Love Lost But Found:

Love, Lost and Found Chinedu Nnadi, 2025-08-05 Lena thought she had the perfect life a devoted husband a happy home and a love that had weathered the test of time But everything shattered the night she came home early and discovered Daniel her husband of over a decade in the arms of another woman Heartbroken and humiliated Lena walked away without looking back convinced that some betrayals could never be forgiven Months later still grappling with loneliness and the ruins of her former life Lena meets Marcus a man who seems to offer everything she's been missing Kind attentive and romantic Marcus makes her feel alive again But there's one problem he's married As Lena sinks deeper into an affair she once would have condemned she begins to see the haunting parallels to her own past When Marcus reveals a devastating truth Lena's world crumbles once more Desperate to reclaim her sense of self she writes a letter to Daniel the man she once loved the man she once left behind What begins as a confession of regret turns into a surprising journey of healing vulnerability and the fragile hope of reconciliation Love Lost and Found is a deeply emotional tale of heartbreak betrayal and redemption It explores the complexity of forgiveness the weight of choices and the resilience of the human heart Can two people broken by the same mistake find the courage to rebuild the love they once shared or has too much been lost to ever be found again
