Garratt Edsall, 2025-07-29 This research work aims to present a solution to the problem of withering Christian congregations present in modern Christian churches by way of expounding the doctrine that Jesus or his apostles promoted as displayed in the four canonical Gospels the Acts of the Apostles or the New Testament epistles This study presents factual information showing that the doctrine and arrangement of leaders that developed within the first century church may have been overlooked and lost by the wayside of history in

favor of established traditions Paul declared his purpose for visiting the church believers in Rome was not to collect money or build houses of worship but so that their lives might manifest spiritual fruit Following that example improving the spiritual quality of their people's lives should be the primary goal of all Christian ministers The majority of this work will conduct a careful exegesis of selected passages from the New Testament which focus on the leadership model utilized by the first century church This study presents in detail the stratified leadership model of the early times in such a fashion that any modern church might replicate its design **The Life of Christ: Seed time. The first conflicts. The crisis, chapters 1-2**

Bernhard Weiss,1894 The Collected Works of Edward Schillebeeckx Volume 8 Edward Schillebeeckx,2014-09-25 As a result of the publication of Jesus An Experiment in Christology volume 6 and Christ The Christian Experience in the Modern World volume 7 Schillebeeckx was accused of denying the divinity of Jesus and the resurrection as objective reality In this interim report he responds to these criticisms Schillebeeckx argues that the interpretation of his publications depends to a large extent on what the reader takes as a starting point This book therefore is about presuppositions and methods of interpretation Schillebeeckx begins by looking once again at the nature of revelation at the ways in which religious faith is experienced and expressed in the modern world and at sources of authority He then discusses specific criticisms Can he be called a neo liberal Does he devalue the church's tradition Is his Christology inadequate What does he really believe concerning the resurrection Then towards the end in some poetically powerful passages he turns once again to the nature of the Kingdom of God creation and salvation **Christian Origins and the Establishment of the Early Jesus Movement**

Stanley E. Porter,Andrew W. Pitts,2018-08-07 Christian Origins and the Establishment of the Early Jesus Movement explores the events people and writings surrounding the founding of the early Jesus movement in the mid to late first century The essays are divided into four parts focused upon the movement's formation the production of its early Gospels description of the Jesus movement itself and the Jewish mission and its literature This collection of essays includes chapters by a global cast of scholars from a variety of methodological and critical viewpoints and continues the important Early Christianity in its Hellenistic Context series **Anointed Destiny Changing Prayers for your Children** DR. D. K. OLUKOYA,2014-07-11

Many children are passing through difficulties in life that can be avoided through the prayers of the parents On a 30 day schedule as a parent you will become a first line intercessor for your children These practical prayers with practical results will definitely encourage you Get your copy and hear from the One who has promised that your children shall be for signs and wonders Hebrews MacArthur New Testament Commentary John MacArthur,1983-09-08 The theme of Hebrews is simple Jesus Christ is superior to and preeminent over everyone and everything His absolute supremacy overshadows all else and demands the worship and allegiance of every individual With eternity at stake how one responds to Jesus Christ is the most important decision a person can ever make Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical **The Beginner's Bible Jesus and His Friends** The Beginner's

Bible, 2012-01-17 Jesus loves many people He has lots of friends who love him too Jesus and his friends help people They share their food Best of all Jesus and his friends tell people about God This My First I Can Read book with basic language word repetition and great illustrations is perfect for shared reading with a child It aligns with guided reading level J and will be of interest to children Pre K to 3rd grade *Israel and the Covenants in New Testament Times* Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that *At the Cross* Richard H.

Allen, 2014-05-29 In volume two of *At the Cross* Richard Allen focuses on the sanctification that follows a believer's initial commitment to Christ The cross of Christ represents the spiritual physical and metaphoric reasons for our existence *At the Cross* is a line by line examination of the Gospels of Matthew Mark Luke and John as these apostles describe events from the Garden of Gethsemane to the resurrection and ascension of Jesus Christ This book is written for both new and seasoned believers so they may find direction for and discover the ramifications of that commitment *At the Cross* is also written for nonbelievers so they can see why believers from the martyrdom of Christ to the most recent Chinese Christian jailed and tortured for his faith would forfeit their lives and liberty rather than deny their Savior **Commentary on the International and Uniform Lessons** National Baptist Convention of the United States of America. Sunday School

Publishing Board,1929 **The New Testament of Our Lord and Saviour Jesus Christ** ,1890 **Wesley's Hymns and the Methodist Sunday-school Hymn-book** ,1893 **The Expository Times** James Hastings,Ann Wilson Hastings,Edward Hastings,1903 *The Jesus People of the First Century* John Wood,1974 *The life, teaching, and works of ...
