AN UNFINISHED COLLECTION

A silence had fallen upon the smoking-room. The warrior just back from the front had enquired after GEORGE VANDERPOOP, and we, who knew that GEORGE'S gentle spirit had, to use a metaphor after his own heart, long since been withdrawn from circulation, were feeling uncomfortable and wondering how to break the news.

SMITHSON is our specialist in tact, and we looked to him to be spokesman.

"GEORGE," said SMITHSON at last, "the late GEORGE VANDERPOOP—"

"Late!" exclaimed the warrior, "is he dead?"

"As any doornail," replied SMITHSON sadly. "Perhaps you would care to hear the story. It is sad, but interesting. You may recollect that, when you sailed, he was starting his journalistic career. For a young writer he had done remarkably well. The *Daily Telephone* had printed two of his contributions to their correspondence column, and a bright pen picture of his, describing how LEE'S Lozenges for the Liver had snatched him from almost certain death, had quite a vogue. LEE, I believe, actually commissioned him to do a series on the subject."

"Well?" said the warrior.

"Well, he was, as I say, prospering very fairly, when in an unlucky moment he began to make a collection of editorial rejection forms. He had always been a somewhat easy prey to scourges of that description. But when he had passed safely through a sharp attack of Philachism and a rather nasty bout of Autographomassa, everyone hoped and believed that he had turned the corner. The progress of his last illness was very rapid. Within a year he wanted but one specimen to make the complete set. This was the one published from the offices of the *Scrutiniser*. All the rest he had obtained with the greatest ease. I remember his telling me that a single short story of his, called *The Vengeance of Vera Dalrymple*, had been instrumental in securing no less than thirty perfect specimens. Poor GEORGE! I was with him when he made his first attempt on the *Scrutiniser*. He had baited his hook with an essay on Evolution. He

Wodehouse, 2004-06 Well he was as I say prospering very fairly when in an unlucky moment he began to make a collection of editorial rejection forms He had always been a somewhat easy prey to scourges of that description But when he had passed safely through a sharp attack of Philatelistism and a rather nasty bout of Autographomania everyone hoped and believed that he had turned the corner The progress of his last illness was very rapid Within a year he wanted but one specimen to make the complete set The Journal of George Fox: Being an Historical Account of His Life, Travels, Sufferings, and Christian Experiences (Complete) George Fox, The present re issue of the Journal of George Fox has in a great measure resulted from the concern of a Friend lately deceased who was actively engaged in the last edition and who provided a handsome sum towards the further republication of this valuable Testimony to the Truth Assisted by the above bequest and prompted by the encouragement of many Friends the Editor of this Seventh Edition of the Journal has endeavoured to increase the usefulness by issuing it in a manner considerably more adapted than heretofore for general usefulness and calculated he hopes to insure a still more extended circulation In printing from the last edition which was collated with the first and third some further slight improvements in the style have been made and redundancies omitted with an occasional transposition in the construction of a sentence or the omission or insertion of a word to impart clearness to the sense of the author care being taken in every instance not in the least to misrepresent his meaning In addition to this the work has now for the first time been divided into chapters a general table of contents has been supplied and a considerable number of Notes chiefly biographical and historical have been added which must materially increase its interest Though highly approved as a standard work there is reason to believe that the Journal of George Fox has not obtained that attention which its real worth justly demands even from the members of the Society which the author was so eminently instrumental in forming Let those who have not perused it be induced to make themselves acquainted with its contents and may those who are of ability be stimulated to expend a portion of their means in promoting the circulation of a work recording the labours of so eminent a servant of the Lord concerning whom the following character was given by one of his contemporaries not the less truthful and applicable from having been often quoted that He was indeed a heavenly minded man zealous for the name of the Lord and preferred the honour of God before all things He was valiant for the Truth bold in asserting it patient in suffering for it unwearied in labouring in it steady in his testimony to it immovable as a rock The many and important truths unfolded in this work though conveyed in a style not always suited to the taste of the present day will if patiently and seriously perused amply compensate the reader of whatever denomination for the time and attention he may bestow upon it Sir James Mackintosh says it Is one of the most extraordinary and instructive narratives in the world which no reader of competent judgment can peruse without revering the virtue of the writer and Coleridge in his *Biographia Literaria* observes There exist folios on the human understanding and the nature of man which would have a far juster claim to their

high rank and celebrity if in the whole huge volume there could be found as much fulness of heart and intellect as bursts forth in many a simple page of George Fox In every point of view George Fox was a character of no ordinary rank Though a stranger to the polish of human learning he possessed a truly enlightened mind connected with sound practical knowledge and fearlessly inculcated amongst persons of all ranks sentiments and views on various points equally conducive to the immediate comfort and to the amelioration and advancement of the various classes of civil society These views though then rejected by many as visionary have since met with very general acceptance and in some cases have even obtained the favourable attention of government But what is of still more importance he was well taught in the school of Christ He was thoroughly versed in the Holy Scriptures which to use his own expression were very precious to him and he always held them in high estimation He firmly believed in the Son of God in the atoning efficacy of his sacrifice upon the cross and in all his offices and works both for us and in us and by obedience to the Light of Life the illuminating renovating power of the Holy Spirit to Christ in his spiritual appearance he realized in himself the benefits conferred upon mankind by the sufferings and death of the Saviour By a variety of preparatory baptisms he was on the one hand given to see the depths of Satan and on the other richly instructed in the mysteries of the everlasting kingdom of God Thus trained and exercised he became abundantly furnished and qualified to enter upon the arduous service to which he believed himself Divinely called and proved himself to be as his Journal largely testifies a workman that needed not to be ashamed rightly dividing the Word of Truth

Journal of the Outdoor Life, 1934 *Mr. Punch's "Animal Land"* Edward Tennyson Reed, 2021-05-19 In *Mr. Punch's Animal Land*, Edward Tennyson Reed presents a captivating exploration of anthropomorphism through the lens of satirical humor. This collection of illustrations and accompanying text reveals a whimsical world where animals embody the characteristics and follies of human society, drawing parallels between the two. Reed's artistic style is rich with detail and sharp wit, set against the backdrop of late Victorian England, a period known for its keen social commentary and burgeoning interest in natural history. His clever interplay of text and imagery serves not only to entertain but also to provoke thought about human behavior and the moral lessons often found within the animal kingdom. Edward Tennyson Reed, a prominent illustrator and journalist, was well-versed in the cultural currents of his time. His work for publications such as *Punch* allowed him to hone his satirical voice, merging humor with critical commentary. Having been deeply influenced by both the literary and artistic communities of his era, Reed deftly captures the societal dynamics of Victorian life through his vivid portrayals of animals, imbuing each creature with a unique personality reflective of human traits. *Mr. Punch's Animal Land* is a delightful read for anyone interested in the convergence of art, literature, and social critique. Reed's ability to blend humor with

intelligent observation rewards the reader with both laughter and reflection This book is a must have for enthusiasts of satire as well as those who appreciate the timeless tradition of using animal fables to illuminate human nature **The**
