The essays collected here are ones that have had a significant impact on discussions and debates over recent decades. The Library of Theological Ethics series focuses on what it means to think theologically and ethically. It presents a selection of important and otherwise unavailable texts in easily accessible form. Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field.

Happiness and the Christian Moral Life Paul J. Wadell, 2024-10-29 As one of the most widely adopted textbooks in the field, *Happiness and the Christian Moral Life* introduces students to Christian ethics through the lens of happiness. Drawing on classical and contemporary Christian sources, Paul Wadell proposes that the heart of the moral life is not rules and obligations but our deep desire for happiness and fulfillment. The fourth edition of this accessible and student-friendly text has been revised and updated throughout. It introduces Christian ethics with sensitivity towards readers who may not be Christian themselves. After setting out the principal argument of the book in the opening chapter, subsequent chapters explore the importance of narrative or story for Christian ethics, a Christian understanding of the person and vocation, the role of the virtues in our quest for happiness, the centrality of justice in the moral life, the place of friendship and community in a good and flourishing life, a Christian theology of freedom, how sin hinders one's growth in happiness, the meaning and importance of conscience, and a Christian understanding of love. The fourth edition also includes new sections on several topics such as the Beatitudes, forgiveness and reconciliation, the social thought of Pope Francis, the challenges of climate change and global warming, recent thinking on gender and sexual ethics by theologian Bridget Burke Ravizza, a politics of charity and racism, and ongoing racial conflict. This edition also features fresh global examples, revised introductions to key thinkers and figures, expanded treatment of the theological virtues, and a list of key terms at the end of every chapter.

Catechist's Guide Thomas Zanzig, 2001 The *Catechist's Guide* is the heart and soul of the Confirmation preparation process. Using solid doctrinal content, active learning strategies, and creative prayer services, lesson plans for twenty-three sessions include checklists of materials and preparations, background for the catechist, an outline, and reflection questions for each session.

Oliver O'Donovan's Moral Theology Samuel Tranter, 2020-10-01 This book offers the first sustained full-length treatment of the wide-ranging work of major Anglican theologian Oliver O'Donovan. Analyzing such key texts as *Resurrection and Moral Order*, *The Desire of the Nations*, and *Ethics as Theology*, Samuel Tranter shows that the relationship between eschatology and ethics is an area of significant tension in O'Donovan's evolving vision of moral theology. Tranter traces this tension as it relates to O'Donovan's writing and contemporary discussion around natural law, divine command, and human flourishing, as well as to particular topics such as poverty, marriage, and singleness, and biotechnology. He also

connects it with the broader doctrinal features of O Donovan's project such as his accounts of creation sin and redemption and his understanding of the relationships between the cross and the resurrection on one hand and Christology and pneumatology on the other Throughout Tranter indicates the implications of these themes for our understanding of the Christian life This volume establishes and evaluates O Donovan's influence on contemporary Christian ethicists and political theologians such as Luke Bretherton Gilbert Meilaender Jean Porter and Brent Waters and engages with critical readings of O Donovan such as those by Stanley Hauerwas and Gerald McKenny In conversation with these and other voices from a range of perspectives Tranter shows how O Donovan's proposals may be appropriated and amended as a resource for theology and ethics going forward
