organizations and businesses **A History of Modern Russia from Nicholas II to Vladimir Putin** Robert Service, 2005 Robert Service here presents a comprehensive overview of 20th century Russian history that treats the years from 1917 to 2000 as a single period and analyses the peculiar mixture of political economic and social ingredients that made up the Soviet compound Gay Lives and 'Aversion Therapy' in Brezhnev's Russia, 1964-1982 Rustam Alexander, 2023-11-24 This book examines the autobiographies and diaries of Soviet homosexual men who underwent psychotherapy during the period from 1970 to 1980 under the guidance of Yan Goland a psychiatrist sexopathologist from Gorky The examination of these unique and little known documents contributes to our scant knowledge about the practices that many would call a Soviet proto type of aversion therapy It also helps us understand the way homosexual people faced queer dilemmas of the self and how they sought to reconcile their queer desire with being Soviet **Literature, History and Identity in Post-Soviet Russia, 1991-2006** Rosalind J. Popular Religion in Russia Stella Rock,2007-09-10 This book dispels the widely held view that paganism survived in Russia alongside Orthodox Christianity demonstrating that double belief dvoeverie is in fact an academic myth Scholars citing the medieval origins of the term have often portrayed Russian Christianity as uniquely muddled by paganism with double believing Christians consciously or unconsciously preserving pagan traditions even into the twentieth century This volume shows how the concept of dvoeverie arose with nineteenth century scholars obsessed with the Russian folk and was perpetuated as a propaganda tool in the Soviet period colouring our perception of both popular faith in Russian and medieval Russian culture for over a century It surveys the wide variety of uses of the term from the eleventh to the seventeenth century and contrasts them to its use in modern historiography concluding that our modern interpretation of dvoeverie would not have been recognized by medieval clerics and that double belief is a modern academic construct Furthermore it offers a brief foray into medieval Orthodoxy via the mind of the believer through the language and literature of the period
