

Rehabilitation Of The Older Person

Ellen D Taira

Rehabilitation Of The Older Person:

Rehabilitation of the Older Person Amanda J. Squires, Margaret B. Hastings, 2002 Readers will be able to gain knowledge of how to manage older people with difficult conditions and in different environments Much of the work of the professionals in this area has changed as a result of NHS reforms new practices and patient demands **A Comprehensive Guide to Rehabilitation of the Older Patient E-Book** Shane O'Hanlon, Marie Smith, 2020-11-17 This book will help all health professionals involved in the rehabilitation of older people to provide their patients with the highest possible quality of life and autonomy Expanded and rewritten by a diverse team of authors the text is suitable for doctors in all specialties that see older patients as well as nurses physiotherapists occupational therapists psychologists dietitians speech and language therapists pathologists physician associates assistants healthcare assistants and many others including patients family members and students The book is written in an accessible no jargon style and provides a patient centred perspective on recent advances in the field of rehabilitation an increasingly important aspect of care for older people Clear explanations of relevant concepts ageing frailty comprehensive assessment rehabilitation Broad coverage of all aspects of rehabilitation including different settings Explanations of input from multiple health professionals Problem based section that highlights solutions to common issues during rehabilitation Specialty specific areas of rehabilitation such as stroke rehabilitation cancer rehabilitation post operative rehabilitation trauma rehabilitation in the community Practical section explaining how to plan discharge safely run a care planning meeting organize home supports continue rehabilitation at home Evidence based but accessible writing complemented by practical clinical wisdom Aimed at a broader audience applicable to all health professionals who see older patients Resources for patients and their caregivers Multiple choice questions to test knowledge

Rehabilitation of Older People Amanda J. Squires, 2013-11-11 Attitudes to rehabilitation of older people particularly in departments specializing in care of the elderly have become increasingly positive in recent years A growing number of professionals see the speciality as a necessary career experience and this needs encouragement if the professions are to be prepared for the increasing number of older people who will require help from their members The purpose of this book is to bring together the skills and experience of experts in several fields of rehabilitation to provide a primer for those needing the knowledge of how to manage the older person in whatever environment or speciality they present Readers will be able to enhance their own knowledge already gained in a variety of fields and play an immediate part in the team The information will also be of value to interested carers agencies contributing to the widened provision of service to older people and their purchasers The continuing transformation of healthcare delivery world wide resulting from changing user and provider expectations and government policies is altering approaches to and delivery of rehabilitation services These current and envisaged future changes are addressed by each discipline using the UK National Health Service as an example

Rehabilitation of the Older Worker Wilma Thompson Donahue, James Rae, Roger B. Berry, 1976 **Rehabilitation**

Medicine for Elderly Patients Stefano Masiero,Ugo Carraro,2017-09-04 This book clearly explains when and how different rehabilitation techniques should be applied in the aging patient thereby enabling readers to identify and apply those rehabilitation strategies that will maximize quality of life and functional independence in individual cases It is specifically designed for ease of consultation and rapid retrieval of the information most relevant to clinical practice Prominence is given to the benefits of a multidisciplinary approach to rehabilitation with discussion of a very wide range of aspects of rehabilitation in different disease settings The breadth of coverage is illustrated by the attention paid to less commonly addressed topics such as visual and hearing rehabilitation the role of robotics and 3D imaging techniques variations in approach among health care systems and rehabilitation in end of life care The authors are international academic experts in their fields guaranteeing a high scientific standard throughout This manual will be an invaluable tool and source of knowledge for geriatricians and psychiatrists but will also appeal to a wider range of clinicians practitioners and students

Community Programs for the Depressed Elderly Ellen D Taira,2014-03-18 International experts offer insights into rehabilitative work with the depressed elderly including examples of successful treatment models assessment and prevention techniques as well as other helpful methods of alleviating depression in the institutionalized elderly *Intermediate Care of Older People* Siân Wade,2006-02-22 Intermediate care has become a buzzword within health and social care over the last few years Seen as the panacea for a number of woes particularly for older people intermediate care has been held up as a way forward within contemporary health and social care This text explores in detail what is understood by the concept of intermediate care and in particular ways in which the needs of older people can be best met by this new range of services Initial discussion centres on the concept of intermediate care and the motives for its development This is followed by a summary of the range of intermediate care services that have been developed with a discussion of some of the confusion that surrounds the concept The debate then moves on to centre on older people discussing first why older people have come to be perceived as one of the main client groups that may benefit from intermediate care and then how intermediate care could be developed to better serve their needs An overview of ageing and the uniqueness of older people is then provided followed by an exploration of some of the challenges faced by older people within society and how this has extended into the delivery of health and social care *Caring for Older Adults Holistically* Tamara R Dahlkemper,2019-11-12 Be prepared to meet the growing demand for licensed practical vocational nurses with the knowledge and skills to provide quality care to older adults Easy to understand writing and a positive outlook enliven every page of this popular resource Step by step you ll master the knowledge and skills you need while also honing the leadership management and delegation abilities essential to your professional success Feel confident in an important area as this text considers common myths about aging and includes applicable case studies to prepare you for a future career working with older adults *Fundamentals of Caring for the Older Person* Claire Pryor,Sue Tiplady,2025-09-15 A comprehensive guide to delivering high quality care for older adults As older

adults increasingly become the primary users of health and social care services the need for health and social care professionals with specific knowledge in this area has never been greater

Fundamentals of Caring for the Older Person equips nursing students and healthcare professionals with the essential skills knowledge and attitudes needed to provide compassionate evidence based care for older individuals with complex needs With real world narratives this practical guide offers a holistic approach recognising that older people are not a homogenous group but individuals with unique experiences strengths and requirements Written by experienced clinicians and academics the book integrates key considerations across physical psychological and social dimensions of care offering a clear and engaging foundation for anyone committed to enhancing the quality of care for older adults in diverse settings Presents a person centred approach to caring for older adults featuring episodes of care examples and narratives to amplify the voice of older individuals in their own care and ensure practical application of theory Utilises a three unit structure for ease of learning key aspects of ageing altered pathology and disease management and care practices Addresses key policies and professional literature recommendations to improve care for older people Includes pedagogical tools such as key points clinical investigations pharmacology insights and red orange green flags for pathological psychological and social considerations Designed for flexibility with chapters functioning as standalone units

Fundamentals of Caring for the Older Person supports students and newly qualified practitioners alike It is ideal for undergraduate and postgraduate programmes in nursing allied health and social care particularly for courses in adult nursing and gerontology

Integrating Care for Older People Christopher Foote, Christine Stanners, 2002-05-23 The authors of this book share their practical experience of implementing a multi agency approach to the support of older people They show how systems thinking can help with the complexity of developing a model of care that co ordinates medical social and community services and offer insight into the effective use of on going assessment

Geriatric Rehabilitation K. Rao Poduri, 2017-03-16 Geriatric Rehabilitation addresses the fact that this is an age in which individuals have increasing longevity better health care education and expectations of health care which present new increasing and even radical challenges to health care providers The care of our older patients in rehabilitation settings demands the broad understanding of the key differences in strategies to care for older adults The combined skills embraced in rehabilitation and geriatrics are presenting unprecedented opportunities for both fields to make substantive and even ground breaking improvements in the lives of millions of older adults who entrust their lives to us Rarely in one s medical career are such opportunities so evident and achievable

Geriatric Rehabilitation edited by Dr K Rao Poduri MD FAAPMR draws on a distinguished group of authors who are the front line providers of care to the older adults This book presents the full spectrum of the unique care needs of older patients who need the combined skills of physical medicine and geriatrics It provides an easily accessible means of acquiring and improving these new skills for all those involved in geriatric care

Geriatric Rehabilitation David X. Cifu, Henry L. Lew, Mooyeon Oh-Park, 2018-01-20 Rehabilitation of the geriatric

patient poses a unique set of challenges and conditions often not seen in younger patients but which are common among older adults This quick practical resource helps physiatrists and other members of the rehabilitation team overcome these challenges covering the wide range of topics necessary to provide the highest level of care to this rapidly increasing population Presents practical guidance on arthritis and joint replacement polypharmacy and mobility swallowing dysfunction nutritional recommendations psychiatric and cognitive disorders assistive technology and more Covers the physiologic changes and epidemiology of aging osteoporosis and fragility fractures fall prevention and intervention and prevention of hospital acquired deconditioning Consolidates today s available information on geriatric rehabilitation into one convenient resource

Functional Performance in Older Adults Bette R Bonder, Vanina Dal Bello-Haas, 2008-10-31 The ideal resource for rehabilitation professionals who are working with or preparing to work with older adults It describes the normal aging process illustrates how health and social factors can impede an aging person s abilities and demonstrates how to develop mechanisms for maximizing the well being of older adults

Handbook of Rehabilitation in Older Adults Robert J. Gatchel, Izabela Z. Schultz, Christopher T. Ray, 2019-02-27 This book discusses the state of the research and cutting edge practice with regard to chronic illnesses and rehabilitation in older adults It emphasizes biopsychosocial and culturally appropriate rehabilitation approaches to reduce the degree of disability and maximize independence in the activities of daily living among the burgeoning aging population Organized in four sections Introduction and Overview Major Illnesses and Problems in Aging Populations Evaluation of Functional Rehabilitation Approaches for Aging Populations and Future Clinical Research Needs the book includes chapters on the graying of the West with implications for increased chronic illnesses and disabilities a review of biopsychosocial rehabilitation approaches important aging issues such as slips and falls musculoskeletal pain chronic disabling conditions such as cancer and cardiovascular disease and work related factors to maintain work engagement in older workers The US Census Bureau projects that by the year 2030 about 20% of the U S population will be 65 or older contributing to the increased concern about healthcare and rehabilitation issues among older adults div This work will be of interest to healthcare rehabilitation vocational human resource and disability management professionals policy makers as well as researchers in areas of aging gerontology chronic illness disability rehabilitation social work medicine and psychology

Bureau of Older Persons. (Aging and Aged) United States. Congress. House Education and Labor, 1958 *Programs, Resources for Older People, Report to the President* United States. Federal Council on Aging, 1959

Principles and Practice of Geriatric Psychiatry Mohammed T. Abou-Saleh, Cornelius L. E. Katona, Anand Kumar, 2011-01-04 The renowned Principles and Practice of Geriatric Psychiatry now in its third edition addresses the social and biological concepts of geriatric mental health from an international perspective Featuring contributions by distinguished authors from around the world the book offers a distinctive angle on issues in this continually developing discipline Principles and Practice of Geriatric Psychiatry provides a comprehensive review of geriatric psychiatry

spanning both psychiatric and non psychiatric disorders scientific advances in service development specific clinical dilemmas New chapters on genetics of aging somatoform disorders epidemiology of substance abuse somatoform disorders care of the dying patient Continuing the practice of earlier editions the major sections of the book address aging diagnosis and assessment and clinical conditions incorporating an engaging discussion on substance abuse and schizophrenic disorders Shorter sections include the presentation of mental illness in elderly people from different cultures one of the most popular sections in previous editions Learning and behavioural studies as well as models of geriatric psychiatry practice are covered extensively This book provides a detailed overview of the entire range of mental illness in old age presented within an accessible format Principles and Practice of Geriatric Psychiatry is an essential read for psychiatrists geriatricians neurologists and psychologists It is of particular use for instructors of general psychiatry programs and their residents

Rehabilitation Interventions

for the Institutionalized Elderly Ellen D Taira,2022-03-01 Gerontology professionals offer suggestions to enrich the quality of rehabilitation services offered to the institutionalized elderly This exciting volume examines up to the minute ideas some that would have been unlikely even a few years ago that focus exclusively on rehabilitation services for the institutionalized elderly Despite the strong move toward more community health services in the last decade the essential role of the nursing home in the long term care continuum is continuing to expand Perspectives on the response of elderly persons to therapeutic interventions are addressed including the positive effects of such techniques as touch in therapy group psychotherapy and verbal and activity interventions A significant exploration of the use of technological applications to promote independent living adds a new dimension to the use of technology in the field of gerontology often a mixed blessing to chronically ill persons *Rehabilitation of the Aging and Elderly Patient* Susan J. Garrison,1994

taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of Rehabilitation Of The Older Person eBooks, including some popular titles.

FAQs About Rehabilitation Of The Older Person Books

What is a Rehabilitation Of The Older Person PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rehabilitation Of The Older Person PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rehabilitation Of The Older Person PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rehabilitation Of The Older Person PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rehabilitation Of The Older Person PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
