My Fathers War A Sons Journey:

My Father's War Peter Richmond, 1996 The other two Guadalcanal and Peleliu are legendary **Professional Journal of the United States Army**, 1997 **Enduring Battle** Christopher H. Hamner, 2011-04-07 Throughout history battlefields have placed a soldier's instinct for self preservation in direct opposition to the army's insistence that he do his duty and put himself in harm's way Enduring Battle looks beyond advances in weaponry to examine changes in warfare at the very personal level Drawing on the combat experiences of American soldiers in three widely separated wars the Revolution the Civil War and World War II Christopher Hamner explores why soldiers fight in the face of terrifying lethal threats and how they manage to suppress their fears stifle their instincts and marshal the will to kill other humans Hamner contrasts the experience of infantry combat on the ground in the eighteenth and nineteenth centuries when soldiers marched shoulder to shoulder in linear formations with the experiences of dispersed infantrymen of the mid twentieth century Earlier battlefields prized soldiers who could behave as stoic automatons the modern dispersed battlefield required soldiers who could act autonomously As the range and power of weapons removed enemies from view combat became increasingly depersonalized and soldiers became more isolated from their comrades and even imagined that the enemy was targeting them personally What's more battles lengthened so that exchanges of fire that lasted an hour during the Revolutionary War became round the clock by World War II The book's coverage of training and leadership explores the ways in which military systems have attempted to deal with the problem of soldiers' fear in battle and contrasts leadership in the linear and dispersed tactical systems Chapters on weapons and comradeship then discuss soldiers' experiences in battle and the relationships that informed and shaped those experiences Hamner highlights the ways in which the band of brothers phenomenon functioned differently in the three wars and shows that training conditioning leadership and other factors affect behavior much more than political ideology He also shows how techniques to motivate soldiers evolved from the linear system's penalties for not fighting to modern efforts to convince soldiers that participation in combat would actually maximize their own chances for survival Examining why soldiers continue to fight when their strong instinct is to flee Enduring Battle challenges longstanding notions that high ideals and small unit bonds provide sufficient explanation for their behavior Offering an innovative way to analyze the factors that enable soldiers to face the prospect of death or debilitating wounds it expands our understanding of the evolving nature of warfare and its warriors **USS Pampanito** Gregory F Michno, 2016-01-12 Most World War II submarine stories are glorifications of war written by submarine captains about their own boats But the USS Pampanito was not a typical submarine The sub and its crew caused plenty of destruction but they found the pinnacle of their honor and fame in a dramatic sea rescue Gregory F Michno relates the experiences of the crewmen both enlisted men and officers who served on the USS Pampanito The Pampanito story begins with the boat's construction in 1943 continues through its six combat missions and concludes with its decommissioning after the war in 1945 The heart of the book is the

September 12 1944 attack on a Japanese convoy carrying English and Australian POWs from the Burma Siam Railway of Bridge on the River Kwai fame to prison camps in Japan The Pampanito helped sink two of the prison ships unwittingly killing hundreds of Allied soldiers but then returned to rescue the survivors The crew picked a record seventy three men from the sea Military Review ,1997 **My Father's Wars** Alisse Waterston,2024-09-17 Winner International Congress of Qualitative Inquiry Outstanding Book Award 2016 My father was born into war begins this remarkable saga in Alisse Waterston s intimate ethnography a story that is also twentieth century social history This is an anthropologist s vivid account of her father s journey across continents countries cultures languages generations and wars It is a daughter s moving portrait of a charming funny wounded and difficult man his relationships with those he loved and his most sacred of beliefs And it is a scholar s reflection on the dramatic forces of history the experience of exile and immigration the legacies of culture and the enduring power of memory This book is for Anthropology and Sociology courses in qualitative methods ethnography violence migration and ethnicity **Red Devil Tales: A Son's Journey to Discover His Father's Legacy** Ronald Sexton,2017-02-17 Ronald Sexton was only five years old when his father retired from coaching He remembered very little of his dad s life as one of North Carolina s outstanding high school basketball coaches in the 1950s Years after his father s passing and after attending his father s induction ceremony into Lenoir County s Sports Hall of Fame Ronald was determined to learn more about his father s legacy as a basketball coach He traveled from Louisiana to e Letters from the Pacific Front Philip J. Magnan,2002-10-08 Letters from the Pacific Front is the story of the extraordinary adventures of an ordinary marine and his brothers who wore their country s uniform during World War II Bob Magnan walked point as a rifleman on Guadalcanal survived air attacks on New Guinea served as sniper on New Britain and directed artillery fire on Okinawa With thousands of others he prepared for the ultimate invasion of the Japanese homeland that was averted only by unconditional surrender Along the way Bob s sense of duty grew ever stronger but his youthful idealism was tempered with healthy skepticism He basked in the hero s welcome given by Australia to the 1st Marine Division and he suffered the near fatal effects of tropical diseases He mourned the loss of a brother killed in action See the war through his eyes and as he interpreted it through journals and in dozens of letters he mailed home **Air University Library Index to Military Periodicals** ,1998 **Down Syndrome** William I.
