Studies in Intelligence, 2018 **Ivor Gurney & Marion Scott** Pamela Blevins, 2008 This dual biography of Ivor Gurney and Marion Scott tells the dramatic story of two geniuses who met at the Royal College of Music in 1911 and formed an unlikely partnership that illuminated and enriched the musical and literary worlds in which they moved Gurney's poetry and songs have taken their place as part of the inheritance of England Scott Gurney's strongest advocate emerges from his shadow for the first time Her own remarkable achievements as a pioneering music critic musicologist advocate of

contemporary music and women musicians place her among the most influential and respected women of her generation Based on original research this is the first biography of Gurney since 1978 and the only biography of Scott It offers new in depth perspectives on Gurney s attempts to create music and poetry while struggling to overcome the bipolar illness that eventually derailed his genius and restores Marion Scott s rightful place in music history

The Russian Revolution and Civil War 1917-1921 Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state
