The Lack of the Spiritual Father Pastor Edgar Baez JD., 2019-08-30 As a criminal defense attorney and as a pastor the author has noticed that for the most part not every man that he represents or counsels has had a father figure in his life let alone a spiritual one nor every man has had a good father involved in his life however every man deserves to be all that our Creator intended us to be a man after God's own heart Just like King David This book was born out of fact that the Body of Christ is the salt of the Earth As such we must recognize that although not every man has had a spiritual father every man is commanded to be the spiritual leader of his household This requires a process by which these men who were not afforded the opportunity of a spiritual father and that would otherwise not know

this would be able to learn and subsequently help other men achieve the same spiritual maturity required in our Christian walk

Believing Again Daniel Taylor, 2025-02-24 The numbers are alarming at least to people of faith Many especially the young are leaving the church and abandoning faith in God Social scientists have for decades been documenting with numbers what church leaders and families have experienced directly What is much less noted and evaluated is the substantial number of those who leave faith and the church and eventually come back to both Why people leave is an important question but so is why people return a question much less often addressed Once people have made a clear and conscious break with their religious convictions and practice what leads many to return This book explores this important question primarily through listening to the stories these people tell It relies on stories not numbers allowing people to tell their own stories in their own words both why they left and why they returned One discovers from listening to their stories that there are recurring patterns People leave faith for common reasons and they also return for common reasons In fact many return for the flip side of why they left The shared factor in all returns is God's relentless love for each of them
