

MUTINY AT SALERNO

AN INJUSTICE EXPOSED

SAUL DAVID

Foreword by

SIR LUDOVIC KENNEDY

Mutiny At Salerno An Injustice Exposed

Jonathan Fennell

Mutiny At Salerno An Injustice Exposed:

Mutiny at Salerno, 1943: an Injustice Exposed Saul David, 2018-10-25 A detailed account David is right to stress that the mutiny stemmed from the men's reluctance to fight amongst strangers rather than their reluctance to fight at all and that many of the mutineers preserved a dignified and soldierly attitude throughout the proceedings Richard Holmes TLS In late September 1943 almost 200 veterans of General Montgomery's Eighth Army were arrested for refusing repeated orders to join units of the US Fifth Army at the Salerno beachhead in southern Italy Within six weeks all but one had been found guilty of mutiny their sentences ranging from five years penal servitude to death Fifty years on Saul David became the first military historian to gain access to the court martial papers normally restricted for 75 years In addition to crucial defence documents and the testimony of eye witnesses these papers have enabled Saul David to expose How poorly equipped Eighth Army veterans some still recovering from wounds and illness were needlessly sent as reinforcements to Salerno when Fifth Army men were available How transit camp authorities deliberately deceived the reinforcements as to their destination How the defence team at the trial was forced by lack of time lack of witnesses and the hostility of the court to offer a case based on no evidence and doomed to fail How after the humane intervention of the adjutant general and the suspension of the sentences insensitive staff officers and victimization in their new units caused many mutineers to desert How as a result of their convictions the former war heroes were stripped of their campaign and gallantry medals and branded as cowards Concluding that the men were victims of a terrible injustice Mutiny at Salerno provides a compelling case for a free pardon It is a book that no one interested in World War Two will want to miss Mutiny has been critically acclaimed An important book Military Illustrated Mr David has added considerably to the knowledge of the Salerno mutiny This book should be read by anyone with an interest in the episode Prof Peter Rowe RUSI Journal A thoroughly enjoyable and interesting book and the author makes his case well Journal of the Royal Military Academy Sandhurst Saul David is Professor of War Studies at the University of Buckingham and the author of several critically acclaimed history books including The Indian Mutiny 1857 short listed for the Westminster Medal for Military Literature Prince of Pleasure The Prince of Wales and the Making of the Regency Zulu The Heroism and Tragedy of the Zulu War of 1879 a Waterstones Military History Book of the Year and most recently Victoria's Wars The Rise of Empire He has also written two best selling historical novels set in the wars of the late 19th Century Zulu Hart and Hart of Empire An experienced broadcaster he has presented and appeared in history programmes for all the major TV channels and is a regular contributor to Radio 4 *Mutiny at Salerno* Saul David, 1995 Using official records and the verbal and written testimony of those involved Mutiny at Salerno gives a comprehensive account of the series of high level blunders and deceptions that caused many 8th Army veterans to risk execution Breaking Ranks Michael Martin, 2016-10-06 In the late 1980s the army crisis was dominating headlines in Ireland Complaints of poor pay low morale and unsatisfactory conditions for those serving in the Defence Forces were growing louder against the background of

a government accused of being indifferent and an army hierarchy accused of being incapable From amidst the turmoil a group of women stepped up to pursue the rights of their men Political crisis and a general election followed but a commission established to examine the Defence Forces ignored the call for soldiers to acquire their own representative body This book reveals for the first time the deep seated philosophies tensions and reservations between Ireland s military and its government from the foundation of the State to the present day It explores in detail the events that led to the successful pursuit of the democratic right of association for members of the armed forces in Ireland It articulates the concept of the citizen in uniform and the special relationship between members of the armed forces and society This is the story of the breaking of ranks

Fighting the People's War Jonathan Fennell,2019-01-24 Jonathan Fennell captures for the first time the true wartime experience of the ordinary soldiers from across the empire who made up the British and Commonwealth armies He analyses why the great battles were won and lost and how the men that fought went on to change the world

Disordered Personalities and Crime David Jones,2015-08-13 Disordered Personalities and Crime seeks to better understand how we respond to those individuals who have been labelled at various points in time as morally insane psychopathic or personality disordered Individuals whose behaviour is consistent with these diagnoses present challenges to both the criminal justice system and mental health systems because the people who come to have such diagnoses seem to have a rational and realistic understanding of the world around them but they can behave in ways that suggest they have little understanding of the meaning or consequences of their actions This book argues that an analysis of the history of these diagnoses will help to provide a better understanding of contemporary dilemmas These are categories that have been not only shaped by the needs of criminal justice and the claims of expertise by professionals but also the fears anxieties and demands of the wider public In this book David W Jones demonstrates us how important these diagnoses have been to the history of psychiatry in its claims for professional expertise and also sheds light on the evolution of the insanity defence and helps explain why it remains a problematic and controversial issue even today This book will be key reading for students researchers and academics who are interested in crime and its relationship to mental disorder and also for those interested in psychiatry and abnormal psychology

Blood, Sweat, and Toil Geoffrey G. Field,2011-11-03 Blood Sweat and Toil is the first scholarly history of the British working class in the Second World War It integrates social political and labour history and reflects the most recent scholarship and debates on social class gender and the forging of identities Geoffrey Field examines the war s impact on workers in the varied contexts of the family military service the workplace local communities and the nation Extensively researched using official documents diaries and letters the records of trade unions and numerous other institutions Blood Sweat and Toil traces the rapid growth of trade unionism joint consultation and strike actions in the war years It also analyses the mobilization of women into factories and the uniformed services and the lives of men conscripted into the army showing how these experiences shaped their aspirations and their social and political attitudes

Previous studies of the Home Front have analysed the lives of civilians but they have neglected the importance of social class in defining popular experience and its centrality in public attitudes official policy and the politics of the war years Contrary to accounts that view the war as eroding class divisions and creating a new sense of social unity in Britain Field argues that the 1940s was a crucial decade in which the deeply fragmented working class of the interwar decades was remade achieving new collective status power and solidarity Employing a contingent non teleological conception of class identity and indicating the plural and shifting mix of factors that contributed to workers social consciousness he criticizes recent revisionist scholarship that has downplayed the significance of class in British society **Mutiny and Leadership** Keith Grint,2021

Using contemporary leadership theory to cast a critical light on an array of mutinies throughout history this book considers the organizational nature of mutinies explores the contexts in which they can be encouraged or discouraged and ultimately shows how mutiny can be considered as a permanent possibility **An Unpatriotic History of the Second World War**

James Heartfield,2012-09-28 The Second World War was not the Good War of legend James Heartfield explains that both Allies and Axis powers fought for the same goals territory markets and natural resources *Naples 1944* Keith

Lowe,2025-03-11 Award winning author Keith Lowe s newest critical deep dive into the history of Naples during WWII Keith Lowe has chronicled the end of WWII in Europe in his award winning book *Savage Continent* and the war s aftermath in the sequel *The Fear and the Freedom* In *Naples 1944* he brings readers another masterful chronicle of the terrible and often unexpected consequences of war Even before the fall of Mussolini Naples was a place of great contrasts filled with palaces and slums beloved cuisine and widespread hunger After the Allied liberation these contrasts made the city instantly notorious Compared to the starving population Allied soldiers were staggeringly wealthy For a packet of cigarettes even the lowest ranks could buy themselves a watch a new suit or a woman for the night As the biggest port in Allied hands Naples quickly became the center of Italy s black market and has remained so ever since Within just a few months the Camorra began to re establish itself Behind the chaos and the corruption there was always the threat of violence Army guns were looted and traded Gangs of street kids fought running battles with the military police Public buildings booby trapped by departing Germans began to explode seemingly spontaneously Then in March 1944 like an omen Vesuvius erupted Naples was the first major European city to be liberated by the Allies What they found there would set a template for the whole of the rest of Europe in the years to come Keith Lowe s *Naples 1944* is a page turning book about a city on the brink of chaos and glimpse into the dark heart of postwar Italy **Salerno 1943** Angus Konstam,2007-03-30 A compelling account of the fierce ten day battle that led to the end of Mussolini s rule with maps and photos In September 1943 in the first weeks of the Allied campaign to liberate Italy an Anglo American invasion force of over 80 000 men was nearly beaten back into the sea by the German defenders in a ferocious ten day battle at Salerno south of Naples This is the story of the tense bitter struggle around the Salerno beachhead which decided the issue and changed the course of the campaign For those ten critical days the fate

of Italy hung in the balance Using documentary records memoirs and eyewitness accounts from all sides Angus Konstam re creates every stage of the battle at every level as it happened day by day hour by hour His painstakingly researched account offers a fresh perspective on a decisive battle that has been neglected by British and American historians in recent years and it gives a fascinating insight into the realities of warfare in Europe eighty years ago Praise for Angus Konstam s previous books Wonderful details Publishers Weekly Riveting History of War Interesting and exciting thoroughly enjoyable Booklist

Mutiny At Salerno An Injustice Exposed Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mutiny At Salerno An Injustice Exposed has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mutiny At Salerno An Injustice Exposed has opened up a world of possibilities. Downloading Mutiny At Salerno An Injustice Exposed provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mutiny At Salerno An Injustice Exposed has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mutiny At Salerno An Injustice Exposed. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mutiny At Salerno An Injustice Exposed. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mutiny At Salerno An Injustice Exposed, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mutiny At Salerno An Injustice Exposed has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Mutiny At Salerno An Injustice Exposed Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mutiny At Salerno An Injustice Exposed is one of the best book in our library for free trial. We provide copy of Mutiny At Salerno An Injustice Exposed in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mutiny At Salerno An Injustice Exposed. Where to download Mutiny At Salerno An Injustice Exposed online for free? Are you looking for Mutiny At Salerno An Injustice Exposed PDF? This is definitely going to save you time and cash in something you should think about.
