Through The Eyes Of Madness G. D. Garner,2007-11

Through The Eyes Of Madness is one of the most compelling and unique books ever written It is an incredible autobiographical account of a modern day adventurer who was driven to madness when he lost the women of his dreams GD Garner is publishing his incredible tale in an effort to raise money to help families in need on each of the seven Continents Simply put this man is a modern day Davinci From the incredible artwork in his personal journals to the studies of science life and architecture that can be seen in his sketches and paintings it is clear that this is no ordinary man On the surface his book is an incredible Adventure biography that is absolutely impossible to set down Below the surface however the book has some of the most unique and rewarding surprises and layers ever published For starters GD has encrypted his personal journals with artistic and mathematical codes that lead the readers to physical clues he has hidden on each of the seven continents The eccentric entrepreneur does not say exactly what these clues lead to but the inference is of something quite substantial The book itself is littered with codes clues and hidden messages as well of hundreds of pieces of GD s artwork and photography from around the world The story follows a once hugely successful businessman on a five year trip across all

seven continents as he strips himself of all of his worldly possessions in search of the meaning to life Jobless homeless and with only what he can carry on his back GD travels from the Heights of Mt Everest to the lows of Death Valley His journey extends North of the Artic Circle and South of the Antarctic pass The chapters are richly detailed with death murder and real life adventure as GD continually puts himself in situations that are seemingly un survivable But the book is far from just an adventure junky read Each chapter contains an emotional life lesson that lets you see a grown man transform before your very eyes It is a real life National Treasure Indiana Jones and the Davinci Code roled into one Not only is it an amazingly rich and textured account of GD Garners fall from the pinnacle of a perfect life but it also follows him on an incredible journey that most people can only dream about Communicating with Animals Margrit Coates,2012-05-03 Margrit Coates s new book is essential reading for anyone who loves animals and who wishes to improve their understanding of animal behaviour One of the world s leading animal communicators and healers Margrit has many years experience working closely with species of all kinds from horses dogs and cats to wild life rare breeds and rescue animals In Communicating with Animals she draws upon her very special gift and amazing experiences to help us connect with animals too Using intuition insight and common sense she shows how to tune into what they are really thinking and feeling helping us bond with them at an incredibly deep level Her powerful techniques range from communicating with the furry feathered and scaly friends who share our homes to larger animals such as horses and even Anne the Elephant as well as other non domestic creatures Ultimately Margrit s wish is for each one of us to be able to tune into all life around us Besides practical exercises and handy tips Communicating with Animals is brimming with heart warming stories making it a great read and a truly inspirational guide Inspired English Lorraine LaCroix,2005 Lorraine LaCroix presents a teacher s guide to teaching middle school and high school English and building literacy skills in even the most reluctant readers The Trouble with Lions Jerry Haigh,2013-02-20 The trouble with lions is that while you are conducting a pregnancy test you need to be equally if not more aware of what you can learn from the lion s other end That is one lesson that Jerry Haigh brings home in this fascinating collection of stories about working with wild animals in Africa Conversational in tone conversational in theme you will be right beside Jerry wife Jo and a colourful cast of vets guides and wardens as they scour Africa s sprawling vistas troubleshooting lions rhinos humans and other indigenous mammals Conservationists veterinarians and fans of real life adventure tales will want to keep this memoir handy on the dashboards of their Land Cruisers Foreword by Jane Goodall
