Regional Ministers Power And Influence In The Canadian Cabinet

Paul Thomas, Curtis Brown

Regional Ministers Power And Influence In The Canadian Cabinet:

Regional Ministers Herman Bakvis, 1991 Bakvis challenges recent assumptions by political scientists that the era of strong regional ministers in Canadian government is passed drawing on developments and experiences in cabinet and its supporting agencies over the past decade Annotation copyrighted by Book News Inc Portland OR

Cabinets and First Ministers Graham White, 2011-11-01 What place do first ministers and their cabinets have in democratic life in Canada Has cabinet become a prime ministerial focus group Do political staff and central agency bureaucrats enhance or diminish democracy Do private members have any say in the cabinet process Graham White renders a clear account of the development structure and operation of cabinet and the role of first ministers at the federal provincial and territorial levels He discusses how the processes that support cabinet are affected by the considerable power of the first minister and looks at the ways in which they permit the involvement of other elected members and the public Taking the view that characterizing our Westminster style government is an oversimplification White examines first ministers and cabinets in terms of accountability and transparency and proposes realistic improvements to this aspect of Canadian democracy Prendre Le Pouvoir Donald J. Savoie, Jacques Bourgault, Institut d'administration publique du Canada, Canadian Centre for Management Development, 1993

The Guardian Patrice Dutil, 2011-06-18 Finance departments have often been portrayed as guardians of the public purse In The Guardian a multidisciplinary group of contributors examines the Ministry of Finance of Ontario since the Second World War During the last sixty years the Ministry was transformed from a relatively small Treasury to a sophisticated policy machine What started as a modest bookkeeping operation evolved into a key bureaucratic and policy agency as the government of Ontario assumed a leadership position in developing the province These essays reveal Ontario's finance as a dynamic policy issue shaped by the personalities of premiers and ministers the energies of public servants at all levels and a critical dialogue between political and administrative worlds Drawing on different methodologies this collection profiles a ministry as policy entrepreneur spender revenue generator capacity builder budget director program manager and intergovernmental agent The Guardian fills a significant gap in public administration literature and in so doing describes how Ontario's Ministry of Finance defined its role as guardian

Governing James Bickerton, B. Guy Peters, 2013-06-01 To honour the distinguished career of Donald Savoie Governing brings together an accomplished group of international scholars who have concerned themselves with the challenges of governance accountability public management reform and regional policy Governing delves into the two primary fields of interest in Savoie's work regional development and the nature of executive power in public administration The majority of chapters deal with issues of democratic governance particularly the changing relationship over the past thirty years between politicians and public servants A second set of essays addresses the history of regional development examining the politics of regional inequalities and the promises and pitfalls of approaches adopted by governments to resolve the most vexing policy problems Contributors provide readers with a valuable primer on

the key issues that have provoked debate among practitioners and students of government alike while reflecting on government initiatives meant to address inadequacies Showcasing the practical experience and scholarly engagement of its authors this collection is a valuable addition to the fields of public administration public policy political governance and regional policy Contributors include Peter Aucoin Dalhousie University Herman Bakvis University of Victoria James Bickerton St Francis Xavier University Jacques Bourgault cole nationale d administration publique UQAM Thomas Courchene Queen s University Ralph Heintzman University of Ottawa Mark D Jarvis University of Victoria Lowell Murray Senate of Canada retired B Guy Peters University of Pittsburgh Jon Pierre University of Gothenburg Mario Pol se INRS UCS Christopher Pollitt Leuven University Donald J Savoie Universit de Moncton and Paul G Thomas University of Manitoba

Manitoba Politics and Government Paul Thomas,Curtis Brown,2010-09-01 Manitoba has always been a province in the middle geographically economically and culturally Lacking Quebec s cultural distinctiveness Ontario s traditional economic dominance or Alberta s combustible mix of prairie populism and oil wealth Manitoba appears to blend into the background of the Canadian family portrait But Manitoba has a distinct political culture one that has been overlooked in contemporary political studies Manitoba Politics and Government brings together the work of political scientists historians sociologists economists public servants and journalists to present a comprehensive analysis of the province s political life and its careful mutual fund model approach to economic and social policy that mirrors the steady and cautious nature of its citizens Moving beyond the Legislature the authors address contemporary social issues like poverty environmental stewardship gender equality health care and the province s growing Aboriginal population to reveal the evolution of public policy in the province They also examine the province s role at the intergovernmental and international level Manitoba Politics and Government is a rich and fascinating account of a province that strives for the centre for the delicate middle ground where individualism and collectivism overlap and where a multitude of different cultures and traditions create a highly balanced society

Beyond Quebec Kenneth McRoberts,1995 What kind of a country is Canada beyond Quebec With a referendum on Quebec sovereignty looming on the horizon this is a question Canadians are being forced to ask In Beyond Quebec scholars from a wide variety of disciplines examine the current political cultural economic and social situation of Canada outside Quebec and speculate on the nature of a Canada that does not include Quebec on the present terms

Federalism Jennifer Smith,2004 In a world where federal states seem to exist precariously politicians and academics from around the globe continue to look to Canada as a model of federalism And yet our own system of organization and governance also appears strained Quebec nationalism First Nations claims the regionalization of party politics and the uneven and shifting delivery of essential services have all altered the face of federal politics Federalism explains how Canada came to be a federation what reasons there were for it and against it historically what the challenges to federalism currently are and how we might fortify some areas of weakness in the federal system Jennifer Smith argues that federalism is part of the democratic problem now however reformed it can be part of the

solution Since theorists disagree on the democratic credentials of federalism it is essential to look at how a real federal system operates Smith examines the origins of Canadian federalism and its special features then analyzes it in relation to the benchmarks of the Canadian Democratic Audit project responsiveness inclusiveness and participation Finding that Canadian federalism falls short on each benchmark she recommends changes ranging from virtual regionalism to a Council of the Federation that includes Aboriginal representatives Democracy is about more than the House of Commons or elections It is also about federalism This sparkling account of Canadian federalism is a must read for students and scholars of Canadian politics politicians and policymakers and those who care about Canadian democracy *1950s Canada* Nelson

Wiseman,2022-11-01 While the 1950s in Canada were years of social conformity it was also a time of political economic and technological change Against a background of growing prosperity federal and provincial politics became increasingly competitive intergovernmental relations became more contentious and Canada's presence in the world expanded The life expectancy of Canadians increased as the social pathologies of poverty crime and racial ethnic and gender discrimination were in retreat 1950s Canada illuminates the fault lines around which Canadian politics and public affairs have revolved Chronicling the themes and events of Canadian politics and public affairs during the 1950s Nelson Wiseman reviews social economic and cultural developments during each year of the decade focusing on developments in federal politics intergovernmental relations provincial affairs and Canada's role in the world The book examines Canada's subordinate relationship first with Britain and then the United States the interplay between Quebec's distinct society and the rest of Canada and the regional tensions between the inner Canada of Ontario and Quebec and the outer Canada of the Atlantic and western provinces Through this record of major events in the politics of the decade 1950s Canada sheds light on the rapid altering of the fabric of Canadian life **Canadian Parties in Transition, Third Edition** Alain G. Gagnon,Brian

Tanguay,2007-05-01 Alain G Gagnon and A Brian Tanguay continue the work of earlier editions of Canadian Parties in Transition by presenting a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists Innovative features of the third edition include an examination of party alignments and the mobilization of interests a discussion of democratic participation and a critical exploration of direct democracy through referendums and other mechanisms The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics The greater part of this volume consists of entirely new chapters others have been completely revised and updated An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book Constructing Tomorrow's Federalism Ian Peach,2007-03-15 Governance of the federation is more complex today than ever before perennial issues of federalism remain unresolved conflicts continue over the legitimacy of federal spending power and the accommodation of Quebec nationalism and Aboriginal self government within the federation is a persistent and precarious concern From discussions on democracy and distinctiveness to

explorations of self governance and power imbalances Constructing Tomorrow's Federalism tests assertions from scholars and practitioners on the legitimacy and future of the state of the federation In this broad collection of essays fifteen scholars and political leaders identify options for the future governance of Canada and contribute to a renewed civic discourse on what it means to govern ourselves as a liberal democracy and a multinational federation **Canadian Federalism** Herman Bakvis, Grace Skogstad, 2020-07-15 This is Canada's only up to date collection of essays on issues in Canadian federalism covering the Harper and Trudeau eras as well as federal provincial debates over healthcare climate change trade and more

Planners and Politicians P. Bryden, 1997-11-25 P E Bryden reveals that Liberal politicians were largely responsible not only for designing the social security legislation but also for creating its justification She points out that not only did party organization the structure of Canadian federalism and internal party power shifts influence the development and implementation of social programs but the opposite proved also to be true the commitment to social security imperatives changed the shape of both the Liberal Party and federalism *Planners and Politicians* explores the interrelationship between social programs federal provincial relations the role of the bureaucracy in devising and legitimizing policy and the nature of political power in the modern Canadian state By considering social policy as part of national policy and recognizing that the federal government was shaped by the imperatives of the programs it was designing this book offers a new perspective on Canadian social policy and the evolution of the state **Lions or Jellyfish** Raymond B. Blake, 2015-01-01 Asked in 2010 about his pugnacious approach to federal provincial relations Newfoundland premier Danny Williams declared I would rather live one more day as a lion than ten years a jellyfish He was only the latest in a long line of Newfoundland premiers who have fought for that province's interests on the national stage From Joey Smallwood and the conflict over Term 29 of the Act of Union to Williams and his much publicized clashes with Paul Martin and Stephen Harper Newfoundland and Labrador's politicians have often expressed a determination to move beyond a legacy of colonialism and assert greater control over the province's own affairs *Lions or Jellyfish* examines the history of these federal provincial clashes with both clarity and wit Written by a noted expert on Newfoundland politics and intergovernmental affairs in Canada this book studies a vital but frequently overlooked aspect of modern Canadian federalism *Parties, Elections, and the Future of Canadian Politics* Amanda Bittner, Royce Koop, 2013-03-01 On May 2 2011 as Canadians watched the federal election results roll in and Stephen Harper's Conservatives achieve a majority it appeared that we were witnessing a major shift in the political landscape In reality Canadian politics had been changing for quite some time This volume provides the first account of the political upheavals of the past two decades and speculates on the future of the country's national party system By documenting how parties and voters responded to new challenges between 1993 and 2011 this book sheds light on one of the most tumultuous periods in Canadian political history *Dynasties and Interludes* Lawrence LeDuc, Jon H. Pammett, 2016-08-06 The Hill Times Best Books of 2016 An overview of the history of elections and voting in Canada

including minority governments dynasties and social movements Dynasties and Interludes provides a comprehensive and unique overview of elections and voting in Canada from Confederation to the most recent election Its principal argument is that the Canadian political landscape has consisted of long periods of hegemony of a single party and or leader dynasties punctuated by short sharp disruptions brought about by the sudden rise of new parties leaders or social movements interludes This revised and updated second edition includes an analysis of the results of the 2011 and 2015 federal elections as well as an in depth discussion of the Harper Dynasty

Inside the Local Campaign Alex Marland,Thierry Giasson,2022-07-22 Inside the Local Campaign reveals what goes on in constituency campaigns during a Canadian election It brings to light the key roles of candidates and their supporters on the ground in an election and demonstrates that local electioneering matters For decades the media has focused primarily on the national campaign and party leaders and the practice of canvassing for votes by candidates and their supporters has been seen as more tradition than science But things have evolved in the age of digital media Local level campaigning is more fashionable and critical for gathering data that can be used post election Inside the Local Campaign provides an up to date look at local level campaigning during a Canadian federal election Using the 2021 federal campaign as an anchor an impressive collection of authors and practitioners discusses local level campaigning in electoral districts across the country highlights local trends and on the ground roles and discloses hidden details about how local campaigns are run

Uneasy Partnership Geoffrey Hale,2018-01-25 The Canadian government s pursuit of economic growth is central to its economic policy and to the nature of its relationship with the business community The government depends on business investment for economic growth vital to the prosperity of citizens the generation of tax revenues and enough public satisfaction to win re election Businesses depend on the government for stable sets of rules that are necessary for success They often look to governments for protection against threats to their well being and for assistance in competing with other businesses In this new edition of Uneasy Partnership Geoffrey Hale examines the interdependent relationship between Canadian governments and businesses considering the political role of the government in the economy and what effect this has on the business environment Hale provides an overview of the historical dimensions of Canada s political economy and relations between government and business giving readers background to consider topics such as corporate power the implications of Canada s economic structure regional economic differences and the role of interest groups in political and policy processes among others In a thoughtful and well researched style Hale lays out how the partnership between business and government in Canada is an uneasy one and one whose capacity to adapt to ongoing changes is essential in an uncertain world

Bilingual Today, United Tomorrow Matthew Hayday,2005-12-20 Forty years after the creation of the Royal Commission on Bilingualism and Biculturalism Bilingual Today United Tomorrow examines the responses of Canada s federal and provincial governments to the Commission s recommendations on education In contrast to the many critics of official bilingualism Matthew Hayday argues that the

educational programs funded by the government's Official Languages in Education Program launched in 1970 had a significant impact on how Canadians view their national identity encouraging increasing acceptance of official bilingualism and linguistic duality

Nunavut Ailsa Henderson, 2008-07-01 Nunavut Rethinking Political Culture explores the complex processes at work in the generation of political cultures Drawing upon extensive fieldwork and quantitative analysis it provides the first systematic empirical study of political life in Nunavut offering comprehensive analysis of the evolving nature of aboriginal self government in the Arctic and shedding crucial light on Inuit non Inuit relations Political culture in Nunavut has long been characterized by different approaches to political life traditional Inuit attitudes toward governance federal aspirations for the political integration of Inuit and territorial strategies for institutional development Ailsa Henderson links these features to contemporary political attitudes and behaviour concluding that a distinctive political culture is emerging in Nunavut Original and provocative Nunavut explores political attitudes behaviour and institutions in Nunavut before during and after the creation of the new territory challenging our understandings of how political cultures are generated and sustained This book will appeal to political scientists sociologists and others interested in culture and politics Aboriginal studies and northern development
