Fischer, Erika J. Fischer, 2012-02-14 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917 Nowadays there are prizes in 21 categories from the fields of journalism literature and music The Pulitzer Prize Archive presents the history of this award from its beginnings to the present In parts A to E the awarding of the prize in each category is documented commented and arranged chronologically Part F covers the history of the prize biographically and bibliographically Part G provides the background to the decisions Critical Companion to Toni Morrison Carmen Gillespie, 2007 Toni Morrison winner of the Nobel Prize in Literature in 1993 is perhaps the most important living American author This work examines Morrison s life and writing featuring critical analyses of her work and themes as well as entries on related topics and relevant people places and influences Stories of Childhood Dean W. Duncan, 2015-11-03 This study questions the widely held perception that books as an artistic medium are superior to and more respectable than film or television sometimes considered frivolous and pernicious Criticism of both the big and small screens often obscures their signal accomplishments and the entertainment and insight they provide The author analyzes our distaste for these media and the romanticizing of the printed word that accompanies it and argues that books and films are in fact quite complementary A broad survey of film and TV offerings

explores what enacted narratives have taught us about the nature of childhood *William Faulkner* David Minter,1997-10-16 Minter shows that Faulkner s talent lay in his exploration of a historical landscape and that his genius lay in his creation of an imaginative one According to Minter anyone who has ever been moved by William Faulkner s fiction who has ever tarried in Yoknapatawpha County will find here a sensitive and readable account of the novelist s struggle in art and life **Complete Biographical Encyclopedia of Pulitzer Prize Winners 1917 - 2000** Heinz-D. Fischer,2011-05-02 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917 Nowadays there are prizes in 21 categories from the fields of journalism literature and music The Pulitzer Prize Archive presents the history of this award from its beginnings to the present In parts A to E the awarding of the prize in each category is documented commented and arranged chronologically Part F covers the history of the prize biographically and bibliographically Part G provides the background to the decisions Shakespeare and Faulkner Karl F. Zender,2021-06-02 Shakespeare and Faulkner explores the moral and ethical dilemmas that characters face inside themselves and in their interactions with others in the works of these two famed authors Karl F Zender s characterological study offers insightful critically rigorous and at times quite personal analyses of the complicated figures who inhabit several major Shakespeare plays and Faulkner novels The two parts of this book the first of which focuses on the English playwright the second on the Mississippi novelist share a common methodology in that they originate in Zender s history as a teacher of and writer on the two authors who until now he generally approached separately He emphasizes the evolving insights gleaned from reading these authors over several decades situating their texts in relation to shifting trends in criticism and highlighting the contemporary relevance of their works The final chapter an extended discussion of Faulkner s *Intruder in the Dust* attempts something unusual in Zender s critical practice It relies less on the close textual analysis that characterizes his previous work and instead explores the intersections between events depicted in the novel and his own life both as a child and as an adult Shakespeare and Faulkner speaks to the power of literature as a form of pleasure and of solace With this work of engaged and thoughtful scholarly criticism Zender reveals the centrality of storytelling to human beings efforts to make sense both of their journey through life and of the circumstances in which they live
