Love Letters To Dangerous Christians:

Love Letters to God Devon Spencer, Katherine Willis Pershey, 2025-07-29 Love Letters to God is an intensely personal and deeply theological book of epistles between two dear friends The authors hail from different backgrounds in faith family and life circumstances but find common ground in their devotion to Christ Christianity and each other The letters chronicle a year in the life of this friendship marked by fervent faith and bouts of unbelief suffering and rejoicing death loss and baptism and the sanctification of a friendship The tone is at once literary and personal peppered as much with theological references as unrefined vulnerability and speaks to all who cherish their faith and their friends **A serious call, in Christian love to all people to turn to the spirit of Christ in themselves ... The fifteenth edition** Benjamin Holme, 1788 *A Serious Call in Christian love to all people, to turn to the spirit of Christ in themselves ... Second edition revised* Benjamin Holme, 1725 **A serious call in Christian love to all people, to turn to the spirit of Christ in themselves, etc** Benjamin Holme, 1760 The Lost Love Letters of Heloise and Abelard Constant J. Mews, 2016-09-23 This new edition offers fascinating insights into one of the most celebrated love affairs of the Middle Ages A new chapter charts the debate about the letters and offers fresh evidence to attribute them to Abelard and Heloise The complete Latin text is reproduced with an annotated translation by Chiavaroli and Mews *Love Letter to God* R.L. Dawson, 2025-04-11 Jeremiah 29 11 says For I know the plans I have for you says the Lord They are plans for good and not for disaster to give you hope for a future This Bible verse has come to mean so much to me During the last year my wife and I have had many trials in our lives However we know that we are not alone Although I have always aspired to be a professional writer this book is not something I planned It began by writing devotions and reading them in church This book is about my growth as a Christian I am not a perfect Christian as none of us are This book will reflect that and I hope and pray that it reaches fellow struggling sinners It took just a year to write And yet in many ways it took a lifetime 66 Love Letters Larry Crabb, 2011-05-09 Have you ever read the Bible only to come away confused Learn the meaning of each of the 66 books of the Bible and how each one is a love letter to God's people After working with people as a psychologist for four decades author Larry Crabb invites you to explore the Bible in a new way He offers a fresh relational look at Scripture through intimate discussions with God Told through a series of conversations between himself and God Larry wrestles through what God intends us to understand in each of the 66 books of the Bible Each book tells a story that is a part of a larger one of God and how He loves His people Perfect for a small group bible study or used as a daily devotional Larry asks deeply honest questions such as God what is it you wanted me to see in Obadiah And what's up with Leviticus Is there anything there for me This one verse in Galatians has always frustrated me Why is that The way you wrote Revelation makes it difficult to understand why didn't you just describe what will happen in a straightforward way Listen to the story of God unfold through these chapters and you'll find not only His redeeming love but His plan and provision designed especially for you Though life may not be going according to your plan God has another one

Revelation: A Love Letter from God Katheryn Maddox Haddad,2014-08-14 Revelation is not a book of gloom and doom It is a book of hope A book of reassurance that no matter how bad things get in the world God is still in control and still loves us like light shimmering in the soul It was written during a time when Christians were losing jobs and homes friends and family During a time when Christians were being imprisoned tortured and killed They were laying everything on the line for Jesus Everything They needed hope They needed this love letter This is a history of the world before Jesus was born especially the world of the Israelites It is also an account of Jesus birth ministry and death It ends with the final doom of Satan and the final victory of the church the heavenly Jerusalem After all does not chapter 1 verse 19 state that John was to write therefore what you have seen past what is now present and what will take place later future The scriptures always interpret themselves therefore the author takes you through each scene with applicable background scriptures to magnify the meaning with unique clearness This is God s last love letter to the world He has done everything possible to help us escape hell including offering his only begotten son to die in our place We are his children He loves us and does not want us to be hurt He tells of the overwhelming joy he can give those who accept his Son as Lord of their life He also tells us that if we become Christians he will protect us as he always protected his children in the past This is one last reassurance One last love letter from God Cast aside all the horror stories you have been told about Revelation View it now with fresh new eyes be awed and be showered with God s love **Revelation: God's Last Love Letter** Kenneth E. Nissen,2014-04 Revelation is addressed to the churches in chapter one and for the churches in the last chapter One would expect God s last love letter to be a favorite

book among Christians but it isn't. It isn't because it isn't understood. This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as far away as Africa and India. From the first I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times and not as a text to figure out the sequence of the end times. This was also the first time I had seen the theme of overcoming given as the main thrust of Revelation. So I had to read his manuscript to see if in fact he had come upon something I had missed. I am convinced that he has. I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers and the resources available to us to do just that as the end approaches. And the book is more than that for it does not side-step the questions that are raised as one reads the book of Revelation. Stephen R. Bradley, Director of Field Education, Columbia Bible College, Columbia, South Carolina.
