Howard, 2012-04-01 You will find my story is a lot like pie a strawberry rhubarb pie It s bitter It s messy It s got some sweetness too Sometimes the ingredients get added in the wrong order but it has substance it will warm your insides and even though it isn t perfect it still turns out okay in the end When journalist Beth M Howard s young husband dies suddenly she packs up the RV he left behind and hits the American highways At every stop along the way whether filming a documentary or handing out free slices on the streets of Los Angeles Beth uses pie as a way to find purpose Howard eventually returns to her Iowa roots and creates the perfect synergy between two of America s greatest icons pie and the American Gothic House the little farmhouse immortalized in Grant Wood s famous painting where she now lives and runs the Pitchfork Pie Stand Making Piece powerfully shows how one courageous woman triumphs over tragedy This beautifully written memoir is ultimately about hope It s about the journey of healing and recovery of facing fears finding meaning in life again and moving forward with purpose and eventually joy It s about the nourishment of the heart and soul that comes from the simple act of giving to others like baking a homemade pie and sharing it with someone whose pain is even greater than your own And it tells of the role of fate second chances and the strength found in community
