Murder Mayhem Mystery In San Miguel:

Murder, Mayhem & Mystery in San Miguel Richard Crissman, 2005-07 This funny book takes a piercing look at the gringos living in the central highlands of Mexico Maybe it is the altitude of 6 500 feet or maybe it is a privilege of wealthy people but Americans are pretty independent cusses when they settle in San Miguel de Allende Jack and Penny Battle live in San Miguel where he writes pretty poor detective novels and his beautiful wife pays the bills They solve the murder of an old dear who writes pornography in the first story Political activists make fools of themselves in the second story and one of them is killed for political correctness and money In the third story the Battles make a dangerous political force out of their gardener Then a promoter of shady subdivisions defrauds the whole American colony and is pulled up short by Penny Battle who pays no attention to Jack's advice to stay out of it To know these people is to laugh as much with them as at them Pull up a tall drink and enjoy yourself What Did the Royal Stuarts Ever Do for the U.S.A.? Richard Crissman, C. T. von

Jaeger-Dougall, 2005-03 What if the ousted kings of England the Stuarts had claimed the North American colonies We might have been free of the English a century earlier no revolution needed What set up this possibility How did it happen that those foolish brave and unlucky Stuarts did everything wrong to ensure that their Scottish subjects migrated to North America as soon as there were any ships going in that direction This amusing book is full of lost causes wrongheaded kings and sheer incompetence Prince Charlie wasn't bonny at all and Mary Queen of Scots wasn't innocent Read all about these feckless kings of Scotland and England and about how they gave so much to the USA **Mayhem No More** Maryse
