*Simplified Precision Club Bridge Bidding System* Ken Casey, 2021-08-23 This book incorporates the 2 1 Game Force bidding system for opening majors and the Casey Simplified Precision Club system for opening minors This book simplifies the traditional Precision Club system by eliminating many of its unnecessary complications You will only need to add one new convention the opening 1 bid to your Standard American system This system enables the responder to know the opener's point count within a 2p range after the opener's rebid In addition the Casey Overcall will improve your part scores by hampering the opponents from finding their spade fit The book will also help you reach a new level by improving your slam bidding The advantage of using the Casey Bidding System is that you will open the hand 12.6% more often than with Standard American Ken has published more than 15 bridge books There are 5 core books as follows *Tournament Bridge for Beginning Players* 4th ed 2020 *Tournament Bridge for Intermediate Players* 5th ed 2021 *Tournament Bridge for Advanced Players* 4th ed 2021 *Tournament Bridge for Notrump Contracts* 4th ed 2020 and *Tournament Bridge Tips on Defense* 4th ed 2020 In addition Ken has published two books on bidding *The Casey Simplified Precision Club Bridge Bidding System* 2nd ed 2021 and *the Casey 2 1 Bridge Bidding System* 5th ed 2022 Ken served as a Russian interpreter during the Vietnam War and then spent over 30 years practicing as a tax attorney Ken also has an MBA in accounting and a CPA [Simplified Precision Bridge](#) C. *Simplified --- Second Edition* Neil H. Timm Ph. D., 2011-05-05 The 2 1 Game Force System is an improvement over the Standard American System that has been played by bridge players for years The clear advantage of 2 1 is that it allows a partnership to know that game is possible with only a single bid by the responder However a significant disadvantage is that the opener may have between 12 and 21 high card points HCP when opening one of a suit obviously a very wide range To remedy this situation one may employ the strong club system in contract or duplicate bridge know simply as Precision

**2/1 Game Force a Modern Approach - Second Edition** Neil H. Timm Ph. D.,2011-05-20 The 2 1 Game Force bidding system is an improvement over the Standard American System that has been in effect and played by bridge players for many years The advantage of the 2 1 system is that it allows the partnership to know that game is possible with only a single bid In this book I have tried to present the fundamental aspects of the bidding structure for playing a pure Two Over One Game Force system of bidding This is not a book on conventions it is a book about bridge that incorporates conventions that allow the partnership to reach game or slam In this regard I have incorporated modern methods for hand evaluation developed by Marty Bergen New bidding conventions like SARS Shape Asking Relays after Stayman Quest transfers and an overview of Bridge Rules and Laws that I hope will improve your approach to the bidding structure you may use today In this second edition I have included additional Bridge Rules expanded and added material in several sections and included many more conventions common to the 2 1 Game Force System This edition includes the Montreal club and diamond relay bids the Kennedy club the Kaplan interchange bid the Ekren 2 convention picture bids the forcing pass masked mini splinters the Ingberman and Ping Pong conventions and the Marvin two spades convention among others Finally a new chapter on Precision called Simplified Precision has been added
