Religion And Politics In Iran:

Post-revolutionary Politics in Iran David Menashri, 2001 The first part of this book examines domestic developments and their influence on Iran's policy and posture The second explores Iran's regional ambitions and politics The Mantle of the Prophet Roy P. Mottahedeh, 2008-10 Informed by eyewitness testimony the foremost account of Iran's 1979 Revolution and its impact today Drawn from the first hand accounts of eyewitnesses Roy Mottahedeh's absorbing tale of Islam and Politics in revolutionary Iran is widely regarded as one of the best records of that turbulent time ever written This revised edition includes a new chronology detailing events in Iran from the revolution right up to the present day and Ahmadinejad's controversial regime There is simply no better resource for understanding Iran's past present and future *Religion, Culture and Politics in Iran* Joanna de Groot, 2000-08-01 This book offers a new interpretation to the social history of religion in Iran from the 1870s to the 1970s It aims to situate the revolutionary upheavals of 1977-82 in an extensive narrative context of historical developments over the preceding century and to relate the religious elements in that history to other social and cultural issues In the author's analysis Iran's revolution was complex and contingent on a range of factors rather than a simple or inevitable outcome of the nature of the Iranian state or the nature of religion in Iran The focus of the argument is on the human responses of Iranians to their experiences and problems in all their diversity and on the rich variety and complexity of relationships between religion and other aspects of life thought and culture in the daily life of Iranians The Mantle of the Prophet Roy Mottahedeh, 1985 *Faith and Politics in Iran, Israel, and Islamic State* Ori Goldberg, 2018 Considers political theologies formulated in Iran and Israel over the course of the twentieth century Iran Nikki R. Keddie, 2013-10-28 First Published in 1983 This book brings together the best of Professor Keddie's articles on Iran both published and newly written and spans almost two decades Long before the current religious political alliance in Iran startled the world and toppled the Shah Prof Keddie undertook a series of studies that reveal the social economic doctrinal and political roots of what she was the first to call the Religious Radical alliance in Iran Religion and Politics in Contemporary Iran Shahrough Akhavi, 1980-06-30 Indispensable for understanding the recent conflicts in Iran Religion and Politics in Contemporary Iran provides a political history of the fluctuating relationships between the Islamic clergy and Iranian government since 1925 How different factions of the clergy or ulama first lost and then regained a powerful position in Iran is the subject of this book Akhavi analyzes how various factions within the clergy have responded to the government's efforts to encourage modernization and secularization giving particular attention to the changes in the madrasahs or theological colleges He examines the main themes of the Ayatollah Khomeini's book Islamic Government and concludes by examining the alignments among the clergy in the past that indicate how they may develop in the future *Religion and State in Iran 1785-1906* Hamid Algar, 2023-07-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice

reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1969 [Shia Islam and Politics](#) Jon Armajani,2020-05-20 This book argues that ever since Iran s Islamic Revolution in 1979 which established a Shia Islamic government in Iran that country s religious and political leaders have used Shia Islam as a crucial way of expanding Iran s objectives in the Middle East and beyond Since 1979 Iran s religious and political leaders have been concerned about Iran s security in the face of the hostility and expansionism of the United States and other western countries and the threats from powerful neighboring Sunni leaders and countries While Iran s government has attempted to align itself with Shia Muslims in various countries such as Iraq and Lebanon against American and Sunni expansionism the Iranian government has attempted to religiously nourish and politically mobilize those Shias as a matter of principle not only because of the Iranian government s desires to protect Iran from external threats The book analyzes Shia Islam and politics in Iran Iraq and Lebanon which have among the largest proportional Shia populations in the Middle East and are vibrant centers of Shia intellectual life The book s clear and jargon free approach make it especially accessible for students and general readers who would like an introduction to the book s topics **The Mantle of the Prophet** Roy P. Mottahedeh,2009 *Islam and Dissent in Postrevolutionary Iran* Behrooz Ghamari-Tabrizi,2008-04-08 The Iranian revolution of 1979 overhauled not only the foundations of Iranian society religion and politics but also our understanding of the role of religion in modern government Here Behrooz Ghamari Tabrizi takes us on an enlightening journey showing that the revolution unintentionally opened up the public sphere to competing interpretations of Islam Far from being the exclusive preserve of high ranking seminarians as before in contemporary Iran lay theologians intellectuals lawyers and social activists are active and influential interlocutors in debates on the meaning of Islam A key figure is philosopher Abdolkarim Soroush a leading force behind Iran s pro democracy movement and vocal critic of the state Through a close reading of Soroush s writings and by tracing the links between Muslim intellectual critique and the realpolitik of postrevolutionary power struggles Ghamari Tabrizi offers nothing less than a pathbreaking reassessment of the Iranian revolution With powerful insights *Islam and Dissent* is essential for an understanding of the Muslim world today as of the new relationships between religion politics and democracy visible across the globe *Islam and politics* a very important topic especially re Iran Soroush is a key figure in Iran and in Middle East generally This title is recommended by star academics in the field of Islam and politics [The Political System of the Islamic Republic of Iran](#) M. Mahmood,2006 The book is an authentic and authoritative introduction to the contemporary political establishment in Iran The book analyses incisively the political system of the Islamic Republic of Iran Students research scholars of political science will find the study informative and unique in treatment on politics and prove beneficial for study

Religion and Politics in Modern Iran Lloyd Ridgeon,2005-12-02 The first comprehensive anthology of texts to do justice to modern Iranian political thought containing many crucially important texts appear here for the first time in English

This work is unique in its emphases on questions of gender and Sufism in Iran Covering the last hundred years of Iranian history Religion and Politics in Modern Iran introduces students to some of the most crucial political and religious texts of the period Writers represented here include Seyyid Jamal al Afghani Shaykh Fazlallah Nuri Ahmad Kasravi Ali Shari ati Ayatollah Khomeini and Mehrangiz Kar Many of these writings have become core texts for students of Middle East studies religious studies and Islamic studies while others while just as important are difficult to find or have never appeared before in English It is noteworthy in that it offers fifteen chapters of substantial length each of which is preceded by an introduction discussing the significance of the piece and placing each writer in their historical context Religion and Politics in Modern Iran is an immensely timely publication for students who wish to know not only about the past hundred years in Iran but also about the continuing trends in the country that move far beyond simplistic ideas about Iran s role in an axis of evil

Iran and the Muslim World: Resistance and Revolution N. Keddie,1995-04-03 This book consists of a series of interrelated chapters analyzing why Iran among all countries has seen so many revolutionary movements in the past century the degree to which its religion Shi ism is revolutionary and the history of revolutionary and resistance movements in the modern Muslim world The author stresses historical change such as the change of Twelver Shi ism from political quietism to revolutionary opposition and also previously unnoticed factors in revolution such as the multi urban character of all Iran s modern revolutions

Religion, Culture, and Politics in Pre-Islamic Iran Bruce Lincoln,2021-06-22 In Religion Culture and Politics in Pre Islamic Iran Bruce Lincoln offers a vast overview on different aspects of the Indo Iranian Zoroastrian and Pre Islamic mythologies religions and cultural issues The book is organized in four sections according to the body of evidence they engage most directly Avestan Old Persian Pahlavi and Iranian materials in comparison with other data including studies of myths especially those with cosmogonic implications ritual practices cosmological constructions of space and time points of intersection between religion ethics law and politics ideological aspects of scientific and medical theorizing social organization and gender relations and other diverse topics

Vanguard of the Imam Afshon Ostovar,2016 Iran s Revolutionary Guards are one of the most important forces in the Middle East today but remain poorly understood to outside observers In Vanguard of the Imam Afshon Ostovar has written the first comprehensive history of the organization Situating the rise of the Guards in the contexts of Shiite Islam Iranian history and international affairs Ostovar takes a multifaceted approach in demystifying the organization and detailing its evolution since 1979 The book documents the Guards transformation into a power player and explores why the group matters now more than ever to regional and global affairs It is simultaneously a history of modern Iran and an engrossing entryway into the complex world of war politics and identity in the Middle East

Religion, politics and ethnicity in iran: investigating the case of the sunni deobandis Hoshang Noraiee,2022-06-30 This project evolved out of my research on several other top ics concerning militant Islam among Sunnis in Iran Deobandis and female Deobandi madares Since then several more informants have sincerely come forward to help me

update my information on the current research Women and the Political Process in Twentieth-Century Iran Parvin Paidar,1997-07-24 In a challenging and authoritative analysis of the role of Iranian women in the political process Parvin Paidar considers the ways they have been affected by the evolutionary and revolutionary transformations of twentieth century Iran In so doing she demonstrates how political reorganisation has of necessity redefined the position of women and that contrary to the view of conventional scholarship gender issues are fundamental to the political process in contemporary Iran The implications of the study bear on the broader issues of women in the Middle East and the developing countries generally **Religion and Societies** Carlo Caldarola,2011-06-01 The series Religion and Society RS contributes to the exploration of religions as social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series *Islam, Politics, and Social Movements* Edmund Burke (III),Ira M. Lapidus,Ervand Abrahamian,1988 Taken together the essays in this work not only provide new research essential to the study of Islamic societies and Muslim peoples but also set a new standard for the concrete study of local situations and illuminate the forces shaping the history of modern Muslim societies This collection is unique in its sophisticated interpretation of the social protest and political resistance movements in Muslim countries during the nineteenth and twentieth centuries The contributors take two principal approaches to the study of their subject Utilizing new cultural history they explore how particular movements have deployed the cultural and religious resources of Islam to mobilize and legitimize insurgent political action Others rely on new social history to study the economic political and social contexts in which movements of anti colonial resistance and revolution have developed This work brings together contributions from specialists on Islamic North Africa Egypt the Arab fertile crescent Iran and India
