Television Variety Shows David M. Inman, 2014-12-03 For the few hundred television viewers in 1946 a special treat on the broadcast schedule was the variety show called Hour Glass It was the first TV program to go beyond talking heads cooking demonstrations and sporting events featuring instead dancers comics singers and long commercials for its sponsor Chase and Sanborn coffee Within two years another variety show Texaco Star Theatre became the first true television hit and would be credited with the sales of thousands of television sets The variety show formula was a staple of television in its first 30 years in part because it lent itself to a medium where everything had to be live and preferably inside a studio Most of the early television stars including Jackie Gleason Milton Berle Sid Caesar Ed Sullivan Red Skelton Dinah Shore and Arthur Godfrey rose to prominence through weekly variety shows In the 1960s major stars such as Jerry Lewis Dean Martin Judy Garland and Danny Kaye were hosting variety shows By the 1970s the format was giving way to sitcoms and dramas but pop music stars Sonny and Cher Tony Orlando and Dawn and Donny and Marie Osmond hosted some of the last of the species This book details 57 variety shows from the 1940s through the 1990s A history of each show is first provided followed by a brief look at each episode Air date guest stars sketches performed and a listing of songs featured are included

Encyclopedia of Television Shows Vincent Terrace, 2024-02-15 There were between January 1 2017 and December 31 2022 1 559 television series broadcast on three platforms broadcast TV cable TV and streaming services This book the second supplement to the original Encyclopedia of Television Shows 1925 2010 presents detailed information on each program including storylines casts character and performer years of broadcast trivia facts and network cable or streaming information Along with the traditional network channels and cable services the newest streaming services like Amazon Prime Video and Disney Plus and pioneering streaming services like Netflix and Hulu are covered The book includes a section devoted to reality series and foreign series broadcast in the U S for the first time from 2017 to 2022 a listing of the series broadcast from 2011 through 2016 which are contained in the prior supplement and an index of performers

Unfolding the Sun Joelle L. Mueller, 2013-06-03 You are a miracle Your life is a blessing to all who know you and who pass you during your day You have the capacity to give and receive great love greater love than any of us have fathomed At one time or another you may have felt broken lost robbed of your innocence different like you didn't belong here You may harbor unforgiveness and anger You may feel utterly terrified sometimes and completely alone You may feel confused betrayed victimized sorrowful worthless or just stuck You are not alone in these feelings We often get stuck here We often mire ourselves deeper into the muck Consider taking it a step further Instead of just feeling the angst and fear and distracting yourself with food television electronics sex social media alcohol or anything else sit quietly and go inside yourself Notice any body sensations and what you feel Ask yourself and your body what you need to know or what it wants to tell you Allow yourself to feel it without using words We must feel it all in order to heal it Allow yourself permission to feel to acknowledge

what is within Let any tears come The confusion worthlessness grief sorrow and sense of betrayal will die leaving within you a beautiful bright spaciousness that can fill you with joy and happiness in living filled with a deliberate and happy passion for self discovery and allowing the beauty of innocence to rekindle your gorgeous loving heart You are the sun that is unfolding Let yourself shine

Gender in the Music Industry Marion Leonard, 2017-10-03 Why despite the number of high profile female rock musicians does rock continue to be understood as masculine Why is rock generally assumed to be created and performed by men Marion Leonard explores different representations of masculinity offered by and performed through rock music and examines how female rock performers negotiate this gendering of rock as masculine A major concern of the book is not specifically with men or with women performing rock but with how notions of gender affect the everyday experiences of all rock musicians within the context of the music industry Leonard addresses core issues relating to gender rock and the music industry through a case study of female centred bands from the UK and US performing so called indie rock from the 1990s to the present day Using original interview material with both amateur and internationally renowned musicians the book further addresses the fact that the voices of musicians have often been absent from music industry studies Leonard's central aim is to progress from feminist scholarship that has documented and explored the experience of female musicians to presenting an analytic discussion of gender and the music industry In this way the book engages directly with a number of under researched areas the impact of gender on the everyday life of performing musicians gendered attitudes in music journalism promotion and production the responses and strategies developed by female performers the feminist network riot grrrl and the succession of international festivals it inspired under the name of Ladyfest

Representations of Black Women in the Media Marquita Marie Gammage, 2015-10-16 In 1920 W E B Du Bois cited the damnation of women as linked to the devaluation of motherhood This dilemma he argues had a crushing blow on Black women as they were forced into slavery Black womanhood portrayed as hypersexual by nature became an enduring stereotype which did not coincide with the dignity of mother and wife This portrayal continues to reinforce negative stereotypes of Black women in the media today This book highlights how Black women have been negatively portrayed in the media focusing on the export nature of media and its ability to convey notions of Blackness to the public It argues that media such as rap music videos television dramas reality television shows and newscasts create and affect expectations of Black women Exploring the role that racism misogyny and media play in the representation of Black womanhood it provides a foundation for challenging contemporary media's portrayal of Black women

Great Chapters of the Bible G. Campbell Morgan, 2010-05-01 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are

still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books Fox sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books Near the end of his ministry in a sermon entitled *But One Thing* Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America No longer did the inscription say *Ne Plus Ultra* nothing more beyond but *Plus Ultra* more beyond It is the hope of the G Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture The Morgan Trust Richard L Morgan Howard C Morgan John C Morgan **Who Told You? Catalyst for New Thought Barbara Dixon, Rev. Robert Yarbrough, 2015-11-09 Barbara Dixon and Rev Robert Yarbrough two ministers two points of view Sometimes we would hear what people said and we would look at each other and think Who told you that We also realized that often when we talked that we came to the same conclusion even though we got there using different language So we thought it might be fun and informative to take 25 topics and each write one page about the topic When we wrote this book Rev Bobby was in St Petersburg Florida and I was in Cincinnati Ohio and we never read what the other had written We don't want you to believe us we just want you to dig deeper into your own thoughts and beliefs This book is simply a catalyst for new thought *The Purpose Driven Life Devotional for Kids* Rick Warren, 2015-10-06 Help your child understand and live out God's purpose in their life with *The Purpose Driven Life Devotional for Kids* by Pastor Rick Warren Based upon the themes and ideas found in his bestselling book *The Purpose Driven Life* this 365 day devotional for children 8 to 12 shows how to authentically live out God's plan and trust Him along the way These short 5 minute devotionals aim to share how God created each of his children with a purpose in mind and how to thoughtfully and prayerfully start the

incredible journey of finding that reason This year long devotional will guide readers through self discovery in prayer building purposefully friendships and relations and creating a fulfilling life through God s word The Purpose Driven Life Devotional for Kids Is written especially for children or tweens ages 8 12 Features a short message and thought for the day to help children discover who they are in God s eyes and why God made them as well as a daily Scripture verse Makes the perfect gift for Christmas Easter birthdays and other holidays Is a great reference in Sunday school youth group or children s and middle grade ministry This daily devotional can be read individually or as a family The devotions provide solid truths that every child should know about God s love for His children and the purpose for them Studies of Literature from

Marginalized Nations in Modern China, with a Focus on Eastern European Literature Binghui Song,2024-04-14 This book presents the first systematic study of the 100 year history of translation research reception and influence of Central and Eastern European literature in China from the late Qing Dynasty to the end of the twentieth century This study of Eastern European literature from the perspective of Sino foreign literary relations is based on extensive research into the translation and reception of Central and Eastern European writers such as Milan Kundera S ndor Pet fi Henryk Sienkiewicz Julius Fucik and Bertolt Brecht Since the late nineteenth century the major Chinese writers have paid special attention to the literature of the marginalized Eastern European nations when they have to translate from translations since few of them understand Eastern European languages The book seeks to identify what attracted the founders of new Chinese literature to Eastern European literature and to define its unique significance for the construction of modern Chinese literature **Creation in**

Contemporary Experience David Moffett-Moore,2014-04-16 Do the things we believe about God as creator make any difference in the way we act in the world Yes what we believe about God as creator impacts our theology and action in many ways In this book Dr David Moffett Moore will examine some of these implications by looking at topics as diverse as quantum physics and chaos theory hermeneutics ethics and how we tell stories of faith Can one accept the major theories of science including evolution and still be a faithful believer What do these findings of science mean for the way we do theology in the 21st century Dr Moffett Moore not only believes that we can accept the findings of science and still be faithful Christians he believes that discoveries in fields such as physics and biology can help us talk about God in a more relevant and compelling way than we ever have before When we talk about God in this new way we will also find a new call to live in a way that is faithful both to the wonders of the physical Creation and also to scripture This study is designed for individual reading and study Though it does not include questions and other traditional elements of a study guide it would still be an excellent guide for small group study on these topics Inwardness and Existence Walter Albert Davis,1989 A profound challenging wide ranging book back in print for a new generation Inwardness and Existence accomplishes what no book before or after has even approximated it demonstrates with great lucidity and insight the shared philosophical project that animates psychoanalysis Marxism existentialism and Hegelian dialectics Davis roots the reader in the enterprise of questioning what is

given and probing beyond what is safe in order to demonstrate that psychoanalytic inquiry Marxist politics existential reflection and dialectical connection all move within the same orbit No one who reads it will ever think about existence itself in the same way again Davis s landmark work will profoundly transform anyone who reads it Todd McGowan author of *The Real Gaze Film Theory after Lacan* *Television Show Trends, 2016-2020* Yvonne D. Leach, Nicholas J. Natalicchio, 2023-12-04 What do Euphoria Normal People Atlanta Ramy Vida I May Destroy You Stranger Things and Lovecraft Country have in common In the 2016 2020 time period they were created these TV shows exemplified one or more of four noteworthy trends authenticity diversity sexual candor and retrospection This is the first book to examine live action fictional television shows produced within a five year period through the lens of the trends that they epitomize For each show the following is discussed the significance of the platform and the format the intentions of the creators and showrunners pertinent background information similar shows and precedents the storytelling approach the cinematic form and finally how the show is emblematic of that particular trend Since trends have the possibility of becoming part of the mainstream they are important to identify as they emerge especially for viewers who have a keen interest in narrative television shows **The Word of Truth** Dale Moody, 1981-01-16 Bringing together the insights of several disciplines biblical theology modern science biblical criticism textual source form redaction historical theology and the history of doctrine Moody develops a systematic theology that is biblically grounded and ecumenically oriented Thoroughly indexed *Youth Devotions* Josh McDowell, Ed Stewart, 2003-08-04 Presents Scripture verses and readings for each day of the year designed to help young people make good choices in their daily lives **Encyclopedia of Television Subjects, Themes and Settings** Vincent Terrace, 2024-10-17 Over the course of 80 years television has produced countless programs many of which fit a particular profile Did you know for example some programs are devoted to ghosts genies angels and even mermaids Color broadcasting was first tested in 1941 Live models were used to advertise lingerie as early as 1950 Or that nudity although accidental occurred on TV long before cable was even thought possible These are just a few of the many facts and firsts that can be found within the 145 entries included Appropriate for fans and scholars and bursting with obscure facts this work traces the evolution of specific topics from 1925 through the 2005 2006 season Entries include such diverse themes as adolescence adult film actresses on TV bars espionage gays immigrants lawyers transsexuals and truckers as well as locations like Canada Hawaii New York and Los Angeles Each entry is arranged as a timeline clearly displaying how television s treatment of the subject has changed through the years Each entry is as complete as possible and contains series pilot special and experimental program information Whether just a fan of television and eager to know more about the medium or a scholar seeking hard to find facts and information this book traces the history of specific topics from television s infancy to its changes in the early twenty first century [Summa Theologica \(All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations\)](#) Thomas Aquinas, 2013-08-20 This carefully crafted ebook Summa Theologica

All Complete Unabridged 3 Parts Supplement Appendix interactive links and annotations is formatted for your eReader with a functional and detailed table of contents This ebook is the best known work of Thomas Aquinas c 1225 1274 Although unfinished the Summa is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The Summa Theologica is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that Aquinas had completed before he began working on the Summa Theologica It seeks to describe the relationship between God and man and to explain how man s reconciliation with the Divine is made possible at all through Christ To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God Approximately one half of the Summa Theologica then examines the nature and purpose of man Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail His examination includes questions of how angels act on bodies the union of body and soul the cause and remedies of anger cursing and the comparison of one sin with another Aquinas is attempting to offer a truly universal and rational view of all existence Thomas Aquinas O P 1225 1274 also Thomas of Aquin or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus Doctor Communis and Doctor Universalis He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable and much of modern philosophy was conceived in development or refutation of his ideas particularly in the areas of ethics natural law metaphysics and political theory [The Pacific Coast Pulpit](#) Prominent Preachers of San Francisco and Vicinity,2024-05-11 Reprint of the original first published in 1875 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost [The Trinity and the Kingdom](#) Jürgen Moltmann,1993-09-01

An excellent introduction to the prophets and the prophetic literature The goal of the book is to understand the thought of the prophets in their historical contexts and to communicate that understanding for our time Its approach while innovative builds upon the best of contemporary analysis of the prophetic literature Gene M Tucker Candler School of Theology Emory University Koch's first volume on the prophets of ancient Israel displays his sound and creative scholarship and will fill a bibliographical gap He displays the individuality of each prophet with perceptive insight but he also compares and interrelates them in his various summaries Furthermore Koch relates his study of individual prophets to theological currents that have been flowing through the scholarly world in recent decades Bernhard W Anderson Princeton Theological Seminary

A Grammar of Christian Faith Joe R. Jones, 2002-06-03 A Grammar of Christian Faith is a two volume set that aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope It advances the thesis that learning how to speak Christian language in worship and life is crucial to learning how to be a Christian Rather than supposing that Christian language and theology need continual updating in order to be relevant to the world Jones urges the church to recover anew how Christian concepts and understanding are intended to form Christian life in all its rich depths Construing theology as confessional theology in the context of the church Jones understands the church as that liberative and redemptive community called into being by the Gospel of Jesus Christ to witness in word and deed the triune God for the benefit of the world The full range of doctrinal themes that are deemed essential to the witness of the church are explored including clear explanations of why they are essential and how they are to be understood In pursuit of a truthful and beneficial witness of the church the work centers on a trinitarian understanding of God in which God freely and lovingly interacts with the world as Creator Reconciler and Redeemer The work throughout affirms the belief that the gracious triune God is the Ultimate Companion who will redeem all creation
