Religion And Dalit Liberation An Examination Of Perspectives:

Religion and Dalit Liberation John C. B. Webster, 2002 Revised version of three lectures on the views of Dr Bhimrao Ramji Ambedkar on dalits **Dalit Theology and Dalit Liberation** Peniel Rajkumar, 2016-05-13 In fulfilling the long awaited need for a constructive and critical rethinking of Dalit theology this book offers and explores the synoptic healing stories as a relevant biblical paradigm for Dalit theology in order to help redress the lacuna between Dalit theology and the social practice of the Indian Church Peniel Rajkumar s starting point is that the growing influence of Dalit theology in academic circles is incompatible with the praxis of the Indian Church which continues to be passive in its attitude towards the oppression of the Dalits both within and outside the Church The theological reasons for this lacuna between Dalit theology and the Church s praxis Rajkumar suggests lie in the content of Dalit theology especially the biblical paradigms explored which do not offer adequate scope for engagement in praxis *Talisman, Extreme Emotions of Dalit Liberation* Thirumaavalavan, 2003 Translated For The First Time Into English From The Original Tamil These Essays Present The Characteristically Honest And Uncompromising Views Of Thirumaavalavan A Leading Dalit Intellectual And Mla Of The Viduthalai Chiruthaigal Or The Liberation Panthers Of Tamil Nadu Hard Hitting Courageous Thought Provoking This Collection Shows New Directions In Dalit Politics *Untouchable Bodies, Resistance, and Liberation* Joshua Samuel, 2020-02-25 In *Untouchable Bodies Resistance and Liberation* Joshua Samuel constructs an embodied comparative theology of liberation by comparing divine possessions among Hindu and Christian Dalits in South India Critiquing the problems inherent in prioritizing texts when studying religious traditions Samuel calls for the need to engage in body and people centered interreligious learning This comparative theological reading of ecstatic experiences of the divine in Dalit bodies in Hinduism and Christianity brings out the powerful liberative potential inherent in the bodies of the oppressed enabling us to identify alternative modes of resistance and new avenues of liberation among those who are dehumanized and discriminated and to find deeper and meaningful ways of speaking about God in the context of oppression **Annual Review of the Sociology of Religion. Volume 4 (2013)**, 2013-11-21 Prayer is a phenomenon which seems to be characteristic not only of participants in every religion but also men and women who do not identify with traditional religions It can be practised even by those who do not believe either in a God or transcendent force In this sense therefore we may assert that the prayer is a typically human activity that has accompanied the development of different civilizations over the course of the centuries Both the material issues of concrete daily life as well as more symbolic elements expressed through words gestures body positions and community celebration are brought together in the act of praying *On the Banks of Ganges* Felix Wilfred, 2002 The Limits of Tolerance C.S. Adcock, 2014 This book provides a critical history of the distinctive tradition of Indian secularism known as Tolerance Examining debates surrounding the activities of the Arya Samaj a Hindu reform organization regarded as the exemplar of intolerance it finds that Tolerance functioned to disengage Indian

secularism from the politics of caste *Dalits' Struggle for Social Justice in Andhra Pradesh (1956-2008)* Akepogu Jammanna, Pasala Sudhakar, 2016-12-14 The complete alienation of Dalits from resources like land water and agricultural implements has led to the collective demand for an equal share in productivity This book discusses the range of socio economic and cultural problems faced by the Dalit community The movement advancing the rights of Dalits took place both before and after independence however they varied in intensity and concerned land ownership and fair wages self respect social dignity and the demand for equal rights This movement appeared to have significantly changed the very mindset and attitude of upper caste people to restrain themselves and not to resort to any discrimination or humiliation of Dalits However this seems to have been only a temporary phenomenon and the practice of suppression and humiliation continues today This book explores the circumstances of Dalits in the Indian state of Andhra Pradesh and the current efforts attempting to achieve more social equality for the caste here *Subalternity and Difference* Gyanendra Pandey, 2013-03-01 Focusing on concepts that have been central to investigation of the history and politics of marginalized and disenfranchised populations this book asks how discourses of subalternity and difference simultaneously constitute and interrupt each other The authors explore the historical production of conditions of marginality and minority and challenge simplistic notions of difference as emanating from culture rather than politics They return thereby to a question that feminist and other oppositional movements have raised of how modern societies and states take account of and manage social economic and cultural difference The different contributions investigate this question in a variety of historical and political contexts from India and Ecuador to Britain and the USA The resulting study is of invaluable interest to students and scholars in a wide range of disciplines including History Anthropology Gender and Queer and Colonial and Postcolonial Studies **Christianity and Education** David Emmanuel Singh, Bernard C. Farr, 2011-10-14 Christianity and Education is a collection of papers published in Transformation An International Journal of Holistic Mission Studies over a period of 15 years It brings to life some of the papers that lay buried in shelves and in disparate volumes of Transformation under a single volume for theological libraries students and teachers The articles here represent a spectrum of Christian thinking addressing issues of institutional development for theological education theological studies in the context of global mission contextually aware informed education and academies which deliver such education methodologies and personal reflections *Sikhs in Europe* Kristina Myrvold, 2016-04-01 Sikhs in Europe are neglected in the study of religions and migrant groups previous studies have focused on the history culture and religious practices of Sikhs in North America and the UK but few have focused on Sikhs in continental Europe This book fills this gap presenting new data and analyses of Sikhs in eleven European countries examining the broader European presence of Sikhs in new and old host countries Focusing on patterns of migration transmission of traditions identity construction and cultural representations from the perspective of local Sikh communities this book explores important patterns of settlement institution building and cultural transmission among European Sikhs

Identities in South Asia Vivek Sachdeva, Queeny Pradhan, Anu Venugopalan, 2019-04-09 This book examines how identities are formed and expressed in political social and cultural contexts across South Asia. It is a comprehensive intervention on how why and what identities have come to be and takes a closer look at the complexities of their interactions. Drawing on an interdisciplinary approach combining methodologies from history literary studies politics and sociology this book explores the multiple ways in which personal and collective identities manifest and engage are challenged and resisted across time and space. Highlights how the shared history of colonialism and partition communal violence bloodshed and pogrom are instrumental in understanding present day developments in identity politics. Sheds light on a number of current themes such as borders and nations race and ethnicity identity politics and fundamentalism language and regionalism memory and community and resistance and assertion. A key volume in South Asian Studies this book will be of great interest to scholars and researchers of modern South Asian history politics sociology literary studies and social exclusion.

Christians and Public Life in Colonial South India, 1863-1937 Chandra Mallampalli, 2004-07-31 This book tells the story of how Catholic and Protestant Indians have attempted to locate themselves within the evolving Indian nation. Ironically British rule in India did not privilege Christians but pushed them to the margins of a predominantly Hindu society. Drawing upon wide ranging sources the book first explains how the Indian judiciary's official knowledge isolated Christians from Indian notions of family caste and nation. It then describes how different varieties and classes of Christians adopted resisted and reshaped both imperial and nationalist perceptions of their identity. Within a climate of rising communal tension in India this study finds immediate relevance.

The Sacred in Twentieth-Century Politics R. Griffin, R. Mallett, J. Tortorice, 2008-11-05 The emerging shape of the post Cold War world provides evidence that rather than diminishing the profound intersection of political ideology and religious forms of belief is an ever more potent force in world affairs. This volume offers both theoretic underpinnings and a comparative analysis that elucidates this potent and dangerous phenomenon.

Forrester on Christian Ethics and Practical Theology Duncan B. Forrester, 2017-05-15 Bringing together articles and chapters from his considerable work in theological ethics India and the social order Duncan Forrester incorporates new writing and introductions to each thematic section to guide readers through this invaluable resource. This book offers stimulating studies in three related areas Indian Christianity with particular

attention to the caste system contemporary Christian theological ethics and the distinctive and challenging theological approach that Duncan Forrester has developed in relation to public issues such as prisons and punishment welfare provision social justice and poverty

A Social History of Christianity John C.B. Webster, 2018-12-22 The Christian community in India emerged from an Indian rather than a foreign or an imperial context Its internal dynamics were shaped far more by Indian social realities than by missionary designs This book presents a comprehensive social history of Christianity in north west India comprising Jammu and Kashmir Himachal Pradesh Punjab Haryana the Union Territories of Delhi and Chandigarh and the Pakistani Punjab and North West Frontier Province The book discusses significant events in the history of the north west up to 1947 after which it focuses only on India These events left a lasting impact on Christianity and shaped its future course culminating in the transfer of churches power from foreign missionaries to Indians and proliferation of churches and the ongoing struggles of the Christian community The author pays special attention to the Christian community's caste composition how caste status and social mobility affected intra and inter community relations religious diversity uneven demographic distribution and development as well as Christianity as a religious movement in the region

Crossroad Discourses between Christianity and Culture, 2010-01-01 Christianity exists in relation to and interacts with its cultural environment in a number of ways In this volume authors from a wide variety of backgrounds explore various facets of the relationship and interaction of Christianity with its cultural environment politics society esthetics religion and spirituality and with itself Divided into three main sections Crossroad Discourses between Christianity and Culture looks at the interaction of Christianity with culture in the first section with other religions and spiritualities in the second and finally with itself in the third The contributions engage in a critical examination of not only the culture in which Christianity finds itself but also in a critical examination of Christianity itself and its interaction with that culture The editors hope that teachers students and readers in general will profit greatly from the critical articles contained in this book

Godroads Peter Berger, Sarbeswar Sahoo, 2020-10-29 Investigates processes of conversion in India from a comparative multi disciplinary and theoretical perspective between within and across religious traditions

The Nirankari Sikhs John C.B. Webster, 2018-05-01 This is a new edition of Dr Webster's *The Nirankari Sikhs* 1979 which has been recognized as single most important work on the history of Baba Dayal and his successors It updates the earlier edition not only by dealing with the past forty years of Nirankari history but also by taking into account subsequent scholarship on the history of Sikhism especially during the first half of the nineteenth century Further it also provides two additional primary sources of nineteenth century Nirankari history along with the nine included in the earlier edition This new edition will be of value not only to those scholars interested in Nirankari history but also to those seeking a fuller understanding of the evolution of Sikh identity since the nineteenth century Sikh identity has been a major issue for Nirankaris in recent decades because they have been confused with the Sant Nirankari Mandal which makes no claims to a Sikh identity Nirankaris like other Sikhs base their beliefs and practices upon

the Guru Granth Sahib and revere the ten Sikh gurus For this reason they view themselves and are considered by other Sikhs to be minority group within Sikhism They are distinguished from other Sikhs most obviously in not fully embracing the Khalsa tradition of the Sikhs and in having a continuing hereditary line of human gurus How such similarities and differences have affected their own and the very nature of Sikh identity over the past two centuries is an important part of this history Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka
