Men In The Shadows The Shocking Truth About The Rcnp Security Service:

Espionage: Past, Present and Future? Wesley K. Wark, 2012-12-06 Highlights of the volume include pioneering essays on the methodology of intelligence studies by Michael Fry and Miles Hochstein and the future perils of the surveillance state by James Der Derian Two leading authorities on the history of Soviet Russian intelligence Christopher Andrew and Oleg Gordievsky contribute essays on the final days of the KGB Also the mythology surrounding the life of Second World War intelligence chief Sir William Stephenson The Man Called Intrepid is penetrated in a persuasive revisionist account by Timothy Naftali The collection is rounded off by a series of essays devoted to unearthing the history of the Canadian intelligence service

Canada , MI6 and the Machinery of Spying Philip Davies, 2004-06 Philip H J Davies is one of a growing number of British academic scholars of intelligence but the only academic to approach the subject in terms of political science rather than history He wrote his PhD at the University of Reading on the topic Organisational Development of Britain's Secret Intelligence Service 1909-1979 and has published extensively on intelligence and defence issues After completing his PhD he taught for a year and a half on the University of London external degree programme in Singapore before returning to the UK to lecture at the University of Reading for two years He was formerly Associate Professor of International and Security Studies at the University of Malaya in Malaysia where he not only conducted his research but provided a range of training and consultancy services to the Malaysian intelligence and foreign services He is now based at Brunel University UK

Whose National Security? Gary Kinsman, Dieter K. Buse, Mercedes Steedman, 2000-10-01 Would you believe that RCMP operatives used to spy on Tupperware parties In the 1950s and 60s they did They also monitored high school students gays and lesbians trade unionists left wing political groups feminists consumer's associations Black activists First Nations people and Quebec sovereigntists The establishment of a tenacious Canadian security state came as no accident On the contrary the highest levels of government and the police along with non governmental interests and institutions were involved in a concerted campaign The security state grouped ordinary Canadians into dozens of political stereotypes and labelled them as threats Whose National Security probes the security state's ideologies and hidden agendas and sheds light on threats to democracy that persist to the present day The contributors varied approaches open up avenues for reconceptualizing the nature of spying

Canada's 1960s Bryan D. Palmer, 2009-01-01 Focusing on the major movements and personalities of the time as well as the lasting influence of the period Canada's 1960s examines the legacy of this rebellious decade's impact on contemporary notions of Canadian identity

Just Watch Us Christabelle Sethna, Steve Hewitt, 2018-03-21 From the late 1960s to the mid 1980s in the midst of the Cold War and second wave feminism the RCMP security service prompted by fears of left wing and communist subversion monitored and infiltrated the women's liberation movement in Canada and Quebec Just Watch Us investigates why and how this movement was targeted weighing carefully the presumed threat its left wing ties presented to the Canadian government against the defiant challenge its campaign for

gender equality posed to Canadian society Based on a close reading of thousands of pages of RCMP documents declassified under Canada's Access to Information Act and the corresponding Privacy Act Just Watch Us demonstrates that the security service's longstanding anti Communist focus distorted its threat assessment of feminist organizing Combining gender analysis and critical approaches to state surveillance Christabelle Sethna and Steve Hewitt consider the machinations of the RCMP including its bureaucratic evolution intelligence gathering operations and impact as well as the evolution of the women's liberation movement from its broad transnational influences to its elusive quest for unity among women across lines of ideology and identity Significantly the authors also grapple with the historiographical methodological and ethical difficulties of working with declassified security documents and sensitive information A sharp eyed inquiry into spy policies and tactics in Cold War Canada Just Watch Us speaks to the serious political implications of state surveillance for social justice activism in liberal democracies

The Vigilant Eye Greg Marquis, 2017-01-19T00:00:00Z In The Vigilant Eye Greg Marquis combines the narrative and chronological approach of traditional institutional history with the critical approaches of social history legal history and criminology The book begins with the English and Irish roots of nineteenth century British North American policing and traces the development of the three models of law enforcement that would shape the future the local rural constable the municipal police department and the paramilitary territorial constabulary Marquis examines the development of provincial police services whose expansion coincided with the rise of mass automobile ownership and controversies over alcohol prohibition and control and their eventual absorption into the RCMP In terms of political policing the vigilant eye has monitored harassed and disrupted various social and political movements ranging from Fenians to communists to Quebec separatists and environmentalists Marquis argues that the style of community policing in vogue during the 1970s and 1980s lacked confidence and had a limited impact Canada's simplistic crime fighting model undermines genuine reform including curbs on the use of deadly force on citizens and justifies the increased militarization of policing Marquis argues that it is time for citizens to turn their vigilant eye towards police and policing in their own communities

Saskatchewan History, 1995 The Infernal Machine Larry Hannant, 1995 Challenging the conventional view that Canadian security screening began in September 1945 with the defection in Ottawa of Soviet cipher clerk Igor Gouzenko Hannant marshalls evidence from previously classified documents to show that systematic security screening began 15 years earlier It was initiated because the Russian Revolution in 1917 and the formation of the Communist International in 1919 caused Canadian authorities particularly the RCMP to view many citizens with suspicion Annotation copyright by Book News Inc Portland OR

Morals and the Media Nick Russell, 1994 Confronted daily with decisions on how to present their stories what to write and what not to write journalists and the media are frequently accused of sensationalizing of choosing to report the bad news and of misquoting those they interview In this substantially updated edition of *Morals and the Media* Nick Russell addresses many of the concerns the public has about the media as he examines why the media behave the way they do

He also discusses how values have been developed and applied and suggests value systems that can be used to judge special situations
