Physics to Energy Healing Johanna Blomqvist, 2018-05-22 What is the energy transmitted in energy healing What can science and research say about energy healing Doesn t modern science rule out phenomena like this Does energy healing work and if so how Physicist Johanna Blomqvist s book will give answers to these questions Astonishing accounts of healings omitted by mainstream media led her to a journey that is still continuing In the book she tells about her path to energy healing and her own extraordinary experiences The obvious question was how to fit these experiences to the scientific model she had learned Energy healing and such topics as subtle energy the effect of mind on healing and remote healing are usually perplexing to those used to an everyday materialistic worldview In the book energy healing is approached from the viewpoint

of known modern science Could quantum physics give answers to energy healing After all one could say that according to quantum physics we are all one and the same vibrating energy at the subatomic level Besides quantum physics the book also addresses the questions of mind and consciousness The book has been written as an aid to those who wish to broaden their horizons or are already practicing energy healing yet could use tools for telling others about it The book is also meant for everyone who may be seeking support from complementary medicine About the Author Johanna Blomqvist Ph D is a physicist entrepreneur Reiki master teacher remote energy healer and internationally published author In her work she combines a wide variety of fields and methods in a unique way often discussing topics from the cutting edge and unconventional areas of science Blomqvist is also a sought after lecturer and trainer Blomqvist s first book From Quantum Physics to Energy Healing A Physicist s Journey to Mind and Healing was published on Amazon on May 2018 She has written also Hyperreality Beyond the Horizon where Physics Meets Consciousness 2021 and The Mystery of Water A Physicist s Dive into Our Deepest Essence In her book From Quantum Physics to Energy Healing A Physicist s Journey to Mind and Healing Dr Johanna Blomqvist provides a stimulating and informative introduction to the phenomenon of anomalous energy healing along with the story of her own journey of exploration I heartily recommend it to anyone who is drawn to the topic of alternative healing and desires to learn more about it Brenda Dunne President ICRL International Consciousness Research Laboratories
