The Eagle's Way : Nature's New Frontier in a Northern Landscape Jim Crumley, 2022-01-01 The best nature writer working in Britain today The Los Angeles Times Eagles more than any other bird spark our imaginations These magnificent creatures encapsulate the majesty and wildness of Scottish nature But change is afoot for the eagles of Scotland the golden eagles are now sharing the skies with sea eagles after a successful reintroduction programme In *The Eagle's Way* Jim Crumley exploits his years of observing these spectacular birds to paint an intimate portrait of their lives and how they interact with each other and the Scottish landscape Combining passion beautifully descriptive prose and the writer's 25 years of experience *The Eagle's Way* explores the ultimate question what now for the eagles making it essential reading for wildlife lovers and eco enthusiasts

Life in the Sea, Or, The Nature and Habits of Marine Animals, 1860 *Love-life in Nature* Wilhelm Bölsche, 1926

The Nature of Order, Book One: The Phenomenon of Life Christopher Alexander, 2020-03-30 Christopher Alexander's series of ground breaking books including *A Pattern Language* and *The Timeless Way of Building* have pointed to fundamental truths of the way we build revealing what gives life and beauty and true functionality to our buildings and towns Now in *The Nature of Order* Alexander explores the properties of life itself highlighting a set of well defined structures present in all order and in all life from micro organisms and mountain ranges to good houses and vibrant communities In *The Phenomenon of Life* the first volume in this four volume masterwork Alexander proposes a scientific view of the world in which all space matter has perceptible degrees of life and sets this understanding of order as an intellectual basis for a new architecture With this view as a foundation we can ask precise questions about what must be done to create more life in our world whether in a room a humble doorknob a neighbourhood or even in a vast region He introduces the concept of living structure basing it upon his theories of centers and of wholeness and defines the fifteen properties from which according to his observations all wholeness is built Alexander argues that living structure is at once both personal and structural Taken as a whole the four books create a sweeping new conception of the nature of things which is both objective and structural hence part of science and also personal in that it shows how and why things have the power to touch the human heart A step has been taken through which these two domains the domain of geometrical structure and the feeling it creates kept separate during four centuries of scientific thought from 1600 to 2000 have finally been united

Hidden Nature Isla Hodgson, 2018-05-30 In every walk with nature one receives far more than he seeks John Muir This is a book about Britain's wildlife how to discover it and the adventures we can have with it Its aim is to show that you don't have to travel to the nether reaches of the Arctic or the deepest corners of the Amazon rainforest to experience weird and wonderful creatures they are right here on our doorstep In a world where nature is slowly being replaced by

technology and material things every single one of us could do with appreciating the flora and fauna that we have To spend time in the outdoors exploring searching and learning teaching ourselves that there is life beyond our laptop screens And it needs our help Every day we lose more species more habitat but how are we meant to know what to save if we don't know what we will lose This book is about just that Written by a young conservationist who hasn't quite grown up it details her small adventures travelling the UK in search of wildlife encounters often on a shoestring budget From ancient forests and coastal wilderness to bustling city streets and suburban back gardens nature is everywhere if you know where to look Featuring unique illustrations and photography Britain's wild things will inspire you to get out there and discover the UK's hidden wilderness Nature Cure A Way of Life S.R. Miss Morgans love returns Are you one of those people who have been taught to always do what was good for the family Everything you do is a reflection on your family from the way you dress how you act in public those you hang around with to what you choose to do in life It can all be suffocating Thats was the world Jacqueline Morgan was brought up in For years she had been the perfect daughter doing everything she was told without making waves or even a ripple of trouble that would have disappointed her parents She couldnt she was the chosen daughter to take over the family business when it was time She envied her little sister and the freedom she had to live her life with carefree adventures More than anything Jacqui wanted to experience a little freedom herself before devoting her life to the family business She gathered all her courage the summer before she was going to enter college and plead with her father to let her have a few weeks to blow off some steam On her first day of freedom Jacqui found herself standing on a dock letting the warm ocean wind blow through her hair and she was happier than she had been in years That was also the first time she laid eyes on Azmyth He was unlike any of the boys she knew in her life He was handsome in a rugged way and full of life and passion not stuffy and extremely controlled and held down by responsibilities Azmyth was on vacation at his cousins and enjoying some afternoon fishing when Jacqui stepped out on the pier and stole his attention He never saw anyone as beautiful as she was and instantly wanted to get to know her better so he asked her out In the days that followed Jacqui and Azmyth met for afternoon dates bringing them even closer She really liked him and felt a very strong connection with him unlike anything she ever felt before Jacqui didnt let anyone know what she was doing not even her sister because she knew that her father wouldnt approve of Azmyth That alone seemed to heighten her need to explore the relationship further She was experiences all kinds of adventures with Azmyth including her first kiss that made heat flood her body and her toes curl in her shoes It didnt take long for Jacqui to fall head over heels for him Things heated up quickly between the young couple and Jacqui decided she wanted to experience a deeper intimacy before she went off to college and she wanted it to be with Azmyth It was a night she would never forget and for more than the magical time she had with Azmyth When she got home that night the magic ended and disaster hit Her parents came home early and discover her sneaking back into her bed room and all hell broke loose Her perfect night ended in her being torn away from Azmyth forever with no way of contacting him to explain what had happened Eleven years passed and Jacqui had become a driving force in the family business She works all the time and rarely takes time to enjoy lifes little pleasures and relax A fact that has her sister and friends afraid that she will burn herself out and they gang up on her insisting she joins them on vacation Jacqui is hesitant to join them after all the last time she indulged in fun and freedom everything in her life had come crashing down on her When the group of friends arrived on the private island Jacqui changes her mind about

having a good time and begins to relax Then as if fate decided to torture her the one person she never thought she would see again but had haunted her more intimate dreams walks into the bar her and her friends were at Just laying eyes on Azmyth again after so many years Jacquis pulse started to race Even in her wildest dreams she never pictured that he would look even more gorgeous than she remembered Jacqui and Azmyth reunion isnt what he expected it would be when he first saw him walking towards him Shes different from the girl he once knew but still kind of the same and the spark The Shepherd (ed. by J.E.
