When Stars Rain Down Angela Jackson-Brown, 2021-04-13. Opal is an eighteen-year-old Black woman working as a housekeeper in a small Southern town in the 1930s and then the Klan descends. A moving story that confronts America's tragic past. When Stars Rain Down is both heartwarming and heart-wrenching. The summer of 1936 in Parsons, Georgia, is unseasonably hot, and Opal Pruitt senses a nameless storm brewing. She hopes this foreboding feeling won't overshadow her upcoming 18th birthday or the annual Founder's Day celebration in just a few weeks. She and her Grandma Birdie work as housekeepers for the white widow Miss Peggy, and Opal desperately wants some time to be young and carefree with her cousins and friends. But when the Ku Klux Klan descends on Opal's neighborhood, the tight-knit community is shaken in every way possible. Parsons's residents, both Black and white, are forced to acknowledge the unspoken codes of conduct in their post-Reconstruction era town. To complicate matters, Opal finds herself torn between two unexpected romantic interests: the son of her pastor, Cedric Perkins, and the white grandson of the woman she works for, Jimmy Earl Ketchum. Faced with love, loss, and a harsh awakening to an ugly world, Opal holds tight to her family and faith and the hope for change. When Stars Rain Down is so powerful, timely, and compelling, an important and beautifully written must-read of a novel. Silas House author of *Southernmost*. 2021 Langum Prize in American Historical Fiction. Finalist. Stand-alone novel. Includes discussion questions for book clubs. After the Rain Grace Taber Hallock, 1927. Normal Instructor and Primary Plans, 1920. Teachers Monographs, 1922. *The Singing Fish* Peter Markus, 2005. Fiction. The interwoven tales that make up *THE SINGING FISH* are not told but rather spun from a primal, almost child-like source of mythic language sublimated from the fundamental building blocks of mud, brother, river, girl, moon, fish, and a rusted nail. Peter Markus gorgeously spares riverine fables of brotherly sweetness and violence, are hypnotic, haunting, and sublime. Gary Lutz: There is an obsessive quality about Peter Markus writing that I am obsessed with and a musicality that I cannot get out of my head. The fish are singing, and Peter Markus is too. Michael Kimball. **Let Jasmine Rain Down** Kay Kaufman Shelemay, 1998-12. When Jews left Aleppo, Syria, in the early twentieth century and established communities abroad, they carried with them a repertory of songs, *pizmonim*, with sacred Hebrew texts set to melodies borrowed from the popular Middle Eastern Arab musical tradition. *Let Jasmine Rain Down* tells the story of the *pizmonim* as they have continued to be composed, performed, and transformed through the present day. It is thus an innovative ethnography of an important Judeo-Arabic musical tradition and a probing contribution to studies of the link between collective memory and popular culture. Shelemay views the intersection of music, individual remembrances, and collective memory through the *pizmonim*. Reconstructing a century of *pizmon* history in America based on research in New York, Mexico, and Israel, she explains how verbal and musical memories are embedded in individual songs and how these songs perform.

both what has been remembered and what otherwise would have been forgotten In confronting issues of identity and meaning in a postmodern world Shelemay moves ethnomusicology into the domain of memory studies Season's Singing Ross V. Doughty,2005 Some of these poems may leave you with a feeling of having been near the action as if it were happening This plus several poems may leave you with a chuckle or a tear in your eye or a surprise **Health for Native Life** ,2003 **Meet Mrs. Smith** Anna Smith,2013-04-05 With a good dose of spiritual insight parenting advice and wry humor Anna Smith chronicles her life as wife of the lead singer of Delirious the history making band that launched the modern day worship movement A feast of behind the scenes insights about life as an international celebrity this book is also a profound look at one family s quest to foster a rich spiritual life and care for others while living well in a consumption driven world This book is about not settling for less in life as a parent and as a rock star but doing everything with soul purpose Readers will come away entertained and inspired ready to surprise the world with their desire to do great things for God
