Regionalism In The New Asiapacific Order Vol 2:

Regionalism in the New Asia-Pacific Order Joseph A. Camilleri, 2003-01-01 Regionalism in the Asia Pacific is a complex and rapidly evolving phenomenon This volume explores the relationship between globalization and regionalization between states markets and civil society and between US hegemony and Asian aspirations **The Future of Global**

Relations T. Paupp, 2009-06-22 The collapse of US global hegemony means that the future of global relations will be defined by an integrated and mutually co operative world order of regions in which there are multiple centres of power These centres will continue to mature under the ideology of regionalism and through the long historical process of regionalization

Regionalism in East Asia Fu-kuo Liu, Philippe Regnier, 2013-10-18 Regional cooperation and integration have emerged as key issues for East Asia following the financial crisis This book explores these issues and examines the degree to which a new paradigm is emerging It reviews the evolution of the concepts and practices of regionalism in East Asia and considers the factors which are shaping new patterns of regional co operation and integration It includes discussions of historical developments economic co operation socio political factors and defence and security It considers the role of those states including China and Japan which have distinctive approaches to international relations and assesses the role of regional international bodies such as ASEAN Strategy and Security in the Asia-Pacific Robert Ayson, Desmond Ball, 2020-07-25 From the war on terror to the rise of China this book unlocks the major strategic themes and security challenges of the early twenty first century Strategy and Security in the Asia Pacific provides the analytical frameworks needed to make sense of this complex but exciting strategic universe Offering a unique mix of global strategic thinking and Asia Pacific security analysis this book is for readers from Sydney to Seoul who want to put their own local security challenges in a wider regional and global context It is also for North American and European readers requiring an understanding of the dynamic security developments in the Asia Pacific region around which so much of global strategy is increasingly based The really vital questions facing the international community are dealt with here Why do governments and groups still use armed force Has warfare really changed in the information age Why should we be concerned about non traditional security challenges such as water shortages and the spread of infectious disease Is a great clash imminent between the United States and China What are the prospects for peace on the Korean peninsula and between India and Pakistan Can Southeast Asia survive the challenges of transnational terrorism What does security mean for the Pacific island countries and for Australia and New Zealand With contributions from leading commentators and analysts Strategy and Security in the Asia Pacific offers a comprehensive and authoritative introduction to the field **Indian Ocean Regionalism** Dennis Rumley, Timothy Doyle, 2016-04-14 Pan regional constructions in the Indian Ocean are of relatively recent origin are contested and remain relatively weak at present Sub regional constructions on the other hand have tended to be more focussed especially in terms of security and have generally been more successful The principal purpose of this volume is to critically evaluate the debates

surrounding these issues and to elucidate some of the main strengths and weaknesses of regionalism at both scales The discussion begins at the pan regional scale with an evaluation of pan regional contestation followed up by a chapter on the main pan regional grouping Indian Ocean Region Association for Regional Cooperation IOR ARC which was renamed Indian Ocean Rim Association IORA in 2013 Thereafter key examples of sub regional groupings South Asia ASEAN SADC and GCC are critically discussed in turn The principal readership for this volume will be scholars of geography politics and international relations students of Indian Ocean studies regionalism experts bureaucrats and politicians both within and outside the Indian Ocean Region who wish to gain insights into Indian Ocean matters scholars who appreciate a view of regional relations from the inside This book was published as a special issue of the Journal of the Indian Ocean Region

Contested Ideas of Regionalism in Asia Baogang He,2016-09-13 Deepening regionalism in Asia demands new leadership Strong elites who are committed to a supranational identity are a minimum requirement of successful regionalism Regional leaders are increasingly seen as a new set of leaders in Europe Currently Asian regional leaders largely come from the diplomacy community or trade and economic sectors Yet further regionalization demands a new type of leadership from civil society and citizens In this context it is important to cultivate new regional leadership through the development of regional citizenship This book examines contested ideas of regionalism in Asia with a particular focus on two competing ideas of pan Asianism and Pacificism It also identifies a new trend and contestation the fundamental shift from a civilization understanding of regionalism to a technocratic and functional understanding of regionalism in the form of regulatory regionalism It also examines the other contested imaginations of regionalism in Asia including elitist versus participatory approaches to regionalism and democracy centric versus nationalism centric approaches to regionalism *Rivalry And Cooperation In The Asia-Pacific: The Dynamics Of A Region In Transition (In 2 Volumes)* Mark Beeson,2019-09-23 Rivalry and Cooperation in the Asia Pacific provides a comprehensive and accessible introduction to the most important strategic and economic region in the world Asia Pacific is a region that is undergoing a major transformation largely as a consequence of the rise of China and its growing rivalry with the United States Whatever happens in the Asia Pacific will profoundly influence global events not just regional ones Looking ahead the region s future direction and even its name is contested and uncertain This two volume reference work by one of the world s leading analysts of regional affairs places these events in historical context and considers what they may mean for future political economic and strategic relations By focusing on the United States China and the region s most significant middle powers the book explains why and how the Asia Pacific has become the fulcrum of international events **China's Multilateral Co-operation in Asia and the Pacific** Chien-peng Chung,2010-06-24 The leaders and bureaucrats of China have actively attended initiated promoted or made skilful use of regional multilateral political economic and security institutions to accelerate regional cooperation and integration with neighboring states convince Asian states that China s rise will not threaten the regional order and their national interests and

exploit its role and diplomacy in the Asia Pacific as a launch pad for greater influence in world affairs This book examines why and to what extent China wishes to promote accelerate delay or overcome constraints to the institutionalization of these regional organizations It explores the meaning scope and repercussion in the drive that a rising China has for institutionalizing multilateral cooperative processes in the Asia Pacific region the extent to which its actions are motivated by concerns of politics economics or security and the obstacles it faces for so doing These arrangements have varying effect on the diplomatic postures economic development and strategic orientation of countries in Asia and the Western Pacific and hence the stability and prosperity of the entire region China's Multilateral Co operation in Asia and the Pacific will be of interest to those studying the politics and international relations of China and the Asia Pacific region *Northeast Asian Regionalism* Christopher M. Dent, David W. F. Huang, 2002 This examination of developments in North East Asian regionalism looks at security international relations international political economy and politics together with historical social and cultural factors

Perspectives on Development: the Euro-Mediterranean Partnership George Joffe, 2023-05-09 The Euro Mediterranean Partnership Initiative launched by the Barcelona Conference in 1995 is the most ambitious project to date directed at comprehensive prosperity and security in the Mediterranean region Yet the assumptions on which it is based are untried and untested This study seeks to analyse what they are and to draw some conclusions as to the potential of the Initiative for success by comparing it with other experiences of regional development *Asia-Pacific Diplomacy* Lawrence T. Woods, 2011-11-01 The emergence of Asia Pacific regionalism as witnessed by the increasing influence of the Asia Pacific Economic Cooperation forum and the annual ASEAN Post Ministerial Conference highlights one of the major trends in late twentieth century geopolitics and international relations Asia Pacific Diplomacy traces the evolution of the Pacific economic cooperation movement by examining the diplomatic contributions of three international nongovernmental organizations INGOs the scholarly Pacific Trade and Development Conference PAFTAD the business oriented Pacific Basin Economic Council PBEC and the multipartite academic business and government Pacific Economic Cooperation Council PECC Lawrence Woods also provides a historical perspective by assessing the work of the Institute of Pacific Relations forerunner of the INGOs This book makes an important contribution to the study of international political and economic institutions It argues that as the regional cooperation movement expands at the governmental level an understanding of the nongovernmental roots of that movement is required if the diplomatic contributions of the INGOs are to be retained

The New Global Politics of the Asia-Pacific Michael K. Connors, Rémy Davison, Jörn Dosch, 2017-10-30 Now in its new and fully updated third edition The New Global Politics of the Asia Pacific continues to provide a compelling analysis of a region undergoing dramatic changes Based on new research and offering fresh interpretation this edition evaluates the prospects for continuing US dominance in the Asian Century Whilst presenting evidence for a multifaceted Beijing Strategy which aims to counter the US by building an alternative regional order it also explains Japan's definitive departure from its limited

military role Providing an introductory guide for the main frameworks needed to understand the region including realism liberalism and critical theory this new edition is reader friendly and offers sophisticated competing explanations Key content includes Intra regional conflicts in the South China Sea and the Korean peninsula The different responses within the Asia Pacific to the globalization of Western ideas of democracy and political economy The underappreciated success of the Association of Southeast Asian Nations in building a regional identity The European Union s soft power in the region A highly topical account which offers an overview of the main actors institutions and contemporary issues in the Asia Pacific the book will be essential reading for undergraduate students of Asian Studies International Politics and anyone interested in the region

East and South-East Asia Andrew T.H. Tan, 2013-07-03 The economic growth of East and South East Asia in the context of the global financial crisis has strengthened the view that this region is emerging in the 21st century as the most economically vibrant region in the world With some of the largest economies and generally high economic growth rates compared to the rest of the world it is unsurprising that East and South East Asia has become the subject of global interest East Asia s rise inevitably focuses attention on the issue of China s emergence as a regional and global power Such a prospect challenges the current status quo in which the region is dominated by the USA and its regional allies and issues in Sino US strategic relations have raised global awareness of the need to understand this pivotal region better In addition the Taiwan issue continues to evoke nationalist sentiments in China and North Korea continues to threaten regional stability Non traditional or alternative security issues are also of major importance in the region including natural disasters and epidemics as well as challenges relating to human rights and governance transnational crime demographic issues economics and trade and regionalism This Handbook aims to offer an insight into these issues The volume is divided into two main sections The first International Relations and Security Perspectives will focus on the international relations of the region paying special attention to the key state players The chapter contributions will examine the security perspectives and foreign and defence policies of these states as well as key bilateral relationships The second section will examine key Regional Non traditional Security Issues including globalization transnational health challenges population growth and the environment

India as an Asia Pacific Power David Brewster, 2012-03-12 The emergence of India as a regional and potentially global power is forcing us to rethink our mental map of the Asia Pacific We are only just beginning to discern how India may alter the global economic landscape How will the rise of India change the strategic landscape of Asia and beyond This book provides a comprehensive assessment of India s international relations in the Asia Pacific a region which has not traditionally been understood to include India It examines India s strategic thinking about the Asia Pacific its relationships with China and the United States and India s increasingly close security ties with other major countries in the region It considers the consequences of India s rise on the Asia Pacific strategic order and asks whether India is likely to join the ranks of the major powers of the Asia Pacific in coming years

Advancing East Asian Regionalism Melissa Curley, Nicholas

Thomas,2012-10-12 Developments in East Asia have progressed rapidly in terms of regionalism since the 1997 crisis The end of the Asian miracle called into question not only the capacity of regional states to meet the needs of their attendant peoples but also challenged the viability of regional organizations such as ASEAN to adapt and respond to the changing circumstances Advancing East Asian Regionalism looks at the ways in which ASEAN has expanded since the crisis and evaluates the potential of East Asia to come together in a regional formation one capable of representing the region as a whole akin to the European Community It draws upon the knowledge and perspectives of academics and policy makers actively engaged in the contradictory issues of regionalism Coupling case study material on regionalism institutions and sectoral cooperation with theoretical debates on regionalization this book is an invaluable resource that pushes our understanding of East Asian regionalism forward *Asia-Pacific Geopolitics* Joseph A. Camilleri,2007-01-01 Despite significant cultural exchange mutual trust and understanding remains fragile between Asia Pacific countries The community faces complex and seemingly intractable problems violent civil conflicts geopolitical tensions and economic uncertainties proliferation of nuclear weapons and flashpoints that may lead to war The authors of this book argue that common reflection and dialogue is imperative Their achieved aim is to bring together distinguished scholars and experts on public policy social ethics defence human security and sustainability to consider the future of the Asia Pacific region and appropriate responses by both states and civil society *The Making of Northeast Asia* Kent Calder,Min Ye,2010-08-16 This book offers a detailed analysis of the domestic politics of regionalism in the three major nations of Northeast Asia China Japan and Korea as well as in the most important external actor the United States *The Routledge Handbook of Asian Security Studies* Sumit Ganguly,Andrew Scobell,Joseph Chinyong Liow,2017-10-23 The Routledge Handbook of Asian Security Studies provides a detailed exploration of security dynamics in the three distinct subregions that comprise Asia and also bridges the study of these regions by exploring the geopolitical links between each of them The Handbook is divided into four geographical parts Part I Northeast Asia Part II South Asia Part III Southeast Asia Part IV Cross regional Issues This fully revised and updated second edition addresses the significant developments which have taken place in Asia since the first edition appeared in 2009 It examines these developments at both regional and national levels including the conflict surrounding the South China Sea the long standing Sino Indian border dispute and Pakistan s investment in tactical nuclear weapons amongst many others This book will be of great interest to students of Asian politics security studies war and conflict studies foreign policy and international relations generally *Regionalism in International Law* Ján Klučka,2017-12-01 International Law Aspects of Regionalism evaluates regionalism in its various relationships and forms with respect to international law as well as the importance and duties of international law in respect to the establishment and functioning of various forms of regional groups A great deal of attention has been paid to regionalism from the global political economic security aspects but a complex evaluation of the impact it has had on international law and vice versa is still lacking The main purpose of this

volume is to eliminate this gap and present the latest state of knowledge on the topic This text will be of interest both to students at an advanced level academics and reflective practitioners It addresses the topics with regard to international law and regionalism and will be of interest to academics dealing with legal aspects of current regionalism and for the specialized courses in the faculties of law as well as anyone studying diplomacy and international studies international relations regional integration law EU law international law and international relations Track 2 Diplomacy in Asia Brendan Taylor,Anthony Crothers Milner,Desmond Ball,2006
