Decision in Paris Lynn Lamarr, 2023-10-16 Decision in Paris Part 2 With the first lie the winter began With the slamming of the grand piano lid a decision is made that has bitter consequences for all and fate inexorably takes its course and this forever When we close our eyes in this last part of Decision in Paris Volume II we are in the middle of Paris And find ourselves in a beautiful but tragic love story as in the last book which finds its continuation here seamlessly With a variety of new events which the author skillfully set the scene so that a very tightly knit haunting and under the skin drama has emerged Emotions that we can hardly escape This book makes your heart beat faster and the tears flow if we let them but only if we realize the meaning of this story Above all see what the author wanted to tell us with his story Now we begin where the second volume ends in Paris Who has never been in this city of love wants to go there after this book and who has been there before wants to do so again immediately It is the finding of a very special love in this city that chance allows It is the hymn to a single summer in Paris Of love Perhaps the events from the book will become blurred with your own memories of that city which in films and in so many songs always tells of only one thing love We would all like to experience it as intensively as these two protagonists in this novel But maybe it s also the exuberant feelings that immediately sweep you away

Settles,2005-10-24 As a writer I mainly focus on relationships All the perils concerned with becoming involved in and maintaining a relationship with the opposite sex As women are emotional creatures they sometimes feel that they must have an emotional relationship before beginning a sexual relationship While men are usually more visual and physical by nature They are turned on by physical contact and visual stimuli but women need so much more than that Women need emotional and spiritual nurturing while men tend to lack understanding in that area of women's needs When the two come together this tremendous lack of understanding causes an abundance of pain and heartache Women are left feeling under appreciated neglected and unloved Men on the other hand usually don't understand what the problem is in the relationship We often assume they will not understand there is also a gap in communication which furthers the stress we feel As a writer I attempt to explain this pain and heartache that women so often go through because of these misunderstandings But in the end we MUST eventually turn to a real relationship with God in order to reach the fullest potential that life has to offer **Of Lilies and Daisies** Jakob Reul,2024-12-23 Of Lilies and Daisies Of Lilies and
