Editions: Economic Geography Various,2021-06-23 The books in this set originally published between 1968 and 1992 introduce the reader to the many lines of thought in the literature on economic geography and tie these various aspects together within the concept of the economy As well as providing a comprehensive overview of the Western European economy since the Second World War and including specific studies and assessments of the Dutch and Italian economies these volumes examine the economic factors that have shaped cities and patterns of urbanization **Quality and Statistics**

Milton J. Kowalewski,1994 **Public Policy and Economic Theory** J. M. Oliver,G. H. Webster,2025-08-01 Originally published in 1970 this textbook on applied economics focusses on those parts of theory which have specifically made a contribution to policy problems The book provides a coherent treatment of the subject at a particular level the subject being the application of economic theory to government intervention in the economy The first part deals with the techniques and size of such intervention and the accepted objectives It also uses economic analysis to show that the goals of government policy will not be produced by a free market mechanism and so the government is obliged to intervene in the economy once it has chosen particular policy aims Part 2 analyses specific examples of intervention **Def-measuremnt Poverty-2** Sharon

M. Oster,2019-04-11 Are the poor as one writer suggests only those without enough to eat Or does poverty instead consist of the inability to buy a beer when everyone else has one These two volumes provide a comprehensive summary and annotated bibliography of the issues associated with the definition and measurement of poverty The discussion is organized around eleven topics in the areas of economics political science and sociology Included are such diverse subjects as the historical evolution of poverty definitions How did Karl Marx and Adam Smith define poverty the index number problem and regional differences in poverty measurement The annotated bibliography including both articles and books primarily covers material written after 1950 Housing and Planning References ,1980 The British Economy 1870-1939 Derek H. Aldcroft,Harry W. Richardson,1969-11-01 *Economic and Demographic Issues Related to Deployment of the Satellite Power System, (SPS)* United States. Satellite Power System Project Office,1979 **Regional Development** George Demko,2017-08-31 Originally published in 1984 This volume brings together papers concerned with the problems of regional development in both Eastern and Western Europe These include regional economic and social inequalities lagging and backward regions and constricted flows of labour This book provides identification comparison analysis and discussion of regional development problems in Eastern and Western Europe It discusses the latest trends in regional policy assesses their effectiveness and puts forward innovative thinking on the various issues and how they should be tackled in future *Dictionary Catalog of the Department Library* United States. Department of the Interior. Library,1969 **Rising China in the Changing World Economy** Liming Wang,2012-03-12 China s rapid and sustained growth over last thirty years has propelled it to become the world s second largest economy today and potentially the largest in the foreseeable future As one of the first major economies pulling out of recession and the last remaining major socialist country in the world today China presents a challenge to established thinking on the essential primacy of global capitalism and the settled nature of the world system as China becomes more integrated into the world economy and the international system both are themselves potentially transformed as a result of China s involvement This book explores a wide range of issues connected with the impact of China on the global economy and the prevailing international system Subjects covered include China s multinationals international acquisitions the exchange rate research and development and technology transfer China s emerging major business groupings and small and medium sized enterprises Economics of Social Problems Julian Le Grand,Ray V F Robinson,2016-01-13 The Measure of Poverty: A review of the definition and measurement of poverty, pt. 1. Summary review paper, pt. 2. Annotated bibliography ,1976 **Encyclopedia of Political Economy** Phillip O'Hara,1999-02-04 Content Description Includes bibliographical references and index **Industrial Location and Planning in the United Kingdom** David Keeble,2022-06-01 First published in 1976 Industrial Location and Planning in the United Kingdom investigates in detail the nature of the changes taking place in the location of manufacturing industry since the 1950s and the reasons for them including the effects of government regional policy and of factors such as market accessibility labour

availability and cost transport facilities and personal residential preferences by industrialists and workers The book brings together a wide range of published and unpublished material in discussing and evaluating explanations for regional and local manufacturing growth or decline Government regional policy and planning is singled out for special attention in terms of the impact of Development Area grants of local planning controls and of the town programmes Manufacturing movement to new locations and the implications of government regional policies for industrial efficiency are examined in detail together with the reasons for locational change in key but controversial industries such as steel motor vehicles and electronics This book will be of interest to students of urban planning manufacturing and development as well as city planners **Routledge**

Library Editions: Development Mini-Set M: Theories of Development Various, 2021-11-17 Routledge Library Editions Development will re issue works which address economic political and social aspects of development Published over more than four decades these books trace the emergence of development as one of the most important contemporary issues and one of the key areas of study for modern social science The books cover the most important themes within development and include studies of Latin America Africa and Asia Authors include Sir Alexander Cairncross W Arthur Lewis Lord Peter Bauer and Cristobal Kay An extensive collection of previously hard to access or out of print books this set presents an unrivalled opportunity to build up a wealth of material in the field of development studies with a particular focus upon economic and political concerns The volumes in the collection offer both a global overview of the history of development in the twentieth century and a huge variety of case studies on the development of individual nations For institutional purchases for e book sets please contact online sales tandf co uk customers in the UK Europe and Rest of World *Interdependent Development* Harold Brookfield, 2012-08-06 Rather than being a book about development per se this work first published in 1975 is instead a book about ideas about development designed for those drawn by a concern over social injustice into the development field In a selective review of theory which gives particular emphasis to the spatial dimension in Western Marxist and neo Marxist thought Harold Brookfield traces the evolution of ideas about world inequality and the problem of development from the days before the underdeveloped countries were considered to be a major problem through the years dominated by economic growth to the more searching approaches of the contemporary era The central argument of the book is that development is a totality which cannot properly be understood by separation into parts The developed and underdeveloped countries constitute one interdependent system and change in one cannot be understood without consideration of the other
