Love In The Gospels:

Love in the Gospel of John Francis J. SDB Moloney, 2013-11-19 The command to love is central to the Gospel of John Internationally respected scholar Francis Moloney offers a thorough exploration of this theme focusing not only on Jesus's words but also on his actions Instead of merely telling people that they must love one another Jesus acts to make God's love known and calls all who follow him to do the same This capstone work on John's Gospel uses a narrative approach to delve deeply into a theme at the heart of the Fourth Gospel and the life of the Christian church Uniting rigorous exegesis with theological and pastoral insight it makes a substantive contribution to contemporary Johannine scholarship 'Love Your Enemies' John Piper, 1979 Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels **Encountering the God of Faith, Hope, and Love in the Bible** George M. Running Love Like Jesus begins with the story of how after a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven year deep dive After pouring over Jesus every interaction with another human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett s own moral failures affirm he wrote this book for himself as much as for others Love Like Jesus examines a variety of stories examples and research including Specific examples of how Jesus communicated God s love to others How Jesus demonstrated all five of Gary Chapman s love languages and how you can too The story of how Billy Graham extended Christ s extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn t love everyone the same and why you shouldn t either How Jesus guarded his heart by taking care of himself he even napped and why you should do the same How Jesus loved his betrayer Judas even to the very end With genuine unfiltered honesty Love Like Jesus shows you how to live a life according to God s definition of success A life of loving God well and loving the people around you well too A life of loving like Jesus

Jesus and the Shamanic Tradition of Same-Sex Love Will Roscoe,2013 Originally published by Suspect Thoughts Press 2004 Updated by the author and re released by Lethe Press 2013

Jesus My Love Henry F. Jacobs Iii,2012-06

Jesus As I Have Come to Know and to Deeply Love Him Larry V. Murphy,2014-06-08 This book is very much about The Gospel of Thomas that much too little understood alternative gospel which the early Christian church condemned and banished into virtual obscurity for nearly 2000 years But mostly the book is about Jesus Thomas s gospel acts as our guide as we go through the book delving into what the author feels Jesus is trying to convey to us So much of that is about Awareness Consciousness of God s Kingdom as ever presence NOW the author contends Above all this book is about precisely that which the author wished to convey in the book s title Jesus As I Have Come To Know And To Deeply Love Him The author has come to know a very approachable and human Jesus as well as a courageous spiritual and social rebel who faced up to both Rome s Empire and the Jewish aristocracy without blinking The universal love of Jesus was increasingly experienced by the author as the book progressed deepening the author s own love for Jesus

Pyper,2000-12-21 Embracing the viewpoints of Catholic Protestant or Orthodox thinkers of conservatives liberals radicals and agnostics Christianity today is anything but monolithic or univocal In The Oxford Companion to Christian Thought general editor Adrian Hastings has tried to capture a sense of the great diversity of opinion that swirls about under the heading of Christian thought Indeed the 260 contributors who hail from twenty countries represent as wide a range of perspectives as possible Here is a comprehensive and authoritative though not dogmatic overview of the full spectrum of Christian thinking Within its 600 alphabetically arranged entries readers will find lengthy survey articles on the history of Christian thought on national and regional traditions and on various denominations

from Anglican to Unitarian There is ample coverage of Eastern thought as well examining the Christian tradition in China Japan India and Africa The contributors examine major theological topics such as resurrection the Eucharist and grace as well as controversial issues such as homosexuality and abortion In addition short entries illuminate symbols such as water and wine and there are many profiles of leading theologians of non Christians who have deeply influenced Christian thinking including Aristotle and Plato and of literary figures such as Dante Milton and Tolstoy Most articles end with a list of suggested readings and the book features a large number of cross references The Oxford Companion to Christian Thought is an indispensable guide to one of the central strands of Western culture An essential volume for all Christians it is a thoughtful gift for the holidays

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series

Love of Jesus Richard E. Creel, 2010-02-01 If you would like to read many reasons for admiring and loving Jesus then this is the book for you If you admire and love Jesus but have difficulty identifying yourself as a Christian or have difficulty joining a church because of problems with this or that aspect of Christianity then this is a book for you too Among other things Love of Jesus points out that Jesus accepted and even encouraged doubters Important as scholarship is Love of Jesus is not a scholarly book Rather it reaches out to lay people believers and non believers It takes at face value a wide range of New Testament stories about Jesus and asks of them why we should admire and love the man who inspired them Then hoping it has inspired the reader to admire and love Jesus or to admire and love him even more Love of Jesus offers answers to the questions How should we follow him and How should we relate to one another as Christians when we have different understandings of Christianity
