Author Jayme Alan Toomey Releases Another Disturbing Novel New harrowing tale that obscures faith and reason grips horror fiction aficionados VENTURA Calif Jayme Alan Toomey author of the grand slam horror fiction stories *Paging Dr Kevorkian*, *Breakin' Heads*, and *Written in Stupid* publishes another novel that will keep horror fiction fans at the edge of their seats. *A Passin' On* is a blood-curling tale that obscures the borderline that delineates faith and delusion, reason and insanity based on the queer life of a family headed by a self-proclaimed man of God. Father Joseph Rueben Levi commands a powerful and wise appearance. He is a tall, trim, middle-aged self-proclaimed preacher who claims to have God-given and rightful authority. Dressed in black with a shepherd's staff, he looks like a god. Christian and his younger brother Chester lost their family at a young age. Father Joseph adopted both boys as his own sons immediately after they were left orphaned. He wastes no time instructing them with the ways of God and reads the Bible to them regularly, feeling it is his prioritized obligation. Christian remembers nothing about his real family except for one thing: they were brutally murdered right before his eyes by no other than Father Joseph himself. Told in a very gripping narrative, *A Passin' On* will lead readers to a chain of violence, gore, disturbing preaching, and shocking revelations. Readers will realize that sometimes in the name of God and heaven, the thin line that divides morality and immorality can be blurred or erased altogether. **Raising Eyebrows** Dal LaMagna, 2010-10-18

The often hilarious and sometimes poignant story behind Dal LaMagna's rise in the beauty industry. By the time LaMagna graduated from the Harvard Business School, his entrepreneurial activities, including operating discotheques, in-drive-in theaters, working with the 1960s musical teen sensations the Cowsills, and opening an ice cream parlor on the Venice Beach boardwalk, had landed him 150,000 of debt. *Raising Eyebrows* tells the story of how he finally succeeded. After years of failures and living penniless, LaMagna founded Tweezerman, one of the world's most respected innovative and successful beauty tool manufacturers, with over 40 million customers. A leader for socially responsible companies, Tweezerman became a success by making, helping communities, and caring for the environment every day. Practices, not publicity gimmicks. A responsible capitalist, LaMagna wrote this roller coaster memoir for entrepreneurs who are struggling and disenchanted with the ever-changing economic system. Packed with business lessons, financial plans, and practical advice, *Raising Eyebrows* is full of inspiration, conscience, and good ideas for entrepreneurs and would-be entrepreneurs everywhere. **When Your Rabbit Needs Special Care** Lucile C Moore, Kathy Smith, 2008-03-01

Warriors and Worriers Joyce F. Benenson,2014-01-08 The question of exactly what sex differences exist and whether they have a biological foundation has been one of our culture s favorite enduring discussions In Warriors and Worriers psychologist Joyce Benenson presents a new theory of sex differences based on thirty years of research with young children and primates around the world Her innovative theory draws on a fascinating array of studies and stories that explore the ways boys and men deter their enemies while girls and women find assistants to aid them in coping with vulnerable children and elders This produces two social worlds for each sex which sets humans apart from most other primate species In this exciting exploration of human nature Benenson thus turns upside down the familiar wisdom that
