A Love Like No Other Pamela Kruger, Jill Smolowe, 2006-09-26 Twenty leading authors all of whom are adoptive parents discuss their personal experiences Some of their stories soberingly address the potential complications of adoptive parenting while others tell of happily enriched family lives

A Love Like No Other Jason Crimp, 2024-09-19 A Love Like No Other is an enchanting anthology that weaves together diverse narratives each exploring the boundless and transformative nature of love through the eyes of remarkable women named Elara and occasionally Aaliyah or Anya Across these interconnected tales love manifests in myriad forms defying conventional boundaries and societal expectations and is often intertwined with elements of magic myth and the natural world From a meticulous librarian guided by a magical compass to a fire witch thawing a hardened warrior's heart a Sylvari exiled from the stars or a Clockwork Heart discovering emotion each story presents a unique facet of human connection The protagonists navigate extraordinary circumstances including mythical quests ancient curses and personal struggles like loss societal pressures and physical limitations Their journeys are reflected in vivid imagery drawing parallels between the depth of their emotions and the vastness of the cosmos the resilience of ancient forests the unpredictable power of storms or the quiet beauty of a secret garden This collection celebrates love not as a singular event but as an ever evolving force a gentle touch an unwritten story an endless horizon and a profound often unconventional bond that reshapes lives and transcends the ordinary proving that the most extraordinary love stories are those that are truly unique

Cate Moran,2015-08-18 As human beings we invariably do anything and everything but spend time with the self We are lost in thought as we get distracted with all the flurry of daily living and earning our keep believing it to be our purpose As we look around us we see what appears to be a neverending cycle of conflict and turmoil We have tried in countless ways to resolve these issues but to no avail We dont need more analysis or knowledge The only thing that will save us is more wisdom Wisdom is not something that can be acquired through book knowledge alone but rather it is experienced from a place of inner stillness In One Womans Story and a Love Like No Other author Cate Moran shares how one can gain that inner stillness unlocking the door to greater awareness She helps you look at your life in a new way so you may realize your full potential The memoir narrates Cates story of her love of wisdom and her search to find true love She tells how she combed the globe only to find the man of her dreams when she least expected it Then through a series experiences she shares how she gained a greater understanding of love One Womans Story and a Love Like No Other explains how Cate lives simply and prefers to observe events as they unfold about her helping her understand the meaning of life and to discover more of who she is from her lifes journey It is through these experiences that a very different self emerges

Miss Jenesequa,2018-11-21 How can the one man

you've loved for many years and only fallen deeper for over a short period of time he engaged to somebody else Indira Porter is shocked to find out that Bakari has been engaged for a year And to be told by the very woman he proposed to is even more devastating for her Now that the truth is finally brought to the light Indira wants absolutely nothing to do with him But wants and needs are two very different things And with the way Mr Marshall has quickly learned to make love to all parts of her body staying away from him is about to be the biggest challenge of her life Especially when she knows that despite him keeping such a big secret from her he's the only man she still truly wants However when Javon makes a bold statement that solidifies his love and commitment to her Indira starts to realize that staying well away from Bakari Marshall is the only option to choose Bakari Marshall never would have imagined being in his current predicament With his fiancée back in town and the woman he loves trying to stay far away from him Bakari finds himself juggling two women One woman who he's only with for the sake of his parents and the other woman who he refuses to be without For the first time ever Bakari's love life begins to spiral out of control but not only does his love life spiral his tight bond with his sister Tokyo spirals uncontrollably once he learns who she's been messing with an old enemy who Bakari despises with all his heart and soul When he gives Tokyo an ultimatum to choose the right side her decision pushes them to a point that they've never been before With secrets still lurking deep in the shadows lines are about to be crossed and lives will never ever be the same Battles are about to be lost but who is strong enough to win the war

My Hood King Gave Me A Love Like No Other Miss Jenesequa, 2018-10-09

They've secretly been in love with each other from their very first encounter but convinced themselves that they mean nothing to one another Until one unexpected night four days before her wedding to another man changes everything Indira Porter has always been a survivor After a tragic event sets her whole life in a completely new direction the only person she knows she can trust is herself and Javon her boyfriend The pair are in love or so it seems In her mind their love is real and secure enough to withstand the hardships of life With their wedding just days away Indira convinces herself that marrying Javon is the best thing to do despite his imperfections However the big lesson Indira is about to learn is the difference between a boy who exploits her and a man who truly cherishes her Bakari Marshall a man that many love and many love to hate His attractive looks irresistible smile and intelligence doesn't take away from the ruthless dominant individual he is Being the only son of his parents meant that Bakari had to step up and be the protector of his entire family his mother father and two crazy ass sisters who he would die for in a heartbeat Grinding his way to the top meant that he could become the respected feared and envied man he is today Falling in love was never part of his game plan and if he did fall in love he certainly didn't expect it to be with a beauty such as Indira Someone that he believed was just a childhood acquaintance and someone who didn't care for his existence Indira's been acquainted to the quiet humble and no nonsense side of Mr Marshall before but she's about to become well acquainted with the private unusual side of him The side that takes her to indescribable euphoria The romance between Bakari and Indira consumes them both becoming intense and too passionate

for either party to resist Despite all the odds saying they can t be together Bakari makes it clear to Indira that she alone is who he wants And the word no just happens to not be in his vocabulary Can Indira allow herself to be with the one man that she s convinced herself for so long is just a product of her past Or will her loyalty to her so called fianc stop her from beginning a new chapter with an infamous yet charming hood king With secrets lurking in every corner will Indira be able to trust herself or even anyone at all In My Hood King Gave Me A Love Like No Other love will certainly endure but who is strong enough to win the war
