Singapore Chinese Society In Transition:

Singapore Chinese Society in Transition Hong Liu, Sin Kiong Wong, 2004 As the first comprehensive study of its kind this book analyzes the dynamics processes mechanisms and consequences of socio economic and political changes in Singapore Chinese society from 1945 to 1965 By employing a wide range of primary materials that have been rarely used before the authors have demonstrated the multi dimensionality and complexity of the Chinese society in postwar Singapore which was full of vitality and politically active They argue that the combination of the internal dynamism and the changing socio political framework shaped the nature and characteristics of the Chinese community and its fundamental role in the making of modern Singapore This study is essential reading for an understanding of not only the Chinese politics and business networks in postwar Singapore but also the historical evolution of the newly independent Republic *Chinese Migrants Abroad:* Cultural, Educational, And Social Dimensions Of The Chinese Diaspora Michael W Charney, Tong Chee Kiong, Brenda S A Yeoh, 2003-04-03 Fast paced economic growth in Southeast Asia from the late 1960s until the mid 1990s brought increased attention to the overseas Chinese as an economically successful diaspora and their role in this economic growth Events that followed such as the transfer of Hong Kong and Macau to the People's Republic of China the election of a non KMT government in Taiwan the Asian economic crisis and the plight of overseas Chinese in Indonesia as a result and the durability of the Singapore economy during this same crisis have helped to sustain this attention The study of the overseas Chinese has by now become a global enterprise raising new theoretical problems and empirical challenges New case studies of overseas Chinese such as those on communities in North America Cuba India and South Africa continually unveil different perspectives New kinds of transnational connectivities linking Chinese communities are also being identified It is now possible to make broader generalizations of a Chinese diaspora on a global basis Further the intensifying study of the overseas Chinese has stimulated renewed intellectual vigor in other areas of research The transnational and transregional activities of overseas Chinese for example pose serious challenges to analytical concepts of regional divides such as that between East and Southeast Asia Despite the increased attention new data and the changing theoretical paradigms basic questions concerning the overseas Chinese remain The papers in this volume seek to understand the overseas Chinese migrants not just in terms of the overall Chinese diaspora per se but also local Chinese migrants adapting to local societies in different national contexts Chinese In Southeast Asia And Beyond, The: Socioeconomic And Political Dimensions Ching-hwang Yen, 2008-07-21 The Chinese in Southeast Asia with their growing economic clout have been attracting attention from politicians scholars and observers in recent decades The rise of China as a global economic power and its profound influence over Southeast Asia has cast a spotlight on the role of Southeast Asian Chinese in the region s economic relations with China The Southeast Asian Chinese as an economic force and their growing importance with China are to a certain extent determined by the nature and development of their communities. This book uses a multifaceted approach to

unravel the forces that helped to transform the communities in the past Containing 17 papers written within a span of six and a half years from 2000 to 2006 the book focuses on the social economic and political aspects of these communities with special emphasis on the Chinese in Malaysia and Singapore **Language and Society in Singapore** Evangelos A. **Southeast Asian Studies in China** Saw Swee-Hock, John Wong, 2007 Traces the Afendras, Eddie C. Y. Kuo, 1980 development of Southeast Asian Studies in China discusses the current status of these studies examines the problems encountered in the pursuit of these studies and attempts to evaluate their prospects in the years ahead Southeast Asia and Beyond Ching-Hwang Yen, 2008 The Chinese in Southeast Asia with their growing economic clout have been attracting attention from politicians scholars and observers in recent decades The rise of China as a global economic power and its profound influence over Southeast Asia has cast a spotlight on the role of Southeast Asian Chinese in the region's economic relations with China The Southeast Asian Chinese as an economic force and their growing importance with China are to a certain extent determined by the nature and development of their communities. This book uses a multifaceted approach to unravel the forces that helped to transform the communities in the past Containing 17 papers written within a span of six and a half years from 2000 to 2006 the book focuses on the social economic and political aspects of these communities with special emphasis on the Chinese in Malaysia and Singapore The Chinese Diaspora Laurence J. C. Ma, Carolyn L. Cartier, 2003 In this first book to explore the Chinese diaspora from geographical perspectives leading scholars in the field consider the profound importance of meanings of place and the spatial processes of mobility and settlement for the Chinese overseas They trace the Chinese diaspora everywhere it has become a significant force from Southeast Asia to Oceania North America Latin America and Europe Providing an important historical perspective the contributors analyze the sharp differences between sojourning Chinese prior to the 1960s and the transnational Chinese of the current era especially in terms of spatial distribution mobility economic status occupational structure and identity formation Anyone interested in the powerful phenomenon of Chinese migration will find this comprehensive work an Peranakan Chinese Identities in the Globalizing Malay Archipelago Leo invaluable resource Survadinata, 2022-02-21 Peranakan Chinese communities and their hybrid culture have fascinated many observers This book comprising fourteen chapters was mainly based on papers written by the author in the last two decades The chapters address Peranakan Chinese cultural national and political identities in the Malay Archipelago i e Indonesia Malaysia and Singapore IMS This book is divided into two parts Part I which is on the regional dimension contains nine chapters that discuss the three countries and beyond Part II consists of five chapters which focus on one country i e Indonesia This book not only discusses the past and the present but also the future of the Peranakan Chinese **Identity and Ethnic Relations in Southeast Asia** Chee Kiong Tong, 2010-08-03 Modern nation states do not constitute closed entities This is true especially in Southeast Asia where Chinese migrants have continued to make their new homes over a long period of time resulting in

many different ethnic groups co existing in new nation states Focusing on the consequences of migration and cultural contact between the various ethnic groups this book describes and analyses the nature of ethnic identity and state of ethnic relations both historically and in the present day in multi ethnic pluralistic nation states in Southeast Asia Drawing on extensive primary fieldwork in Malaysia Singapore Indonesia Burma Vietnam Thailand and the Philippines the book examines the mediations and transformation of ethnic identity and the social incorporation tensions and conflicts and the construction of new social worlds resulting from cultural contact among different ethnic groups *Voluntary Organizations in the Chinese* Diaspora Khun Eng Kuah-Pearce, Evelyn Du-Dehart, 2006-02-01 Do Chinese voluntary organizations continue to have a role in modern societies enmeshed in a globalizing world that questions continuation of the nation state and ethnic identity This book argues that Chinese voluntary organizations continue to play a significant role in both the established and new Chinese communities in the Diaspora They are able to do so because of their ability to transform their organizational structure and functions At the same time they are able to reinvent their own images to suit their co ethnic community and the wider polity The uniqueness of this volume lies in its integration of historical and contemporary approaches to the study of traditional Chinese voluntary organizations in the Diaspora The chapters explore how the Chinese voluntary organizations continue to fulfil the needs of the Chinese community in different parts of the world and do this by both localizing and globalizing their functions and roles in the countries where they have established roots The contributors cover traditional Chinese voluntary organizations from Asia to Australia North America and Europe examining not only their activities in established Chinese communities such as Singapore and Malaysia but also in the new emerging Chinese communities in Canada and Eastern Europe This allows the readers to compare and contrast the voluntary organizations across countries and across time Readership for this book includes scholars and students of Chinese Studies Asian Studies Anthropology Sociology Diaspora Studies History Social Organizations and the general educated Chinese population While East Meets West: A Chinese Diaspora Scholar And Social Activist In Asia-pacific Ching-hwang Yen, 2022-04-07 Born in South China before 1949 brought up and educated in Southeast Asia and Australia and having worked in Southeast Asia Australia and Hong Kong Professor Yen has a unique personal experience in telling the fascinating stories of the encounter and clashes of cultural and social values between East and West Imbued with many traditional Chinese cultural values such as diligence perseverance resilience and determination in this book he tells his life story of how he was determined to climb the pinnacle of scholarship As an ethnic minority in Australian society he devoted himself to fight for the interests of the Chinese diaspora and help promote multi culturalism in Australia This book also provides first hand source materials for the study of intellectuals from the Chinese diaspora studying and working in a Western university through his eyes his initial problem of adjusting to a new western environment his experience of cultural dislocation the clashes of cultural values and social mores his experience of racial discrimination and his pursuit of academic excellence The Oiaopi Trade and Transnational Networks in the Chinese

Diaspora Gregor Benton, Hong Liu, Huimei Zhang, 2018-05-03 Originating in the 1820s and used for 150 years thereafter giaopi is the name given in Chinese to letters written home by Chinese emigrants to accompany remittances Their key function was to preserve family ties Although such correspondence focused principally on the provision of economic support the giaopi also touched on cultural political educational and gender themes This book therefore seeks to examine the giaopi from two interconnected perspectives. One views giaopi from a political and institutional angle the other from a financial and social angle Bringing together the extensive research of a group of international scholars this multi authored volume sheds light on the larger significance of the giaopi for modern China Taking an empirical evidence driven approach the contributors employ a wide range of primary sources in both Chinese and English and relate their findings to scholarship in both the Chinese speaking world and in non Chinese interdisciplinary fields In so doing this book helps to bridge the gap between Chinese and English speaking researchers in the field of giaopi studies As one of the first books in English on the giaopi trade and its significance this book will appeal to students and scholars of Chinese history and Chinese migration as well in Migration Studies and Diaspora Studies more generally Of Gods, Gifts and Ghosts Terence Heng, 2020-12-02 How do individuals inscribe their spiritual identities and diasporic ethnicities in the city Through a series of sociological and photographic essays Terence Heng maps the various rituals collectives individuals and events that characterise Chinese religion practices in Singapore From spirit mediums to the Hungry Ghost Festival each chapter engages with the social the spatial and the ephemeral and in so doing it will explore the significance and relevance of Chinese religion in a secular nation state reveal the strategies and tactics used by diasporic individuals to perform and retain their identities uncover the importance of flow and fluidity in the making of sacred space and evidence the value and efficacy of the use of photographs in social research Of Gods Gifts and Ghosts is a ground breaking exploration into the intersections between visual sociology cultural geography and creative photographic practice A visual monograph that gives equal importance to image and text it interrogates the tensions between sacred and profane official and unofficial state and individual physical and spiritual peeling away the myriad layers of the spiritual imagination Language, Nation and Development in Southeast Asia Lee Hock Guan, Leo Suryadinata, 2007 Papers from a workshop on Language Nation and Development in Southeast Asia held in Singapore 2003 Language of Inequality Nessa Wolfson, Joan Manes, 1985 CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students researchers and practitioners in all of the social and language related sciences carefully selected book length publications dealing with sociolinguistic theory methods findings and applications It approaches the study of language in society in its broadest sense as a truly international and interdisciplinary field in which various approaches theoretical and empirical supplement and complement each other The series invites the attention of linguists language teachers of all interests sociologists political scientists anthropologists historians etc to the development of the sociology of language The Ethnic Chinese in the ASEAN States Leo Suryadinata, 1989 The bibliographical essays on

the studies of the ethnic Chinese in the ASEAN states will be extremely useful as it is the first monograph of its kind and also up to date It begins with a general overview on the studies of the ethnic Chinese in the ASEAN states and is followed by five country studies and two essays on specific topics All essays in this volume were written by specialists **BiblioAsia** National Library (Singapore), 2014 BiblioAsia ,2016-07 Southeast Asia D R SarDesai, 2012-12-23 A balanced accessible and authoritative account of the history of Southeast Asia from ancient to contemporary times Chinese Theatre Troupes in Southeast Asia Beiyu Zhang, 2021-05-27 A detailed account of the cultural history of the Chinese diaspora with a focus on the performers and audiences who were involved in the making of Chinese performing cultures in Southeast Asia Focusing on five different kinds of theatre troupes from China and their respective travels in Singapore Bangkok Malaya and Hong Kong Zhang examines their different travelling experiences and divergent cultural practices She thus sheds light on how transnational mobility was embodied practised and circumscribed in the course of troupes travelling sojourning and interacting with diasporic communities These troupes communicated diverse discourses and ideologies influenced by different social political movements in China and these meanings were further altered by transmission By unpacking multiple ways of performing Chineseness that was determined by changing time space constructions this volume provides valuable insight for scholars of the Chinese Diaspora Transnational History and Performing Arts in Asia
