Island Home Tim Winton, 2017-03-20 The writer explores his beloved Australia in a memoir that is a

delight to read and a call to arms It beseeches us to revere the land that sustains us Guardian From boyhood Tim Winton's relationship with the world around him rock pools sea caves scrub and swamp has been as vital as any other connection Camping in hidden inlets walking in high rocky desert diving in reefs bobbing in the sea between surfing sets Winton has felt the place seep into him and learned to see landscape as a living process In *Island Home* Winton brings this landscape and its influence on the island nation's identity and art vividly to life through personal accounts and environmental history Wise rhapsodic exalted in language as unexpected and wild as the landscape it describes *Island Home* is a brilliant moving portrait of Australia from one of its finest writers the prize winning author of *Breath Eyrie* and *The Shepherd's Hut* among other acclaimed titles

Before Environmental Law Benjamin J Richardson, 2023-10-05 This landmark open access book unveils the history of defending Australia's natural environment and examines the subject's legal and political contexts from the birth of the nation in 1901 until the advent of the so called modern era of environmental regulation in the late 1960s It rejects the mythology that Australia lacked environmental law before the late 1960s in revealing how many of today's environmental laws from pollution control to nature conservation emerged from precedents or events much earlier in the 20th century This history however reveals a discrepancy between lawmakers greater efficacy to exploit rather than protect the environment a discrepancy that grew as nature's backlash intensified in a rapidly degrading continent colonised to build the Australian nation In exploring these dynamics the book offers a rich tapestry of case studies illustrated with historic photographs that show the origins of Australia's environmental laws and how they borrowed from international precedents or furnished lessons for other nations Through its multi disciplinary enquiry the book offers scholars and students of environmental law legal history and the environmental humanities a unique story about the failures and successes in the making of environmental law The ebook editions of this book are available open access under a CC BY NC ND 4.0 licence on bloomsburycollections.com

Depressive Realism Colin Feltham, 2016-09-13 *Depressive Realism* argues that people with mild to moderate depression have a more accurate perception of reality than non depressives Depressive realism is a worldview of human existence that is essentially negative and which challenges assumptions about the value of life and the institutions claiming to answer life's problems Drawing from central observations from various disciplines this book argues that a radical honesty about human suffering

might initiate wholly new ways of thinking in everyday life and in clinical practice for mental health as well as in academia Divided into sections that reflect depressive realism as a worldview spanning all academic disciplines chapters provide examples from psychology psychotherapy philosophy and more to suggest ways in which depressive realism can critique each discipline and academia overall This book challenges the tacit hegemony of contemporary positive thinking as well as the standard assumption in cognitive behavioural therapy that depressed individuals must have cognitive distortions It also appeals to the utility of depressive realism for its insights its pursuit of truth as well its emphasis on the importance of learning from negativity and failure Arguments against depressive realism are also explored This book makes an important contribution to our understanding of depressive realism within an interdisciplinary context It will be of key interest to academics researchers and postgraduates in the fields of psychology mental health psychotherapy history and philosophy It will also be of great interest to psychologists psychotherapists and counsellors **Aboriginal History** ,2003
