Dawkins' GOD Alister E. McGrath, 2013-06-05 Alister E McGrath is one of the world's

leading theologians with a doctorate in the sciences Richard Dawkins is one of the bestselling popular science writers with outspoken and controversial views on religion This fascinating and provoking work is the first book length response to Dawkins ideas and offers an ideal introduction to the topical issues of science and religion Addresses fundamental questions about Dawkins approach to science and religion Is the gene actually selfish Is the blind watchmaker a suitable analogy Are there other ways of looking at things Tackles Dawkins hostile and controversial views on religion and examines the religious implications of his scientific ideas making for a fascinating and provoking debate Written in a very engaging and accessible style ideal to those approaching scientific and religious issues for the first time Alister McGrath is uniquely qualified to write this book He is one of the world s best known and most respected theologians with a strong research background in molecular biophysics A superb book by one of the world s leading theologians which will attract wide interest in the growing popular science market similar to Susan Blackmore s *The Meme Machine* 1999 Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature John McClintock, 1879 **The International Standard Bible Encyclopedia** Geoffrey William Bromiley, 1979 A comprehensive biblical reference includes a wide range of articles about people places customs events religious concepts and philosophical ideas mentioned in the Scriptures **Cyclopædia of Biblical, Theological, and Ecclesiastical Literature** John McClintock, 1894 **A critical engagement with theological education in Africa** Johannes J. Knoetze, Alfred R. Brunsdon, 2022-02-07 The higher education landscape has arguably become one of the most arduous to traverse More so in the African context where a host of variables continuously challenge educators to reflect critically on their philosophies and practices as they engage an ever changing audience In this book a critical engagement with theological education in Africa is offered As the book originates from South Africa it is presented as a South African perspective although contributors are situated across the African continent and abroad The common denominator is that all contributors are in some way or another invested in theological education in Africa The main contribution of this collaborative work is to be sought in the insights it offers on four main areas of theological education A historical and current orientation on theological education in Africa some paradigm shifts in theological education in Africa ministerial formation needs versus theological education challenges and a critical reflection on elective models and methods The book presents the original and innovative research of scholars for fellow scholars involved in theological higher education as it is grounded in the respective fields of interest of each contributor It contributes to a better understanding of the complex African theological higher education landscape that is also mindful of post COVID 19 realities Methodologically the work draws on a combination of methods including literature studies empirical work and in some cases sectional offerings from doctoral studies as indicated in the various chapters **Jesus, the Bible, and Homosexuality, Revised and Expanded Edition** Jack Rogers, 2009-04-14 In this revised and expanded best seller Rogers argues for equal rights in both the church and society for lesbians gays bisexuals and transgendered people He describes how he moved away from opposition to support

charts the church's history of using biblical passages to oppress marginalized groups argues for a Christ centered reading of Scripture debunks stereotypes about gays and lesbians and explores texts used most frequently against homosexuals and gay ordination In this newly revised edition he maps the recent progress of major U S denominations toward full equality for LGBT persons adds a new chapter that examines how Scripture is best interpreted by Jesus redemptive life and ministry and updates his own efforts and experiences The book also includes a guide for group study or personal reflection Handbook of Theological Education in World Christianity Dietrich Werner, David Esterline, Namsoon Kang, Joshva Raja, 2010-11-19 The Handbook of Theological Education in World Christianity is the first attempt to map and analyze developments in theological education on a global scale This volume with contributions from 98 leaders in theological education from around the world provides a comprehensive introduction to the major themes and contexts in the international discourse on theological education surveys of the issues and challenges faced in different regions and introductory essays on the developments in the major denominational families in World Christianity The editors are Dietrich Werner World Council of Churches Geneva David Esterline McCormick Theological Seminary Chicago Namsoon Kang Brite Divinity School Fort Worth and Joshva Raja Queen's Foundation Birmingham **ICMLG2016-4th International Conference on Management, Leadership and Governance** Dmitry Vasilenko and Natalia Khazieva, **Encyclopedia of Christian Education** George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women's education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church's founding through the Middle Ages to the modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education

Forming Ministers or Training Leaders? Anthony Clarke, 2021-06-15 Forming Ministers or Training Leaders is a

unique book because it is based on a significant piece of empirical research Anthony Clarke explores the way that the practice among theological colleges in the UK has been changing and develops the concept of the pastoral imagination to express what a theological college is aiming to do with its students The book then offers an analysis of the pastoral imagination that is in fact at work in a selection of Baptist colleges and other theological institutions in the UK Alongside this Clarke offers a coherent and robust theological account of the work of a theological college through engaging with recent trinitarian theology and argues that this is best understood as a process of formation which embraces other ideas of training and education
