

Your Blessing Here

By Barbara D. MacAdam

You started on this journey, so many years ago, and now it's time to leave behind dear friends you've come to know!

You sought Divine direction & a heart to do His will. Your work became your passion, as you used your gifts & skills.

You set the highest standards for yourself and others too, showing honor, pride & dignity - they saw the best in you!

A "rags to riches" story need not be your bottom line. The priceless things we gain in life, often come from the Divine.

So don't waste one more minute wishing for things that might have been, rather watch the seeds you've planted grow, and feel His peace within.

I pray God keeps you safe & well, wherever you may turn, surrounded by your loved-ones, living out the dreams you've earned.

And in the quiet of your heart,
may you hear God softly say...
"My good & faithful servant,
I'm so proud of you
this day!"

"The People Wishing You!"

wanted to keep to herself but as the quote says The truth shall set you free Pauline believes that she did not write her books alone for she was guided by the Divine Spirit Within

My Gift to the World Monica Servin,2010-05 The complexities and beauty of life are not always captured easily by simple expressions and constructs Sometimes the only way to express the endless facet of life

is through the creative and lovely use of poetry My Gift to the World and Other Poems are simply that a gift Enjoy author Monica Servin s unique use of words and language to explore a poetic vantage point that any lover of poetry must have Monica s poems reflect her thoughts and emotions in a way that everyone understands Monica has always been one to notice the unnoticed and find the beauty in what is everyday ordinary Eddie Corwin Monica Servin has been writing poetry since childhood and is excited to share her passion with the rest of the world She currently resides in California **There Is a Place Where We Meet** Purcell Mark Purcell,Mark Purcell,2009-10 After over 25 years of working with people and attempting to help them as a psychotherapist trainer and teacher I have not only walked through the joys and struggles of my own life experiences and those of family and friends but I have had the benefits and privilege of learning and living vicariously while listening to untold hours with literally thousands of clients during their own struggling and searching I have been encouraged by and privileged to watch the healing growth and transcendence from life s struggles of thousands of people and I have felt pain and sadness in witnessing the deterioration resistance and self destruction of countless others I have come to believe that the primary determining factor of whether one experiences transcendence or deterioration is a determined willingness to go through the struggles and to develop an attitude that looks courageously into the eye of the storm and says assuredly You will not break me These poems are captured moments of my own experiences and reflections on the journeys of others as we have separately and together enjoyed the sunrises and sunsets while sometimes weathering the storms in between May these poems help you better understand yourself and your fellow travelers and no matter how difficult or deep your own abyss of darkness may you always find Hope THE RHYTHM OF LIFE Today could not have been Without yesterday s haunting wind Blowing by and changing my life Stirring up realities and other sundry strife The happenings of this hour Would rightfully have no power Without the joys and pains of past Shaping and creating me at last Had even one conversation been altered Or one person or event faltered This moment in which I now breathe Would not now be as is conceived There is a Great Choreographer somewhere someplace Who orchestrates my moves and your every pace Matching our steps in infinite perfect time Then this dance once confusing starts to rhyme *TALK ABOUT HIM* Joplin Howard,2018-01-19 We don t talk about God enough that needs to change because He does so much We must love and acknowledge Him properly and stop treating Him like a crutch Yes it s okay to lean on God especially when we re feeling weak it s what we are supposed to do We re also required to talk about His goodness how He loves and takes care of us is tried and true Talking about God can make some uncomfortable and there are folks that don t want to hear it But when they or their families have problems and we pray for them they certainly cheer it We owe it to God ourselves and to our loved ones as well as future generations So join me in talking about Him with this book I ve already started the conversation So whether we are at home or away we make it our aim to please Him 2 Corinthians 5:9 RSV I hope you find this book inspirational and you ll always remember no matter whatever happens in life God always keeps His promise God bless you always A

vonAnderseck,2016-11-03 When the Holy Spirit directed me to write this thesis it was after God had implemented the changes and corrections for the church and believers began to benefit fully from the transition I hope you will be blessed by the many wonderful testimonies throughout The apostolic thesis is the first of its kind Not only does the Holy Spirit explain faith crisis and spiritual exploitation but also uncovers the underlying root causes God is addressing a faith in crisis a spiritual government in crisis and belief systems that He did not authorize or sanctify in the name of Jesus Christ The church had suffered under the hands of many spiritual butchers slicing and dicing faith this way and that Each area of spiritual exploitation has had a catastrophic and blinding influence on all facets of Christian life Believers were led into a very confusing era Ministers were constantly rehashing faith programs as they sorted out their own failings reducing covenant to a psychology Ideas were tabled as quickly as they were introduced Thankfully the church has now entered into a new apostolic era God has restored His true culture of faith and heritage to the church helping believers understand once again the apostolic authority calling and anointing [My Gift to You](#) Tonida Jacqueline Cooper,2019-06-18 There is no available
