Greenville Mississippi the town where Douglas was living and rearing three sons Carter is among her early interviewers who explore the mystique of the southern writer and the southern climate for literature Douglas s string of new novels took her work forward into civil rights women s roles and questions about the institutions of family and marriage The conversations illuminate this shift from southern tradition to concern over contemporary issues Arranged chronologically the interviews testify to the growth of Douglas s narrative sensibility and to the profound use of allusions in her work As she discusses *A Family s Affairs* *Black Cloud White Cloud* *Where the Dreams Cross* *Apostles of Light* *The Rock Cried Out* *A Lifetime Burning* *The Magic Carpet* and *Other Tales Can t Quit You Baby* and *Truth* her remarks exhibit a consistent concern with technique and craftsmanship for which she is much admired Of these sixteen interviews ten originally appeared in print between 1971 and 1999 Six have never before been published Resurrecting lost material and exploring new insights this collection offers the only comprehensive introduction to Douglas s lasting body of powerful work It also provides the tools for

the in depth studies of her art which are sure to follow *The Correspondence of Shelby Foote & Walker Percy* Shelby Foote, Walker Percy, 1997 Death of Foote's mother and Percy's battle with cancer their letters are full of sly humor good natured ribbing and a large dose of self mockery **Love, Dryads & Murder** Elaine Canyon, 2025-04-24 Planning a murder wasn't supposed to lead to love Bored and weary Reo is wandering the world looking to rekindle the excitement of his thievery career When a degenerate man offers him quick money to retrieve a bit of bark deep in the rainforest Reo agrees He isn't prepared for the dryad that corners him among the trees or the job she offers him Halira remembers when dryads weren't hostile toward humans If she can get rid of the enemy that caused the hostility the Dryad Council will relent and bring her parents home The thief she finds while patrolling the rainforest is the best hope she has assuming he's not secretly working for her enemy Teaming up is easy Trusting each other isn't especially when their mutual attraction is as intertwined as the vines that hang from the trees But when their best laid plans crumble their lives are in more danger than their budding relationship ever was Baba's Love , Bill, 2018-01-03 Baba's Love is a story about a family's journey of adoption Baba is referred to as father in some parts of Africa By surrendering to the will of God they learned of a father's love Walking by faith through the emotional process they laughed and cried together It is a true story of suffering perseverance and love Relationships with the beautiful people in Central Nigeria are of valued gifts given to the authors While living in a different culture they learned about their own culture and to embrace them both It is a story about trusting God and having courage to take one step at a time while not knowing the outcome It is written for the purpose of encouraging you the reader in your own journey Giving is a thread that you will see woven throughout the pages of this story It speaks of what was given how it was given and why it was given Time is a precious gift to give It is the authors desire that you take time to read this story of love and be encouraged in your life as well as encourage others through sharing your story *To Cambodia with Love* Andy Brouwer, 2011 From a tarantula brunch in the remote Cambodian countryside to a spiritual encounter with the god Vishnu in the National Museum in Phnom Penh *To Cambodia with Love* contains more than 50 personal passionate essays from travelers Full color photographs throughout **Love Unexpected (Beacons of Hope Book #1)** Jody Hedlund, 2014-11-25 1859 Presque Isle Michigan What Is the Secret That Could Shipwreck Both of Their Lives All Emma Chambers ever wanted was a home but when her steamboat sinks just outside Presque Isle she's left destitute and with no place to stay An unlikely solution arises when the lighthouse keeper arrives in town He's just lost his wife and is having a difficult time caring for his child So a traveling preacher gets the idea that the keeper and Emma might be the answer to each other's dilemma After a hasty marriage she finds herself heading to the lighthouse with this handsome but quiet stranger Nothing in her aimless life though has prepared her for parenting a rambunctious toddler as well as managing a household Emma soon suspects Patrick may be hiding something from her and then she hears a disturbing rumor about the circumstances surrounding his late wife's death It seems as if her wish for a home and family of her own could end up leading her once more into turbulent waters
