1001 Grecian Words Of Wisdom by George H Malouf is a one of a kind masterpiece a treasured collection of cultural sayings
and proverbs of the Hellenic world that is absolutely fascinating These popular sayings full of wisdom denoting the life styles
and habits of the Greek world have been preserved throughout the ages and handed down from one generation to the next
Many of these proverbs *pa ri mih* yes were repeated on the tongues of such savants as Aristotle Socrates Plato and others
They are timeless and universal in their content meaning and usage as they echo the mannerism and habits of the Greek
people in their daily life These sayings were born out of the very fabric of life's hardships experiences and from the effects of
a diverse Hellenic culture They bring to life the very essence of the core values of a civilization that has contributed so much
to our modern world They tend to clarify for us and educate us by unveiling the curtain of obscurity and mystery surrounding
the day to day life styles of the ancients In many instances they are as relevant today as they were thousands of years ago as
in *Pyoh tis pa rah po soh tis* Quality before quantity Many of these relate to good advice ethics and judgement They can be
applied in many instances on a daily basis as in *Peh nde meh tra mih ya koh ve* Measure five times and cut once *M eh na sbah*
ro dhiih yo tri ghoh n ya Two birds with one stone 1 4 *Oh la ka lah teh los ka loh* All is well that ends well and *Pahn meh tron*
ah ris ton Everything within its limits As one continues to roam the pages of this wonderfully captivating collection he/she
will bear witness to the beauty in expression that continues to reverberate throughout the lives of the Hellenes In the final
instance the reader will begin to comprehend the modern usage of these proverbs as they relate to today's mannerism
