Family and Population Changes in Singapore Wei-Jun Jean Yeung, Shu Hu, 2018-04-17 This book depicts the evolution of Singapore's family and population landscape in the last half a century the related public policies and future challenges Since the country gained independence in 1965 family and population policies have been integral to her nation building strategies The chapters discuss the changes in population compositions family structures relations and values among major ethnic groups They also discuss policies for vulnerable populations such as female headed households cross cultural families same sex partnering the elderly and low income families

Intercultural Variation in Family Research and Theory Roma S Hanks, Marvin B Sussman, 2014-05-12 Intercultural Variation in Family Research and Theory sets forth 23 critical reviews in a 2 volume set that document the development of family research and theory in various societies around the world Focusing on modern research while drawing on the historical roots of theoretical and methodological approaches employed in the study of family this collection not only increases your knowledge about the status of family research in various countries but also inspires cross national research among researchers and scholars The societies being studied have been grouped by region Volume I contains the set's Introduction and contributions from the Far East the Baltic region Australia and South Africa Volume II covers the Middle East Western Europe Scandinavia and also includes the Index The materials in these two volumes are the result of the charge given to scholars of 23 societies to review the development of family theory and research in their homelands Their obligation was to provide an analytic report telling a story from their perspective of reality The book's editors now present some of the commonality of experiences and trends of the researchers and interpret country differences and similarities from their writings Intercultural Variation in Family Research and Theory holds numerous suggestions for your investigations into the family field You'll find that the set adds to the body of knowledge on comparative family analysis and raises concerns and issues for future research The questions addressed in this book include how gender of the investigator influences choice of research topics how funding sources shape the research agenda what influence a researcher's career trajectory has on research topics methods and procedures why psychological and sociological frameworks and methodologies are commonly

used in family research how political policy influences and dictates theory development and research what to do about the multitude of new questions that inevitably arise from such intercultural research Family Law James Stewart,2011

Family Law, Sex and Society Peter De Cruz,2010-02-25 Comparative in both approach and framework Family Law Sex and Society provides a critical exposition of key areas in family law exploring their evolution and development within their historical cultural political and legal context Cross referencing to English law throughout this comparative textbook pays particular attention to the transformation of marriage the development of divorce laws matrimonial property the legal recognition of unmarried heterosexual and same sex cohabitants the universal adoption of the best interests standard for children in domestic and international legislation and the impact of the Human Rights Act 1998 on family law in a variety of jurisdictions Divided into different sections Family Law Sex and Society includes coverage of a jurisdictional and historical survey of some of the main themes in Family Law as well as consideration of the evolution of the Western family the English law relating to divorce marital property and children and a comparison with the equivalent law in the civil law jurisdictions of France and Germany family law developments in other common law countries such as Australia and New Zealand selected American jurisdictions parts of Africa and some Far Eastern countries and hybrid jurisdictions like Japan and Russia an analysis of the law relating to unmarried cohabitation and domestic partnerships in civil law jurisdictions such as France Germany and Sweden in comparison to Anglo American law a comparative analysis of the laws relating to domestic violence Family Law Sex and Society offers valuable socio legal and socio cultural insights into the practice of family law and is the only textbook that provides a unified coherent and comparative approach to the study of family law as it operates in these particular jurisdictions **Chinese Family Businesses in Malaysia** Lee Kean Yew,2025-03-31 Lee focuses on the historical and cultural journey of Chinese family businesses CFBs in Malaysia uncovering the dynamic interplay of ethnic resources generational knowledge and state led development policies that have shaped their survival and success With one of the largest Chinese communities in Southeast Asia Malaysia offers a rich landscape to explore the evolution of CFBs Through analyzing 12 small and medium sized enterprises SMEs across key economic sectors the book examines how Chinese family businesses have adapted to a shifting landscape from leveraging deep rooted networks and ethnic heritage to navigating government policies that have both challenged and shaped their growth It uncovers key factors such as tacit knowledge innovation and generational transitions that have driven the evolution of these enterprises in Malaysia s competitive business environment Drawing on detailed case studies Lee demonstrates how tradition innovation and strategic decision making converge to sustain business longevity across generations An essential read for researchers students family business practitioners and business historians and anyone interested in understanding the resilience and adaptability of Chinese family businesses *Singapore's Economic Development* Linda Y. C. LIM,2015-12-30 Singapore is known internationally for its successful economic development Key to its economic successes is a variety of policies put into place over the past 50

years since its independence Singapore's Economic Development Retrospection and Reflections provides a retrospective analysis of independent Singapore's economic development from the perspective of different policy domains each considered by different expert scholars in that particular field The book is written by academic economists in a style that is accessible to non experts Each chapter includes reviews of past scholarship current data on each policy area and reflections on required or desirable future policy changes and outcomes *Reconciling Work and Family Responsibilities* Catherine Hein, 2005

Looks at and synthesizes the experience of governments employers and trade unions in various countries **Handbook on Migration and the Family** Johanna L. Waters, Brenda S.A. Yeoh, 2023-03-02 This Handbook is a timely and critical intervention into debates on changing family dynamics in the face of globalization population migration and uneven mobilities By capturing the diversity of family types arrangements and strategies across a global setting the volume highlights how migration is inextricably linked to complex familial relationships often in supportive and nurturing ways but also violent and oppressive at other times **The Politics of Landscapes in Singapore** Lily Kong, Brenda S. A.

Yeoh, 2003-02-01 This thought provoking book explores strategies employed by Singapore a multiracial society to create a Singapore nation with an emphasis on the role of landscape As such the authors cast keen eye on religious buildings public housing heritage landscapes and street name changes as tangible methods of nation building in a postcolonial society The authors illustrate how nation and national identity are concepts that are negotiated and disputed by varied social economic and political groups some of which may actively resist powerful state centrist attitudes Throughout this work the role of the landscape prevails both as a way to naturalize state ideologies and as a means of providing possibilities for reinterpretation in everyday life A General History Of The Chinese In Singapore Chong Guan Kwa, Bak Lim Kua, 2019-06-21 A General History of the Chinese in Singapore documents over 700 years of Chinese history in Singapore from Chinese presence in the region through the millennium old Hokkien trading world to the waves of mass migration that came after the establishment of a British settlement and through to the development and birth of the nation Across 38 chapters and parts readers are taken through the complex historical mosaic of Overseas Chinese social economic and political activity in Singapore and the region such as the development of maritime junk trade plantation industries and coolie labour the role of different bangs clan associations and secret societies as well as Chinese leaders the diverging political allegiances including Sun Yat sen's revolutionary activities and the National Salvation Movement leading up to the Second World War the transplanting of traditional Chinese religions the changing identity of the Overseas Chinese and the developments in language and education policies publishing arts and more With Pride in our Past Legacy for our Future as its key objective this volume aims to preserve the Singapore Chinese story history and heritage for future generations as well as keep our cultures and traditions alive Therefore the book aims to serve as a comprehensive guide for Singaporeans new immigrants and foreigners to have an epitome of the Singapore society This publication is supported by the National Heritage Board's Heritage Project Grant
