"When the Welfare People Come" Don Lash,2017-01-15 An excellent overview of the child welfare system Most importantly the author provides a discussion of how to create true change Tina Lee author of Catching a Case Inequality and Fear in New York City's Child Welfare System A groundbreaking look at the history and politics of the American child welfare system When the Welfare People Come exposes the system in its totality from child protective investigation to foster care and mandated services arguing that it constitutes a mechanism of control exerted over poor and working class parents and children Applying the Marxist framework of social reproduction theory to the child welfare system the author an attorney who has practiced in the area of child welfare for more than twenty years reveals the

system's role in the regulation of family life under capitalism. This book's description and analysis of child welfare is terrific. Though I've worked in the field of child welfare for four decades, I learned not only new information but also found new resonant analyses. David Tobis, PhD, Author of *From Pariahs to Partners: How Parents and Their Allies Changed New York City's Child Welfare System*. **Suffer No More** Sandra McDERMOTT, 2017-09-14. This book identifies with my suffering and where it came from. **Suffer No More** can help guide you to freedom from addiction and any character defect that identifies you. When we are born, we are born with a sinful nature, and until we find God, there is no freedom from our sinful nature. Unless you believe in Christ as your personal Savior, you will struggle with the issues of sin for the rest of your life. But if you accept Christ as your Savior, you are then set free from your old sinful nature by the power of Jesus. **Suffer No More** is just to help people see the light from all their darkness and to help people find freedom. Jesus died on the cross for our sins. Jesus paid the penalty He willingly took on His body all the punishment that we deserved, so we wouldn't have to. He died on the cross for all our sins, so we could be set free and be made righteous in God through Christ Jesus if we are willing to turn our life over to His care. Allow Him to do the work in and through you by His Holy Spirit, and I promise you, you will be set free. Do the twelve steps to the best of your ability, and God will do beyond what you could ever dream or imagine. I pray this book will lead many to Christ.
