My First Five Years 2000

**United States. Department of the
Interior**

My First Five Years 2000:

The First Five Years of the Priesthood Dean R. Hoge, 2017-06-15 Catholic Press Association Award Winner Reports indicate that many newly ordained men are feeling demoralized and some are resigning. The accounts raised many questions: How widespread is the problem? What difficulties are the recently ordained priests facing? Is the problem due to changes in lay attitudes or to changes in the ordained themselves? Is the situation different from what it was ten or twenty years ago? *The First Five Years of the Priesthood* is a collaborative work of the National Federation of Priests Councils and the Life Cycle Institute of The Catholic University of America that considers this phenomenon. It explores the experience of early priesthood and is based on a pilot survey of two groups: recently ordained priests active in service and those who have resigned. The research team minimized interpretative work on the findings and engaged credible voices in American Catholic life to write commentaries on the implications of the findings. *The First Five Years of the Priesthood* includes both the research findings and commentaries. Chapters are: The Setting of the Priesthood Today; Attitudes of Newly Ordained Active and Resigned Priests; What Makes for Satisfied Newly Ordained Priests; Four Types of Resigned Priests; Life Experiences of Newly Ordained Active and Resigned Priests; and Recommendations Made by the Priests. Dean R. Hoge is a professor in the department of sociology at The Catholic University of America in Washington D C. He has done sociological research serving American churches for 31 years and has authored several books and articles on American religion.

The First Five Years Heather Davidson, 2016-11-21 *The First Five Years* is a memoir to record the ordinary life of an ordinary woman who was changed by an extraordinary encounter with God at the age of forty-four. It recounts memories of childhood years through to teenage years, eventually being married just three days before turning twenty, then on to a life raising a family. It is a life of joy and hope turning into depression, despair, and grief, then back again into peace. It is the story of God's redemptive grace bringing hope out of depression, comfort out of grief, trusting out of doubting, and faith where there was none. Heather felt that God instructed her years ago to write a book with this title. She has now written it first and foremost for her children and grandchildren but has also felt the need to share it in the hope that someone may be encouraged to know that no matter where life has taken them, no matter how ordinary we think this life is, God can turn it around for our good.

My First Five Years Anne Geddes, 2007-05 The pages of this baby book feature heartwarming photos of babies from Geddes's new Nursery Room Collection of baby clothes. Adorable tots decked out in colorful cotton duds smile, sleep, and convey love on every page.
