Orders To Vietnam:

Orders to Vietnam William Edmund Butterworth, 1968 Opposed to war and estranged from his father an Army general a young draftee encounters horror and heroism while flying a combat helicopter

Six Degrees of the Bracelet: Vietnam's Continuing Grip John Siegfried, 2011-07-25 Six degrees of separation refers to the idea that everyone is at most six steps away from or connected to any other person on Earth While the Vietnam War was raging silver bracelets were created to raise awareness of and show support for American servicemen who were prisoners of war POW or missing in action MIA After the war black bracelets were produced to pay homage to any of our armed forces killed in action KIA The orange bracelet is more recent and symbolizes all those living and deceased who have suffered from diseases combat wounds and post traumatic stress resulting from their Vietnam service These bracelets honor the memory and sacrifice of our troops one of the central goals of this book In December 2009 John Siegfried discovered the silver POW MIA bracelet that his mother in law had worn for over 20 years Curiosity urged him to contact the person named on the bracelet a contact that inspired him profoundly and set him on a path that resulted in this book Colonel Myron Donald willingly shared the story of both his service and imprisonment as a POW in Vietnam In a personal meeting with Colonel Donald Siegfried learned the harrowing details of how Donald overcame over five years imprisonment in the horrid conditions of North Vietnamese prisons This story opened his eyes to the harsh reality and bitter tragedy of a savage war and inspired him to begin researching the stories of others affected by the Vietnam War This book contains many of those stories as well as compelling insights into Siegfried's own journey of discovery All interviews within this book are true accounts and were conducted in person throughout the United States You will be riveted by the indescribable stories told by veterans about veterans and for veterans and by the families of the lost or still missing MIAs More than 3 400 000 men and women served in Southeast Asia Although close to 60 percent of all Vietnam veterans who served in country are no longer alive the families of all these veterans will continue to be affected by the Vietnam War for generations This book illustrates the misery and despair experienced by both soldiers and victims of this visceral war but also the exhilaration of combat and the camaraderie felt during their respective tours to present day The understanding of warfare combined with the appreciation of all the elements derived from combat is necessary to better comprehend the effects of battle on those who have sworn to protect our country Even if our soldiers did not incur flesh wounds they may have suffered irreparable damage to their emotions their psyche and their soul We civilians may never know or be able to comprehend the degradation caused to their human spirit and the violence and brutality they encountered We need also to continue to support these men and women in the aftermath of their courageous service
