which corresponded in ancient philosophy to the earth's seasons of Spring Summer and Fall When this request was made of Elwood Babbitt's chief assistant in spirit Dr Frederick Fischer Fischer said Hapgood was asking for the All In All Hapgood found on investigation that the highest thought of India was indeed monotheistic that Vishnu was accepted as the One the Universal Spirit of which Brahma and Siva were aspects Fischer said that bringing in the total Force of the universe to express through the body of a medium had never been done before but he thought it could be done and he accomplished it but not without mortal danger to the medium Exposed to too great an energy Babbitt became very ill and for several weeks it seemed he was unlikely to survive Fischer however managed to moderate the vibrational force so that the transmissions could continue Hapgood interrogated Vishnu attempting to cover as wide an area as possible to answer questions in the minds of people Tape recordings were made and these will be available to the public in due course After the recordings were transcribed Hapgood edited the texts to clarify any expressions that were confused owing to minor distortions of language because of distortions of the vibrations coming through Babbitt's brain The result is a comprehensive and clear work avoiding technicalities of philosophy or dogma and concentrating on the problem of assisting all those who wish to devote themselves to the path of spiritual growth *Catalog of Copyright Entries, Fourth Series* Library of Congress. Msc. D.D.,2022-08-01 Our Father which art in heaven begins one of the great lessons taught by Jesus When we hear the words Our Father we are often impressed with an image of a great man with white hair watching over us from heaven above steering our lives As humans we seek a parental authority to tell us when we are straying from optimal behavior It is a primal need In that light the Bible provides us with instructions dictated by a personified God to the masters of the past whose stories are forever preserved in scripture But who is God The first of those biblical stories gives us a clue that we are created in the image of God In those words we infer that since we are human beings we must have been created in the image of an omnipotent humanlike being But is that God Is God a man at all In this book Randy Doster explores these questions and shows us how since ancient times humanity has recognized both masculine and feminine aspects of Creation In male dominated cultures the masculine creative aspect of God has become the dominant image but even in the Lord s Prayer we call on the feminine nurturing aspects of God to give us our daily bread Ancient cultures and philosophies recognized the presence of both masculine and feminine aspects of Creation not necessarily as people but as the creative and nurturing forces of nature that pervade everything which survive in some faith traditions today Some refer to Mother Father God to honor those aspects of Creation that thrive within and around us As we explore these ideas we discover that we are creative and nurturing beings created in the image of a creative and nurturing lifeforce we lovingly refer to as God These pages take you on a journey which reveals new ways of looking at the truth that has always existed They reveal a different way of expressing God not a man in the clouds but a force of life that pervades within us just as it pervades everything around us As we explore our inner truth we find that there is naught else but God serving our highest good What we perceive as good and bad are not judgments of a humanlike deity but our own human perceptions of human life human morals and human judgment All is God All is Good All is Inside the Light Ellen Wallace Douglas,2017-11-02 But choose the spirit and all Heaven bends to touch your eyes and bless your holy sight that you may see the world of flesh no more except to heal and comfort and to bless ACIM T 31 VI 1 8 *A Daughter of Kings #3 - Rebirth (Graphic Novel Part 3, Tablet Edition)* Robert Stanek,2014-05-02 Mesmerizing One of the best graphic novels I ve ever read Reminiscent of George R R Martin J R R Tolkien and Robert Jordan with a dash of Stephen King Emily Asimov author of TORN From 1 Bestselling author Robert Stanek comes a dazzling new graphic novel series A Daughter of Kings tells the never before told story of Delinna Alder and her descent into permanent exile from her beloved homeland of Great Kingdom The second of three daughters of King Andrew Alder Delinna makes a fateful pact with the Watcher Xith who was seeking one of the legendary orbs of power When the Watcher returns after years of searching Delinna is forced to make a terrible choice between her life of leisure and doing what her destiny is leading her to And thus the ruin of her life begins As she struggles to overcome a dark fate everything and everyone around her falls into ruin and chaos Threaded through all four parts of this fantastic graphic novel are the tragic events that will eventually tear nations apart and destroy worlds Read A Daughter of Kings 1 Betrayal first continue on
