Post-Reformation Reformed Dogmatics Richard A. Muller, 2003-08 A major study reevaluating the primary sources of the post Reformation period to determine how consistent they are with the thinking of the Reformers on Scripture **Five Models of Scripture** Mark Reasoner, 2021-08-24 To relish the feast that is Scripture we need to use multiple models A Christian never gains all that Scripture offers by reading it with just one approach Yet too often this is attempted whether through an academic obsession with the historical critical method or through a consumerist approach that seeks only the motivation of the moment Mark Reasoner broadens the options for scriptural engagement by describing five models of Scripture documents stories prayers laws and oracles To illustrate each he uses examples from throughout the history of interpretation While he concedes that certain books of the Bible will naturally lend themselves to particular models Reasoner shows how an appreciation for all five will enrich one's scriptural insights while also bridging divides between the various branches of the Christian family In addition to the five models Reasoner surveys Catholic Orthodox and Protestant constructions of the biblical canon and addresses specific issues relevant to their respective interpretations of Scripture including scriptural metanarratives the use of the Bible in Christian worship and the principle of sola Scriptura Through it all Reasoner remains unequivocally focused on his goal to help readers grow in their love for Scripture in ways that will help them plant this love in those to whom they minister *Encyclopedia of Christianity in the United States* George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation
