Cat Rebecca van Laer,2025-10-02 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things Rebecca van Laer and her partner purchase a home and move in with their senior cats Toby and Gus Their loved ones see this as a step toward an inevitable future first comes the house then a dog then a child But what if they are just cat people Moving between memoir philosophy and pop culture Cat is a playful and tender meditation on cats and their people Van Laer considers cats role in her personal narrative where they are mascots of laziness and lawlessness and in cultural narratives where they appear as feminine anarchic and maladapted especially in comparison to dogs From the stereotype of the crazy cat lady to the joy of cat memes to the grief of pet loss van Laer demonstrates that the cat person relationship is free of the discipline and dependence required by parenting and dog parenting creating a less hierarchical intimacy that offers a different model for love

It's a Jungle at Home Debra White Smith,2006-01-01 In hilarious short stories that highlight Christian principles Smith shares comical situations that include serving French fry flamb and encountering the perfect mom Each story has an upbeat conclusion and a survival tip

The Cat's Meow Jonathan B. Losos,2023-05-02 The past present and future of the world's most popular and beloved pet from a leading evolutionary biologist and great cat lover Engaging and wide ranging The Cat's Meow is a readable and informed exploration of the wildcat that lurks within Fluffy The Washington Post The domestic cat your cat has from its evolutionary origins in Africa been transformed in comparatively little time into one of the most successful and diverse species on the planet Jonathan Losos writing as both a scientist and a cat lover explores how researchers today are unraveling the secrets of the cat past and present using all the tools of modern technology from GPS tracking you'd be amazed where those backyard cats roam and genomics what is your so called Siamese cat really to forensic archaeology In addition to solving the mysteries of your cat's past it gives us a cat's eye view of today's habitats including meeting wild cousins around the world whose habits your sweet house cat sometimes eerily parallels Do lions and tigers meow If not why not Why does my cat leave a dead mouse at my feet or on my pillow Is a pet ocelot a bad idea When and why did the cat make its real leap off the African plain What's with all those cats in Egyptian hieroglyphics In a genial voice casually deciphering

complex science and history with many examples from his own research and multi cat household Losos explores how selection both natural and artificial over the last several millennia has shaped the contemporary cat with new breeds vastly different in anatomy and behavior from their ancestral stock Yet the cat ever a predator still seems only one paw out of the wild and readily reverts to its feral ways as it occupies new lands around the world Humans are transforming cats and they in turn are transforming the world around them This charming and intelligent book suggests what the future may hold for both *Felis catus* and *Homo sapiens* **Justice for Cats** Jessica Barbazon,2008-12-12 This book is filled with information on how we can become a no kill nation Through many years of operating the shelter and seeing where the main problems are for having cat overpopulation in our society there are things each of us can do to make the situation much better We can all do something to help all the pets have homes and keep more from becoming homeless The table of contents is very thorough and a reader can find the topic they need help with going directly to it quickly It s a user friendly manual to assist in finding the correct information Situations encountered in helping cats are all explained Cat care as well as operating and starting a shelter is all contained in these pages There are endearing stories of rescued cats in the book Rescuing cats is a lot of work but very rewarding Saving lives is the best thing anyone can do Happy Cruelty Day! Bob Powers,2006-12-26 Beginning on January 1 the book features 365 new holidays each accompanied by a short story explaining the day you woke up in and how to celebrate it
