American Christianities Catherine A. Brekus,W. Clark Gilpin,2011-12-01 From the founding of the first colonies until the present the influence of Christianity as the dominant faith in American society has extended far beyond church pews into the wider culture Yet at the same time Christians in the United States have disagreed sharply about the meaning of their shared tradition and divided by denominational affiliation race and ethnicity they have taken stances on every side of contested public issues from slavery to women's rights This volume of twenty two original essays contributed by a group of prominent thinkers in American religious studies provides a sophisticated understanding of both the diversity and the alliances among Christianities in the United States and the influences that have shaped churches and the nation in reciprocal ways American Christianities explores this paradoxical dynamic of dominance and diversity that are the true marks of a faith

Meaningful Memories John G. Kelly, 2022-03-17 Nostalgia learning experiences meaningful memories This book is filled with these from a man who grew up in a strong Irish Catholic community in the North End of Saint John in the 1950s and 1960s went on to practise law and then

become a law professor and consultant in Toronto and most recently joyfully embraced RVing and living in an active retirement community But besides dusting these memories off for enjoyment John G Kelly has a larger purpose By cleverly showing how his past experiences and even his F A I L s first attempts in learning have positively impacted his future he demonstrates how we can all learn from our past and use this knowledge to live life to the fullest as a member of an active caring community Filled with humorous anecdotes recollections of a bygone era reflections on community and a unique outlook on how to get the most from life Meaningful Memories has something for anyone who likes a good story However for anyone from Saint John New Brunswick or who grew up in any of the Atlantic provinces for that matter fellow RVers or 65 young olds YOLDS looking to enjoy active retirement to the fullest you will not be able to put this book down [The Memory Sessions](#) Suzanne Farrell Smith,2019-08-09 Suzanne Farrell Smith s father was killed by a drunk driver when she was six and a devastating fire nearly destroyed her house when she was eight She remembers those two and only those two events from her first nearly twelve years of life While her three older sisters hold on to rich and rewarding memories of their father Smith recalls nothing of him Her entire childhood was seemingly erased In The Memory Sessions Smith attempts to excavate lost childhood memories She puts herself through multiple therapies and exercises including psychotherapy hypnotherapy somatic experiencing and acupuncture She digs for clues in her mother s long stored boxes She creates with objects photographs and captions a physical timeline to compensate for the one that s missing in her memory She travels to San Diego where her family vacationed with her father right before he died She researches interviews and meditates all while facing down the two traumatic memories that defined her early life The result is an experimental memoir that upends our understanding of the genre Rather than recount a childhood The Memory Sessions attempts to create one from research archives imagination and the memories of others Published by Bucknell University Press Distributed worldwide by Rutgers University Press **The Enduring Memory** Françoise Zonabend,1984 *A Memorial Discourse: 1830-1840-1880; delivered January 2d, 1881* J. B. Dales,2024-02-24 Reprint of the original first published in 1881 **Island Of Memory** Roberto Diego Lopez,Virginia Croft Lopez,2015-09-28 THIS warm sometimes funny and deeply emotional memoir tells what it was like growing up more than half a century ago in pre Castro Cuba Roberto L pez recounts a very personal story of family school experiences and friendships He relates what it was like to be Cuban and what Cuba in those days looked and felt like the streets of old Havana and his lively neighborhood where streetcars were so crowded passengers might have to climb on top where peddlers plied everything from fish to sweets and where men gathered in the bodegas to play dice on shiny mahogany counters while drinking beer or downing cup after cup of hot black sweet and wickedly strong coffee L pez wrote Island of Memory primarily as a tribute to a people and a place but he also tells what it was like when things ruptured when the communists took over and made it impossible for him to stay or to return **The World and the Cloister** Benedict Williamson,2019-05-23 First published in 1930 This book represents the life of Sister Teresa Eletta of Florence from

with a dramatic answer to the prayers of her heart Lucette now Mother Veronica Namoyo is an Abbess and foundress of two flourishing monasteries in Africa This compelling book is bound to touch many souls and is an eloquent testimony that grace love prayer and sacrifice can conquer the world because they can conquer man s rebellious heart Alice von Hildebrand
